Want Larger Plant Than

COMMITTEE AT WORK ON PROPOSITION

Two letters have been received from the Work Glove Co., in regards to the erection of a factory at this point, and at the regular meeting of the Booster Club at the City Hall last evening a committee consisting of Pres. Arnold Vice-Pres. Johnson, Sec. Martin and H. D. Coward was appointed to write them in regard to exactly the things they require and expect in order to induce them to locate here. They now expect to consolidate their smaller factories into one large one and Earlington will certainly be fortunate to secure this plant, which will give employment to many women and girls who are now dependent upon others or who are at present having to make a living by washing or other hard labor. There will be no excuse for any woman or girl in town being anything but self-supporting, as the factory pays good wages on the piece system. The Booster Club will make every effort to bring them here, or any other proposition that looks to the betterment of the industrial conditions of our city.

'CASCARETS' BEST IF HEADACHY, BILIOUS, SICK, CONSTIPATED

Best for liver and bowels,
bad breath, bad cold,
sour stomach

Get a 10 cent box.
Sick headache, biliousness, coated tongue, head and nose clogged up with cold—always trace this to torpid liver: delayed, fermenting food in the bowels or sour, gassy stomach.
Poisonous matter clogged in the intestines, instead of being cast out of the system is re absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.
Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.
A Cascaret tonight will surely straighten you out by morning. They work while you sleep—a 10 cent box from your druggist means your head clear, stomach sweet, breath right, complexion rosy and your liver and bowels regular for months.

Lucky

The other day down at Lakeland, Fla., at a sale, an auctioneer announced that a seven hundred and fifty dollar bracelet had been lost and owner would give fifty dollars reward. Immediately Barney Gardner walked down and handed over the lost article and received a check for fifty dollars. He rather doubted it, thinking perhaps it was an advertising scheme; but upon presenting it at the bank was given cash for same. Mr. Gardner visited Earlington last winter. He is a member of W. S. McGary's "Booster Week" Company.

Mr. and Mrs. T. A. Stokes and little daughter, Francis Helen of Colo., are in the city visiting Misses Corrine and Ruby Ashby.

YOU CAN'T FIND ANY DANDRUFF, AND HAIR STOPS COMING OUT

Save your hair! Make it thick
wavy, glossy and beautiful at once

Try as you will, after an application of Danderine, you can not find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most, will be after a few week's use, when you see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.
A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is immediate and amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance, the beauty and shimmer of true hair health.

Get a 25-cent bottle of Keweenaw Danderine from any drug store or toilet counter, and prove that your hair is as pretty and soft as any—that has been neglected or injured by careless treatment. A 25-cent bottle will double the beauty of your hair.

Christian Church Notes

Sunday marked the beginning of Bro. J. S. Hawkins' ministry with this church. The Sunday school was a very enthusiastic service with 180 present. The "Preparedness Contest" was launched and the response was gratifying. Next Sunday the buttons will be here all who come will receive either a red, white, or blue one. The morning sermon was enjoyed by a large and interested congregation. As a mark of respect the Methodist and Baptist congregations dismissed their evening service and came to hear Bro. Harkness. This courtesy was greatly appreciated by both minister and people. The special music added much to the attractiveness of the service.
All are invited to attend the services next Sunday. Special music will be a part of the evening program.
The Auxiliary to the C. W. B. M. will meet Wednesday afternoon at 2:30 at the church. Mrs. L. V. Renfro will be the leader. A social hour will follow the regular program.

REPUBLICANS OF KENTUCKY

Held State Convention At Phoenix Hill Hall. Thomas Dixon Temporary Chairman.

PAUL M. MOOR VICE- PRESIDENT, COMMITTEE ON RULES AND ORDER

Louisville, Ky., March 1. Kentucky Republicans held their state convention this afternoon at Phoenix Hill hall to nominate two electoral candidates for the state at large, and eight delegates from the state-at-large to the National Republican convention, to be held in Chicago in June. The convention was first announced for the Gayety Theater, but investigation of the seating capacity there caused the committee to change to Phoenix Hill.

Thomas Dixon, of Scottsville, was selected by the state central committee to act as temporary chairman and J. L. McCoy, of Jackson, as temporary secretary. Judge McKenzie Moss, of Bowling Green, has been practically agreed on as permanent chairman.

Kentucky is entitled to four votes from the state at large in the national convention, but eight delegates will be sent with half a vote each. The Fifth district convention endorsed two candidates, instead of one, because of this fact. Candidates who seem to have the call and whom local state leaders say will be elected without serious opposition are Edwin P. Morrow, Congressman John W. Langley, Congressman Caleb Powers, William Marshall Bullitt, former Gov. Augustus E. Willson, Judge E. C. O'Beir, Richard P. Ernst and Phil Brown, a negro newspaper man of Hopkinsville.

"Even as Moses lifted up the serpent in the wilderness, so shall the protective tariff be lifted up in America if this nation would be healed," declared Thomas B. Dixon, of Scottsville, Ky., in his address as temporary chairman of the Republican state convention here today. Republican administrations from 1896 until the "disaster of 1912," Mr. Dixon asserted, composed a continuous march of progress, during which "an age of gladness, a period of happiness and contentment" was enjoyed.

A great collapse is imminent, Mr. Dixon continued, with no escape from the violent reaction when the great world war is ended.

"We will be the richest country in the world, but the least respected. All other nations will be the best armed the best drilled, the most desperate and the most needy. The great mission of the American nation should be to prepare for this awful hour, and I warn you that to meet it properly and to settle it safely will require as high order of intelligence, statesmanship and courage as this nation has ever been called upon to display.

"The Republican party has always been able to meet and successfully dispose of every danger with which our nation was confronted. No emergency ever arose but what she could furnish men of ideals and courage equal to it. No danger ever was dodged or legal responsibility avoided.

"What we all want," declared Mr. Dixon in closing his address, "is a return to the principle of 'safety first' and old time Republican prosperity."

The Second district convention today named committeemen as follows: Resolutions, Robert A. Cook, Christian; Credentials, George W. Newman, Hancock; Permanent Organization, S. C. Hellbronner, Henderson; Rules and Order, W. B. Snow, Webster; Paul Moore, of Hopkins county, vice-president; and E. W. Glass, of Christian, assistant secretary. J. W. McCulloch, of Owensboro, was chairman.
