New Oliver No. 5 Sets Swiftest Pace Ever Known in Typewriter Selling.

The wonderful new model, Oliver No. 5, has taken the market by storm. Its reception by the public has exceeded in enthusiasm anything we had dared to anticipate.

Employers and stenographers alike have welcomed it as the one machine that answers the multiplied need of the hour.

The cry is for Speed! Speed! Speed!—and the Oliver responds.

The demand for durability is filled by the sturdy, steel-clad Oliver. To call for a writing machine that will do many things and do each of them equally well, the Oliver answers with its unexampled versatility.

—Its visible writing saves the strain on eye and brain.

—Its legibility lends beauty to its work. The letters that bear the Oliver imprint are the letters that seen to speak.

—The Oliver No. 5 fairly bristles with new and exclusive time-and-saving features. We have space to mention only a few of the more important ones.

—Disappearing Indicator shows exact printing point.

—Shifting Mechanism saves operative effort.

—Hitting Device is fine for red work.

—Double Release doubles convenience.

—Non-Vibrating Base insures stability. Yet with all of those added improvements, we have still further simplified the Oliver by fusing brass with metal.

—Oliver No. 5 is a dream come true—the dream of Thomas Oliver crystallized into this wonderful mechanism of shining steel that embodies very possible requirements of a perfect writing machine.

—Ask the nearest Oliver agent for a Free Demonstration of Oliver No. 5. Or send for The Oliver Book—yours for a postal.

The Philosopher of Folly.
"It's love that makes the world go round," says the Philosopher of Folly. "Isn't it a pity that it wouldn't make it go square, now and then?"

First and Last.
When a girl begins to call a man by his first name, it generally indicates that she has designs on his last.—Lippincott's.

And So Many Do.
"Dar ain' no doubt," said Uncle Eben, "dat money does mo' harm dan good to a man dat regards it simply as a license to git proud an' foolish."

The Proper Question.
The man with the glassy eye and preternaturally solemn demeanor put down a sovereign at the booking office at Charing Cross, and demanded "a ticket." "What station?" snapped the booking clerk. The would-be traveler steeled himself. "What stations have you?" he asked with quiet dignity.—London Globe.

Why Have You Failed?
The man who cannot remember the exact date of the serious is hypochondriac. He worked himself into a state of nervousness and inability to do his duty. The promoter has said must be added as an indication of a man who has passed beyond the conventional compass or of attention to detail. It concentrates itself on the words and face of the speaker, to the neglect of thought expressed by the speaker.—Boston Advocate.

Night On Bald Mountain.
On a lonely night Alex. Benton, of Fort Edward, N. Y., climbed Bald Mountain to the home of a neighbor, tortured by Asthma, bent on curing him with Dr. King's New Discovery, that had cured himself of asthma. This wonderful medicine soon relieved and quickly cured his neighbor. Later it cured his son's wife of a severe lung trouble. Millions believe it's the greatest Throat and Lung cure on earth. Coughs, Colds, Croup, Hemorrhages and Sore Throats are surely cured by it. Best for Hay Fever, Grip and Whooping Cough. 50c. and \$1.00. Trial bottle free. Guaranteed by all druggists.

Wants a Ham Sandwich Mine.
Really, we cannot fully express our pleasure at the discovery of a new diamond field in South Africa. Now, if a ham sandwich mine, near enough to Macon for our children to work in, could be located, our happiness would be complete.—Macon News.

Constipation causes headache, nausea, dizziness, languor, heart palpitation. Drastic physics, grip, sickness, weaken the bowels and don't cure. Dean's Reglets act and gently cure constipation. 25 cents. Ask your druggist.

Unsurveyed Land in Arabia.
The London Times of recent date shows that Arabia is considered as containing one of the most considerable areas of unknown land in existence.

Hoppity Hop.
Are you just barely getting around by the aid of crutches or a cane? Unless you have lost a limb or have a deformity—if your trouble is rheumatism, lumbago, sprain, stiff joints, or anything of like nature use Ballard's Snow Liniment and in no time you can throw away your crutches and be as well as anyone. Price 25c., 50c. and \$1.00. Sold by St. Bernard Mining Co., Incorporated, drug department.

