EARLINGTON, HOPKINS COUNTY, KY., FRIDAY AUGUST 7, 1914

No. 63

NEW TURN TABLE FOR EARLINGTON

Other Improvements to be Made This Fall—Thousands of Dollars Will be Expended Here

BY LOUISVILLE & NASHVILLE RAILROAD COMPANY

The preparatory work for placing the large steel turn table at this place is about completed, the concrete work is done and the turn table, which is the largest on the system, is now ready to be placed. The L. & N. will make other improvements at the round house, including several new stalls to accommodate the larger size engines. The good people of Earlington will be glad to know that this company also contemplates building a train shed and concrete platform at this point similar to the ones at Pembroke, Trenton, Sebree and many other small stations along the line. When this is done it will no longer be necessary to use a step ladder to get on and off trains here and this little city with its 4500 inhabitants who are all friendly to the L. & N. will be eternally grateful.

A Texas Wonder

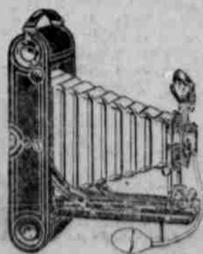

The Texas Wonder cures kidney and bladder troubles, dissolves gravel, cures diabetes, weak and lame backs, rheumatism and all irregularities of bladder troubles, removing gravel, the kidneys and bladder in both men and women. Regulates bladder troubles in children. If not sold by your druggists will be sent by mail on receipt of \$1.00. One small bottle is two months treatment and seldom fails to perfect a cure. Send for testimonials from Kentucky and other States. Dr. E. W. Hall, 2928 Olive St., St. Louis, Mo. Sold by Druggists.

Only Nineteen Days Until Contest Closes

There are only nineteen more days until the Green River Contest closes and August 25th will be here before you know it. Make a start now and see how many new subscribers you can turn in and how many renewals you can get before the 25th. Most any one would be willing to help a little girl win a \$200 mile river trip and a valuable prize. Ask every one you see "If they take the Bee" if not ask them to subscribe and give you a dollar so you can get the 100,000 votes. You will be surprised how many will be willing to assist you in this trip if you get busy and ask them.

Whenever You Need a General Tonic Take Grove's

The Old Standard Grove's Tasteless Chill Tonic is equally valuable as a General Tonic because it contains the well known tonic properties of QUININE and IRON. It acts on the Liver, Drives out Malaria, Enriches the Blood and Builds up the Whole System. 50 cents.

Vacation Time!

"Take a Kodak With You."

KODAKS and BROWNIE CAMERAS \$2.00 to \$15.

MRS. WOODROW WILSON DIES AT WHITE HOUSE

President's Wife Succumbs After Months of Serious Illness

PRESIDENT BEARS UP WELL UNDER STRAIN

Washington, Aug. 6.—Mrs. Woodrow Wilson, wife of the President of the United States, died at the White House at 5 o'clock this afternoon. Death came after a brave struggle of months against Bright's disease, with complications.

The President was completely unnerved by the shock and his grief was heartrending. He bore up well under the strain, and devoted himself to his daughters.

The end came while Mrs. Wilson was unconscious. Her illness took a turn for the worse shortly before 1 o'clock in the afternoon, and from then on she grew gradually weaker.

Kneeling at the bedside at the end were the President and their three daughters. Dr. Cary T. Grayson, U. S. N., and a nurse were in the room. Just outside a door were Secretary McAdoo and Francis B. Sayre, Mr. Wilson's son-in-law, and Er. Tumulty, his secretary.

For headaches, toothache, dains, burns, scalds, sore throat, try Dr. Thomas' Eucletic Oil, a splendid remedy for emergencies.

BANKER HAS PASSED AWAY

A. Bradley Croft, Aged 82, Honors the Last Draft Monday.

A. Bradley Croft, one of the counties oldest and most prominent citizens, died at his home in Crofton, Monday afternoon, aged 82 years. He was born February 8, 1832, on a farm near where he died and had lived all of his life in that vicinity. He was an elder brother of the late J. E. Croft, for whom the town of Crofton was named. He had been in business in Crofton for many years and was one of the chief organizers of the Bank of Crofton, of which he was made president. He was a land owner and capitalist and one of the wealthy men of his section.

He was married in 1874 to Miss Marcella Campbell, of this county, who survives him and to them was born one daughter, now the wife of Dr. Edward Williams, of Morton's Gap. Other surviving kindred are his half-brother, Geo. B. Croft, of near this city, and numerous relatives of North Christian.

Mr. Croft was a member of the Christian church and a leader in church affairs.

His death was due to organic heart trouble complicated with rheumatism and he had been an invalid since last February. Funeral services were held at the residence Tuesday afternoon by Rev. W. B. Wright, of Dawson. The interment was in the Foster burying ground, one mile north of Crofton.

