Very Serious

It is a very serious matter to ask for one medicine and have the wrong one given you. For this reason we urge you in buying to be careful to get the genuine—

THE FORD'S
BLACK-DRAUGHT
Liver Medicine

The reputation of this old, reliable medicine, for constipation, indigestion and liver trouble, is firmly established. It does not irritate other medicines. It is better than others, or it would not be the favorite liver powder, with a larger sale than all others combined.

Now in Jail

John Wolfe, who has been wanted in Hopkins county for the last three or four years for an assault he made on a man at Dawson Springs and who made his escape at the time, was recently located at Bowling Green was arrested brought to Madisonville and now languishes in jail awaiting trial which will perhaps be held at the next term of court. The offense with which he is charged is a rather peculiar and aggravated one and if the man who was assaulted can be found and will testify as he did before the grand jury, Wolfe will be apt to spend some time in the penitentiary at Eddyville.

THE BEST PROOF.

Earlington Citizens Cannot Doubt It

Doan's Kidney Pills were used—They brought benefit. The story was told to Earlington residents.

Time has strengthened the evidence.

Has proven the result lasting. The testimony is from this locality. The proof convincing.

J. H. Thompson, plumber, Princeton, Ky., says: "I am thoroughly convinced that there is no remedy on earth as good for disordered kidneys as Doan's Kidney Pills. I was troubled for five years with backache and other annoying symptoms of kidney complaint. During the early part of the winter when the cold weather set in, I was sure to have an attack of lame back that would make it impossible for me to work for days at a time. I tried many remedies but got no relief. It was just about a year that I was laid up and when a friend advised me to try Doan's Kidney Pills, I got a box. I began taking them according to directions and in two days was back to work, feeling better in every way I do not have backache now and my health has been greatly improved."

The above statement was given February 6 1908 and when Mr. Thompson was interviewed on February 3, 1912 he added: "I am glad to confirm the public statement I gave four years ago praising Doan's Kid-

ney Pills. Whenever I have occasion to use remedy, I have been greatly benefited."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

On the Safe Side.

Be courteous with all, but intimate with few, and let those few be well tried before you give them your confidence.

A vast amount of ill health is due to impaired digestion. When the stomach fails to perform its functions properly the whole system becomes deranged. A few doses of Chamberlain's Tablets is all you need. They will strengthen your digestion, invigorate your liver, and regulate your bowels, entirely doing away with that miserable feeling due to faulty digestion. Try it. Many others have been permanently cured—Why not you? For sale by All Dealers.

We Keep Lowney's From Principle

If we were only making money we should sell some inferior kind to bring you back for headache pills. You can eat Lowney's until the cows come home and never a bit of harm.

Why is it? Because they are made of the real thing with the choicest, purest flavors grown.

And they do taste GOOD! Come and try our fresh stock.

For Women Who Care

Of course you use an antiseptic in your family and in the care of your own person, and you want the best.

Instead of what you have been using such as liquid or tablet antiseptics or peroxide, won't you please try Paxtine, a concentrated antiseptic powder to be dissolved in water as needed.

Paxtine is more economical, more cleansing, more germicidal and more healing than anything you ever used.

In the toilet—to cleanse and whiten the teeth, remove tartar and prevent decay. To disinfect the mouth, destroy disease germs, and purify the breath. To keep artificial teeth and bridgework clean and odorless. To remove nicotine from the teeth and purify the breath after smoking. To eradicate perspiration odors by sponge bathing.

As a medicinal agent for local treatment of feminine ills where pelvic catarrh, inflammation and ulceration exist, nothing equals hot douches of Paxtine. For ten years the Lydia E. Pinkham Med. Co. has been regularly advising their patients to use it because of its extraordinary cleansing, healing and germicidal power. For this purpose alone Paxtine is worth its weight in gold. Also for nasal catarrh, sore throat, inflamed eyes, cuts and wounds. All druggists, 25 and 50 cents a box. Trial box and testimony of 31 women free on request.