Food for Pet Owls.
Young owls are easily raised on fresh meat. Up to the age of four or five weeks, beef and mutton finely chopped make a good food. After that, mice, rats and English sparrows, served whole, are in great demand and come nearest their natural food. These, if not too large, they will swallow whole.—St. Nicholas.

To Be Happy
You must have good health. You can't have good health if your liver is not doing its duty—slow but sure poisoning is going on all the time under such circumstances. Ballard's Herbine makes a perfectly healthy liver—keeps the stomach and bowels right and acts as a tonic for the entire system. Sold by St. Bernard drug store, Incorporated.

By Order of the Deceased.
An Atchison man died lately, and when his remains were viewed at the funeral a placard was lying on his breast which read: "Now, will you let me alone?" There is a good deal of talk about the affair. The undertaker says he placed the placard there at the last request of the deceased.—Atchison Globe.

A Narrow Escape.
Edgar N. Baylies, a merchant of Robinsonville, Del., wrote: "About two years ago I was thin and sick and coughed all the time and if I did not have consumption, it was near to it. I commenced using Foley's Honey and Tar, and it stopped my cough and I am now entirely well, and have gained twenty-eight pounds, all due to the good results from taking Foley's Honey and Tar." Sold by St. Bernard Mining Co., Incorporated, drug department.

Bagged a White Tigress.
From India comes a story of an Albino tigress. A white tigress, eight feet eight inches in length, has been shot at Dhenkana state, Orisso. The ground color was pure white and the stripes were of a deep reddish black. The skin has been presented to the rajah of Dhenkana, who has had it mounted and placed in his palace. The hunters of that country say that it is the only white tiger they have seen.

Testifies After Four Years.
Carlisle Center, N. Y., G. B. Burhans writes: "About four years ago I wrote you that I had been entirely cured of kidney trouble by taking two bottles of Foley's Kidney Remedy. It entirely stopped the brick dust sediment and pains, and all of the symptoms of kidney trouble disappeared, and after four I am again pleased to state that I have never had any return of those symptoms, and I am evidently cured to stay cured." Foley's Kidney Remedy will do the same for you. Sold by St. Bernard Mining Co., Incorporated, drug department.

His Vain Regret.
A Duluth four-year-old hopeful, who was receiving an application of the corrective rod, looked up to his offended mother, who had told him of his pre-historic whereabouts, and said: "Oh, mamma, I wish I'd stayed in heaven!"

Cold Storage Eggs.
Some of those eggs now going into cold storage may never come out again, but will remain, like the gold reserve in the Bank of England, as a part of the capital stock of the cold storage concern. In some future geological era, as they are dug up, the experimenters of the day can have great fun seeing whether or not they will hatch out.—Chicago News.

Fate of the First Reformer.
The first reformer in any movement has to meet with such a hard opposition and gets so battered and bespattered that afterward, when people find they have to accept his reform, they will accept it more easily from another man.—Lincoln.

The Road to Success
has many obstructions, but none so desperate as poor health. Success to-day demands health, but Electric Bitters is the greatest health builder the world has ever known. It compels perfect action of stomach, liver, kidneys, bowels, purifies and enriches the blood, and tones and invigorates the whole system. Vigorous body and keen brain follow their use. You can't afford to slight Electric Bitters if weak, run-down or sickly. Only 50c. Guaranteed by all druggists.

Simple Cure for Stuttering.
A German writer declares that stuttering can be cured by simply enforcing the rule: "Do not open your mouth till you are quite clear in your head exactly what you want to say."

"Had dyspepsia or indigestion for years. No appetite, and what I did eat distressed me terribly. Burdock Blood Bitters cured me."—J. H. Walker, Sunbury, Ohio.

True Love.
There is but one mate for each man and woman in the world and until they recognize the fact and learn with patience to await the note of absolute conviction which is the one infallible guide to happiness, marriages will fall as they fall now and the church will give its empty blessing to those ill-assorted pairs whom God forever leaves unblessed.—Exchange.

Have You a Baby?
Then watch it closely. And above all things don't let it suffer any length of time and with worms—that is fatal. If its complexion gets yellow and pasty, if it is listless, cross or peevish, gets thin, suffers with flatulence give it White's Cream Vermifuge. The only cure that never fails and has no bad effects. Sold by St. Bernard Mining Co., Incorporated, drug department.