Mr. Croft was one of the best and most influential citizens of North Christian and was entitled to a large share of the credit of building up the prosperous town in which he lived and died.—Hopkinsville Kentuckian.

SCHOOL TAX DUE

School tax for the year 1914 Earlington Graded Common School District, is now due. Please call at the Peoples Bank of Earlington to make payment and obtain receipt.

W. E. DAVES, Treas.
Board of Education.

ST. CHARLES GIRL IN THE LEAD

In Green River Trip—Earlington girl is second and Carbondale Third

CONTEST NEARING END

Quite a large number of votes have been received since the standing of contestants were last counted and some surprising changes may be looked for in the next count which will be on Friday Aug. 14th. Some of the contestants are holding their votes back and will not vote their strength until the last day of the contest. The first prize which is a fine "Champion" drop-head sewing machine, has been ordered from the factory, and should be here Monday. As soon as it arrives it will be put on exhibition. The second prize, a gold wrist watch, is in Mr. Wiley's show window and may be seen at any time. Remember both these prizes are given in addition to the Green River trip and are worth working for. Every dollar paid on subscription, new or renew, gives you 100,000 votes, every dollar paid on job work, or advertising gives 50,000 votes, and for every one you induce to accompany you on this trip, you get 1,000,000 votes. It is an easy matter for any of the contestants to win first prize and the trip, all you have to do is ask people to subscribe for the Bee and the Poultry Journal a year and give you a dollar, ask your friends to give the Bee some printing or advertising and tell them you get votes on it. There are only a few more days to work in this contest, make up your mind you are going to be one to win this splendid river trip and get busy, you can win if you try. There are over 2500 people taking the Bee, and all of them will pay some time, ask them to renew their subscription before this contest closes on August 25th, and give you the votes.

Following is the list of candidates to date.

Geneva Hart.....	1,200,400

Saturday, Aug. 22 Will Be "Take it Back Day."

Earlington people will observe Saturday, Aug. 21 as "take it back day" and on that day each person is expected to return any borrowed article. This has been observed in a number of other places with great success and has been the occasion of much merriment. Articles that had been long considered lost were restored to the owners, and old acquaintances have been renewed.

SCHOOL OPENS SEPTEMBER 7

Domestic Science And Arts Special Teacher Added

NEW AND MODERN EQUIPMENT WILL BE SOON INSTALLED

But One Change in Old Teaching Force—One New Teacher Added

The Earlington Graded and High School will open for the fall term on Monday, September 7, 1914, with an increased force of teachers and additional equipment along special lines of domestic science and arts that have been emphasized to some extent in the past but which will now be developed strongly in all the grades that are of the proper age to benefit by such instruction.

The teaching force will be the same as last year, with two exceptions. All the former teachers were re-elected by the School Board at the close of the last term but a vacancy in the fourth grade was caused by the resignation of Miss Sue Mike Willis. This resignation came shortly after the election of teachers but it has not been publicly announced until now. At a meeting of the Earlington Board of Education held last week, this vacancy was filled by the election of Miss Emma Bedford, of Lexington. Miss Bedford is a teacher of experience and excellent training and she comes well recommended from her former work. The board had added an additional teacher by the election of Miss Frieda M. Heller, of Paris, Ky., who will be at the head of the department of Domestic Science and Arts and will teach certain subjects in the High School, possibly science, and Latin or mathematics. Miss Heller has had just such teaching experience elsewhere and has had special training at Kentucky State University in her work of Domestic Science and Arts. New and modern equipment for the Science Department will be installed by the School Board in time for the opening of school, so that our girls will be given as good facilities for learning in this department as are afforded even in the modern city schools.

Additional new desks have already been ordered to accommodate the re-arrangement necessary to accommodate the increase in teaching force and the increased attendance anticipated both from Earlington and outside points.

The faculty will be as follows: Prof. C. E. Dudley superintendent and principal of High School; Miss Katherine Howard, assistant principal of High School; Miss Frieda M. Heller, Domestic Science and Arts and assistant in High School; Miss Geneva Huffaker, Seventh Grade and German; Miss Lelia T. Wilson, Sixth Grade; Miss Ruth Brown, Fifth Grade; Miss Emma Bedford, Fourth Grade; Miss Elizabeth Kemp, Third Grade; Miss Gene Armstrong, Second Grade; Miss Hazel Fawcett, First and Second Grade; Miss Mary C. Mothershead, First Grade.

Several members of the faculty have been taking special work of various kinds or attending regular normal summer course during the vacation. There is every indication that the approaching school year will be the best Earlington has experienced in practical results for the benefit of the children and the community at large. It is the purpose of the Earlington Board of Education and of the Superintendent and faculty to emphasize and develop those things best suited to the practical improvement and upbuilding of all the people of the community.

Parents of the district and all patrons and friends of the school and of education should begin now to lay their plans to see that all children of school age shall be in attendance continuously during the entire school term. The law makes it obligatory upon parents and puts also a responsibility of enforcement of the law upon the School Board and others. Every child should be in school.

