CONTEST GROWING-NEW CONTESTANT

Enters Field and Interest in the Contest Increasing Daily

ALL ARRANGEMENTS COMPLETED

The Great Cincinnati-Louisville River Contest Trip is growing right along, one new candidate has entered from St. Charles and interest is increasing all along the line. This will undoubtedly be the biggest, longest and best trip the Bee has ever undertaken. There will be more interesting things to see and more time to see them, as we will be gone one week, seven days from Monday June 19th until Sunday night June 25th, and this includes a two-days stop over in Louisville and one whole day in Cincinnati. All arrangements for the entire trip have been made and a dandy good trip is assured to all who go. There will likely be 50 or more in the party as quite a number will join the Bee's party at Evansville. Good music will be furnished and everything possible will be done looking towards the enjoyment of the winning contestants and their friends. Capt. Williams, of the steamer Tariscon has assured us that his boat will be wide open to the party from the engine room to the pilot house and that he has the best cook on the Ohio river. The state rooms on the Tariscon are comfortable, clean and roomy and there is no reason why this trip should not prove to be the best ever. All contestants are assured there will be no change made at any time in the amount of votes given for \$1. As stated in the beginning of the contest there will be one hundred (100) votes given on each dollar worth of job printing or advertising and one thousand (1000) for each dollar on subscription and for each person you induce to make the trip and who pays the \$20.00 you will be given 50,000 votes. Get busy.

TRY 'CASCARETS' FOR LIVER AND BOWELS IF SICK OR BILIOUS

Tonight! Clean your bowels and stop headache, colds and sour stomach

Get a 10-cent box now. Turn the rascals out—the headache, biliousness, indigestion, the sick, sour stomach and bad colds—turn them out to-night and keep them out with Cascarets. Millions of men and women take a Cascaret now and then and never know the misery caused by a lazy liver, clogged bowels, or an upset stomach. Don't put it off another day of distress. Let Cascarets cleanse your stomach; remove the sour, fermenting food; take the excess bile from your liver and carry out all the constipated waste matter and poison in the bowels. Then you will feel great. A Cascaret to-night straightens you out by morning. They work while you sleep. A 10-cent box from any drug store means a clear head, sweet stomach and clean, healthy liver and bowel action for months. Children love Cascarets because they never gripe or sicken.

Christian Church Notes

The Mission Band will have as leader Sunday, Miss Sarah Beth Mothershead. The two sides "Busy Bee's" and "Hustler" are working hard to win stars for their side.

Despite the inclement weather the Sunday School had 226 present Sunday. A number of new pupils enrolled in the classes while some who had not been to Sunday school in 17 years were present.

The District Convention to be held at Mortons Gap, April 26-27, will have a splendid program including a number of prominent speakers from over the State. H. J. Brazelton, former minister here, will give the address for the "Men and Millions" movement the evening of the 26th. All are invited to attend.

The men's class has purchased a tan drop curtain for their room and it proved very effective last Sunday.

The Aid Society is planning a musicale to be given soon. Bro H. J. Brazelton will be in Earlington following the Mortons Gap Convention and will be warmly welcomed by his many friends.

The services Sunday will be helpful to all, as hoped, and all are invited to attend the Sunday school at 9:30 and preaching both morning and evening.

Mrs. Jean Phillips was in town Thursday.

Third Business Meeting of the Boys' Club of Earlington

The third semi-monthly business meeting of the Boys Club of Earlington was held Friday night in the club room over the Peoples Bank. At this meeting all the charter members were present and many final arrangements were made. The dues for the month of April were paid up to the amount of \$22.35, and the house committee will immediately take up the question of procuring necessary furniture for the club room.

At this time, by a unanimous vote of the house, the following honorary members were elected: F. B. Arnold, Rev. Hawkins, Rev. Grant, Rev. Connoway, Supt. C. E. Dudley, Geo. Atkinson, Nolie Umstead, W. H. Hawkins, O. E. Barnett, Henry Rogers, H. D. Coward, L. O. Hamby, B. E. Nixon, F. D. and Jas. R. Rash, John Canaler, Arthur Vinson, J. E. Fawcett, Ed Phillips, Ernest Newton, Ben Wilson, John X. Taylor, Brick Southworth and W. R. Coyle.

All these members are entitled to the privileges of the Club, and their presence at any time will be encouraging.

Many applications for membership were placed before the members, and in a short time the club will have increased greatly.

The boys are very enthusiastic and hope soon to be able to introduce several improvements along the line of athletic apparatus.

CALOMEL SALIVATES AND MAKES YOU SICK

Acts like dynamite on a sluggish liver and you lose a day's work

There's no reason why a person should take sickening, salivating calomel when 50 cents buys a large bottle of Dodson's Liver Tone—a perfect substitute for calomel.

It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and can not salivate.

Children and grown folks can take Dodson's Liver Tone, because it is perfectly harmless. Calomel is a dangerous drug. It is mercury and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tone instead and you will wake up feeling great. No more biliousness, constipation, sluggishness, headache, coated tongue or sour stomach. Your druggist says if you don't find Dodson's Liver Tone acts better than horrible calomel your money is waiting for you.

Ed Robinson Home From New York City

Earlington has sent forth a number of sons and daughters, who have brought honor to themselves as well as the old town in which they spent their childhood days. Among these we are glad to count Mr. Ed Robinson, son of Mrs. Elsie Robinson, who thru his untiring efforts and splendid ability has reached the position of Chief Engineer of the B. R. & P. R. R. Co. His friends will remember that "Ed" as he is called here, graduated from Rose Polytechnic of Indiana, and left soon afterwards for the East where he has climbed steadily to the splendid position he now occupies. Mr. Robinson has just concluded a short visit to his old home where he was the guest of his mother Mrs. Elsie Robinson and sisters Mesdames D. M. Evans and F. B. Arnold.

BARNES OPENING

The Barnes Stores' Spring Opening was as usual a grand success. The store was never more attractive than it was on Friday when hundreds of people shopped from early until late. The new spring fabrics were attractively displayed on the first floor while in the millinery department beautiful new spring and summer hats of all description won the hearts of the women and girls. Under a canopy of flowers the models, Misses Rona Hanna and Francis McElfick very effectively displayed the latest styles in hats. Miss Hanna wore an attractive gray Georgette crepe and taffeta during the afternoon hours and a beautiful shell pink taffeta evening frock during the evening. Miss McElfick was very stunning in a handsome apple green suit with white Crepe de Chine blouse and white shoes. Miss King assisted by Misses Hanna, Long and Browning welcomed the visitors and sold an unusually large number of the best pattern hats. Blakemore's Orchestra furnished music for the day. Mrs. Barnes and Mr. McConnell, of Hopkinsville, assisted the regular store force.

There is a Real Difference

Cream of tartar, derived from grapes, is used in Royal Baking Powder because it is the best and most healthful ingredient known for the purpose.

Phosphate and alum, which are derived from mineral sources, are used in some baking powders, instead of cream of tartar, because they are cheaper.

If you have been induced to use baking powders made from alum or phosphate, use Royal Baking Powder instead. You will be pleased with the results and the difference in the quality of the food.