Fate of the Spanish Woman.
Evelyn Mitford, writing in the Queen, says that the women of the lower classes in Spain do not make calls nor read books, and have no "parties" in the American sense of the word. They do their household work and go to church, and that is all there is of life to them. Their husbands are very jealous of them, and they grow old and weary before their time.

A Common Error.
Many people delude themselves by saying "It will wear away" when they notice symptoms of kidney and bladder trouble. This is a mistake. Take Foley's Kidney Remedy, and stop the drain on the vitality. It cures backache, rheumatism, kidney and bladder troubles, and makes every trace of pain, weakness and urinary trouble disappear. Why suffer longer and risk having Bright's disease or diabetes. Sold by St. Bernard Mining Co., Incorporated, drug department.

Chance for a Bet.
Atchison people seem determined to force a certain bachelor to marry. For 20 years they have been "talking" about him, and wondering if he is going to marry this one or that one. Why can't people let the poor man alone? If he wants to be a bachelor, whose business is it? Every time he "goes" with a new girl, Atchison people begin betting on the result. (And incidentally we will bet five to one that his present steady doesn't land him.)—Atchison Globe.

Of Interest to Many.
For indigestion and all stomach troubles, take Foley's Orino Laxative. It gently stimulates the liver, regulates the bowels, and positively cures habitual constipation and biliousness. Clears the complexion of pimples and blotches, and is especially recommended for women and children, and it is mild, pleasant and effective. Sold by St. Bernard Mining Co., Incorporated, drug department.

Provided For.
Even when the man of few words hasn't any money to do his talking he usually has a wife.—Dallas News.

About Men.
Many a man would have more friends in this world, if he didn't spend so much time criticizing the friends he already has.

A Great Artist.
The great artist can paint a great picture on a small canvas.—Charles Dudley Warner.

Pat's Appreciation.
An artist had finished a landscape; on looking up, he beheld an Irish navy gazing at his canvas. "Well," said the artist, familiarly, "do you suppose you could make a picture like that?" The Irishman mopped his forehead a moment. "Sure, a man c'n do anything if he's druv to ut!" he replied.

One Can Repulse or Attack.
If you would remove evil, do good. Be a growler and you will drive men and women away from you. Be sympathetic and you will attract the world.

A Hurry Up Call.
Quick! Mr. Druggist—Quick! A box of Bucklen's Arnica Salve—Here's a quarter—For the love of Moses, hurry! Baby's burned himself, terribly—Johnnie cut his foot with the axe—Mamie's scalded—Pa can't walk from piles—Billie has boils—and my corns ache. She got it and soon cured all the family. It's the greatest healer on earth. Sold by all druggists.

Algeria Taking to Condensed Milk.
Algeria, in common with many other of the backward countries of the east, is taking with avidity to one product of western civilization—condensed milk. The Swiss exporters get nearly all the trade.

Rules for Right Conduct.
If you want to be somebody, do something in the world which will benefit yourself and your fellows, lay the foundation of character strong and solid to resist the temptations and trials the world will put in your way in your onward march through life. Nail your colors to the mast of integrity and defend them with the ammunition of right thinking and well doing.

Never can tell when you'll mash a finger or suffer a cut, bruise, burn or scald. Be Prepared. Dr. Thomas' Electric Oil instantly relieves the pain—quickly cures the wound.

Note for Wives.
It is said that no man can tell a fib and keep his big toe still. If the women will induce their husbands to take off their shoes before they begin to question them they can catch them in a falsehood every time.—Atchison Globe.

Pig Errantry.
The report of the cattle market committee presented at Colchester town council the other day contained an item as to a pig starving, followed by "Resolved, That the town clerk communicate with the offender, warning him against committing any offense in future." It was touching to hear that penitent animal giving its word of honor that nothing of the sort should occur again.—London Globe.

Has Poetry Enough; Wants Wood.
We have on hand more poetry than we can find room for. What we need is more wood. It is true the poetry is pretty wooden, but it doesn't fling out the warmth of oak and pine. We therefore prefer an ordinary load of wood to a cord of poetry.—Adams (Ga.) Enterprise.