White Plains Notes

H. M. Carty was in Madisonville Friday on business.

Mrs. Ola Johnson returned home Sunday after a brief visit to relatives in Greenville accompanied by her sister Mrs. Vyrde Warren.

Mrs. T. B. Davis is visiting relatives in Greenville at the present writing.

Miss Helen Harrison is the guest of her cousin little Miss Louise Williams, in Greenville.

Miss Sanna Bailey is visiting her cousin Miss Woodson Turner in Cerulean Springs this week.

Mrs. Una Stivers is much improved at this writing.

Miss Connie Brown spent Wednesday night in town the guest of Mr. and Mrs. Ed Berry.

Mr. and Mrs. Chas. Norvell, of Morton's Gap, were the guests of Mr. and Tom Crafton Saturday and Sunday.

Dr. Vickers, Ruby Laffoon, F. S. Bailey and others, motored over from Madisonville Wednesday evening to hear A. O. Stanley speak.

Misses Katie Shain and Minnie Hitt spent Saturday night in Morton's Gap.

Rev. S. M. Bailey, of Elkton, conducted services at Methodist church Saturday night and Sunday.

Archie Stivers spent Sunday in Depoy.

P. W. Lacy, of Madisonville, was in town Wednesday.

Miss Rosie Crick, of Brevere, was the guest of Miss Pearl Crick a few days last week.

Mr. and Mrs. Oscar Lovelace spent Saturday night with Mr. and Mrs. Wood Lacy.

The Case of L. L. Cantelon

The case of L. L. Cantelon, Clarendon Texas, is similar to that of many others who have used Chamberlain's Colic, Cholera and Diarrhoea Remedy. He says, "After trying a doctor for several months, and using different kinds of medicine for my wife who had been troubled with severe bowel complaint for several months, I bought a 25c bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. After using the second bottle she was entirely cured." For sale by all dealers.

Moved in New Home

Cansler & Brown Bros. have moved their stock of dry goods and gents furnishings into the new store between Brown Bros. restaurant and Jno. Coyles Barber shop and are now ready for business. They ask all their friends to give them a call and look at the new store.

Sprinkle Borax on Their Tails

The United States Department of Agriculture has issued a bulletin stating that as the result of experiments it has been found that a small amount of ordinary borax sprinkled daily on fertilizers, garbage, etc., will prevent the breeding of the typhoid or house fly. The "swat the fly" campaign has been carried on in Washington for several years, and the result is that there has been a great diminishing in quantities of flies. The Department says that the most important thing that can be done is to prevent breeding.

Bee Office Front Painted Green

The front of the "Bee" Office has been treated to a new coat of green paint which will doubtless improve the appearance to a certain extent. The work is being done by Mr. Harley, one of Earlington's foremost painters.

GREEN RIVER TRIP POSTPONED

On Account of Serious Illness—Contest Will Close Tuesday, Aug. 25th.

*PARTY WILL LEAVE AUGUST 27.

The Bee's Green River trip that was to leave on August 13th for a 200 mile trip up Green and Barren Rivers has been postponed until Thursday August 27 on account of a serious accident to the right pedal extremity of the chief promoter and official chaperone. The contest will end at midnight Tuesday, Aug. 25th and the six winner will be notified by phone on the following day in ample time for them to get ready to leave on train 52, Thursday, Aug. 27. Capt. Jeff Williams, of the Green River Packet Company has notified the Bee that the boat will be stopped at a shallow place on this trip so the party may go in swimming (don't forget to take your bathing suits along) he also says the steamer Bowling Green is equipped with an auto piano and good music will be furnished on the trip. On reaching Evansville the party will take dinner at the Union station and after dinner those who wish may go up town shopping and sight seeing while the remainder visit Cook's park and the salt pool. All of the party must be at the wharf by 4:30 as the boat leaves at 5 o'clock. It will be better to take suit cases only and have each one plainly marked with the owners name and address that it may be easily identified in transferring from the station to the steamer and vice versa. Be sure and take your kodaks along as there will be many opportunities to secure pictures of beautiful scenery both going and returning. If there are any violinists or banjoists going with the party be sure and bring your musical instruments. As there will be several married ladies in this party there will be no lack of chaperones to look after the welfare and comfort of the younger girls.

In order to have as large a party as possible we will give 1,000,000 votes to contestants for each person they induce to take this trip. Remember the total cost of this four days outing with all expenses paid from the time you leave until you return is only \$12.50. Make up your mind and go with us and have a good time, at small expense.

Names of parties going must be in this office by noon Aug. 26.

Only One "BROMO QUININE"

To get the genuine, call for full name, LAXATIVE BROMO QUININE. Look for signature of E. W. GROVE. Cures a Cold in One Day, Stops cough and headache, and works off cold. 50c.
