New Oliver No. 5 Sets Swiftest Pace Ever Known in Typewriter Selling.

The wonderful new model, Oliver No. 5, has taken the market by storm. Its reception by the public has exceeded in enthusiasm anything we had dared to anticipate. Employers and stenographers alike have welcomed it as the one machine that answers the multiplied need of the hour.

The cry is for Speed! Speed! Speed!—and the Oliver responds. The demand for Durability is filled by the sturdy, steel-clad Oliver. To a call for a writing machine that will do many things and do each of them equally well, the Oliver answers with its unexampled versatility. Its visible writing saves the strain on eye and brain. Its legibility lends beauty to its work. The letters that bear the Oliver imprint are the letters that seem to speak. Oliver No. 5 fairly bristles with new and exclusive time-and-saving features. We have space to mention only a few of the more important ones.

—Disappearing Indicator shows exact printing point.
—Balance Shifting Mechanism saves operative effort.
—Line Ruling Device is fine for tabulated work.
—Double Release doubles convenience.
—Non-Vibrating Base insures stability. Yet with all of these added improvements, we have still further simplified the Oliver by fusing brains with metal.

Oliver No. 5 is a dream come true—the dream of Thomas Oliver crystallized into this wonderful mechanism of shining steel that embodies every possible requirement of a perfect writing machine.

Therein is His Power. Man is but a reed, the weakest in nature, but he is a thinking reed.—Pascal.

Talk and Thought. The parrot is proof of the fact that there may be much talk where there is little thought.

Seems Simple Thing to Do.
A spy writer says: "While a man of 50 can take an interest in the latest tie—and tie it—he is preserving his youth."

A Near-Fulfillment.
"What on earth does Blinks keep a pet goose for?" "He says he does because its 'honk' is as near as he can get to owning an automobile."

A Contented Woman.
is always found in the same house with Ballard Snow Lintment. It keeps every member of the family free from aches and pains, it heals cuts, burns and scalds, and cures rheumatism, neuralgia, lumbago and all muscular soreness and stiffness. 25c, 50c and \$1.00 a bottle. Sold by St. Bernard Mining Co., Incorporated, drug department.

Formation of the People.

A Golden Wedding

Sold by St. Bernard drug store, Incorporated.

Superstitious as Ever.
Superstitions are as numerous and as absurd to-day as during the middle ages. But instead of burning our sorcerers, fortune-hunters, palmists and crystal-gazers, we pay them. Remarkable progress.—Vienna Zeitung.

Starved to Death
is what could truthfully be said of many children who die. They have worms, poor little things—they don't know it and you don't realize it. If your child is cross, fretful, pasty complexion and loses weight for no apparent reason, give it White's Cream Vermifuge, you will be surprised at the results and how quickly it picks up. Sold by St. Bernard Drug Store, Incorporated.

Sweetness by the Ton.
Perfume manufacturers of Italy every year consume 1,850 tons of orange blossoms, 930 tons of roses, 150 tons each of jasmine and violets and 15 tons of jonquilla.

Life 100,000 Years Ago.
Scientists have found in a cave in Switzerland bones of men, who lived 100,000 years ago when life was in constant danger from wild beasts. Today the danger, as shown by A. W. Brown, of Alexander, Me., is largely from deadly disease. "If it had not been for Dr. King's New Discovery, which cured me, I could not have lived," he writes, "suffering as I did from a severe lung trouble and stubborn cough." To cure sore lungs, colds, obstinate coughs, and prevent Pneumonia, its the best medicine on earth. 50c and \$1. Guaranteed by all leading druggists. Trial bottle free.

Wood Pulp Makes for Safety.
Wood pulp, sometimes a fatal cargo, is often used for the safety of ships. A layer of cellulose is built into their sheathing, and in the event of a leak tends to swell and so close the hole.

Sees Mother Get Young.
"It would be hard to overstate the wonderful change in my mother since she began to use Electric Bitters," writes Mrs. W. L. Gilpatrick, of Danforth, Me. "Although past 70 she seems really to be growing young again. She suffered untold misery from dyspepsia for 20 years. At last she could neither eat, drink nor sleep. Doctors give her up and all remedies failed till Electric Bitters worked such wonders for her health. They invigorate all vital organs, cure Liver and Kidney troubles, induce sleep, impart strength and appetite. Only 50c. at all leading druggists.

The only woman in the world who bears the impressive title "dean of deans" is Miss Laura C. Carnell, who is a leader in the executive and educational work of Temple university, in Philadelphia.

Derivation of "Sheeny."
The word "Sheeny," as applied in an opprobrious way to Jews, is by some identified with the word "Chien," which is French for "dog." But others identify this word with "Shien," the initial letter in "Shaknab," which makes the original application of the term an honorable one.

The Ruler of the Roast.
Cook—Your wife, sir, came into the kitchen this mornin', and insouled me, and it's wan of two things—either she laves the house, or I do!—Lippincott's.

Good Definition for Power.
To deal honestly with others is not so difficult. To compel others to deal honestly with you—that is power.—Smart Set.

A Night Rider Raid.
The worst night riders are calomel croton oil or aloes pills. They raid your bed to rob you of rest. Not so with Dr. King's New Life Pills. They never distress or inconvenience, but always cleanse the system curing colds, headaches constipation, Malaria. 25c. at all leading druggists.

The New Morality.
So, it's away with your old morality and your prating about duty, self-restraint, sin and its punishment. "Science" or "evolution," as the case may be, has shown that to be strong is to be virtuous, that to seize is the aim of life and to let-go one's hold the supreme transgression.—N. Y. Evening Post

Friendly Discussions Avari.
It would be an important step towards the reconciliation of political opponents if they would clearly signify on what points they agree, and what points they differ. To this end, friendly discussions avail more, far more, than calumnious insinuations, furious invectives, the acerbities of partisan rivalry, the machinations of intrigue and malevolence.—Comte de Mirabeau.