Enthusiasm.
Nothing is so contagious as enthusiasm. It is the real allegory of the tale of Orpheus. It moves stones, it charms brutes. Enthusiasm is the genius of sincerity and truth accomplishes no victories without it.—Bulwer Lytton.

Don't let the baby suffer from eczema, sores or any itching of the skin. Doan's Ointment gives instant relief, cures quickly. Perfectly safe for children. All druggists sell it.

Saved by Brass Helmet.
Brass helmets worn by English fire fighters occasionally prove useful. At a recent fire 14 tons of glass fell on one man's head and completely buried him and when he had been dug out down to his shoulders another shower of glass came down and buried him again. He was in a hospital for four months and glass was coming out of different parts of his body for six months afterward, but he is still one of the best men of his company.

On Husbands.
There is always the consolation at the bottom of the cup of spinsterhood—"Better no husband than a bad one." And the bad ones are over-plenty.—Frances, in London T. P.'s Weekly.

A Burglar in Town
His name is "bad cough." He doesn't care for gold or silver but he will steal your health away. If he appears in your house arrest him at once with Ballard's Horehound Syrup, it may mean consumption if you don't. A cure for all coughs, colds and chest troubles. Price 25c., 50c. and \$1.00 per bottle. Sold by St. Bernard Drug Co., Incorporated.

Cheeriness.
Cheeriness is a thing to be more profoundly grateful for than all that genius ever inspired or talent ever accomplished. Next best to natural, spontaneous cheeriness is deliberate, intended and persistent cheeriness, which we can create, can cultivate and can so foster and cherish that after a few years the world will never suspect that it was not an hereditary gift.—Helen Hunt Jackson.

The Spinster's Prayer.
"Dear Lord," is the favorite prayer of an Atchison spinster, "make me to see every time I come to thee with complaints what my married brothers and sisters have to put up with from their children, that I may cease my complaining, and be duly grateful that thou hast seen fit in thy wisdom to make a carefree spinster of me."—Atchison (Kan.) Globe.

Maybe He Does.
When we remember that a woodpecker often works his way into a tree with his bill, we wonder that a woodpecker doesn't have headaches constantly.—Atchison Globe.

Electric Bitters

Succeed when everything else fails. In nervous prostration and female weaknesses they are the supreme remedy, as thousands have testified. **FOR KIDNEY, LIVER AND STOMACH TROUBLE** it is the best medicine ever sold over a druggist's counter.

Tooth Health
follows
Tooth Cleanliness

If friction or rubbing where the only thing needed for thorough tooth cleaning and tooth health, most any dentifrice or a plain brush and water would be good enough. But this would not kill the germs of decay.

FORMALDINE TOOTH PASTE

reaches and destroys the germs of decay without in any way, shape or manner attacking the enamel or the gums. When applied to the teeth by a brush it is dissolved by the saliva in the mouth and in this way is carried between the teeth, into decaying cavities and under the gums. A little put on a moistened tooth brush acts as a perfect cleanser and antiseptic even with gentle brushing. It whitens the teeth because it cleanses them of all foreign substances such as stains, tartar, etc. A guaranteed dentifrice scientifically made by a reputable firm.

USE

ST. BERNARD COAL

Mined in Hopkins County, Kentucky, the largest coal producing county in the State. This company operates

EIGHT LARGE MINES

and produces about one-sixth of all the coal mined in all Kentucky.

Best Coal for Steam and Domestic Purposes

St. Bernard No. 9 Coal has come to be recognized, through years of satisfactory use; as the standard grade both for steam and domestic purposes, in the large territory reached by our products. Another point in favor of our coal is the fact that we have established

An Unimpeachable Record for Prompt Service the Year Around

Our mines are operated more days in the year than any mines in Kentucky and with an enormous output at command we are able to give the promptest and most satisfactory service.

ST. BERNARD COKE

is also a superior fuel and is extensively used in base burners and heating furnaces for residences or any other building that needs to be heated, and takes the place perfectly of high priced anthracite coal. This coke is extensively used in manufactories as well and is furnished in various grades.
