These eight winners and their friends making a party of forty or more will leave in a special coach on Train 92 Monday morning for Evansville and will there take the steamer Tariscon for Cincinnati, the Queen City, for a two days sight seeing and pleasure. This trip including hotel accommodations in Cincinnati will cost only \$20.00. We have made arrangements with the steamboat people to hold reservations open until Sunday night at 6 o'clock, so if anyone desiring to take the trip with the winners will notify this office by that hour they will be taken care of for the trip.

Christian Church Notes

Rev. J. T. Hawkins, father of J. S. Hawkins of the Christian Church here, will arrive this week from his home in Elkton to spend a few days with his son. He will occupy the pulpit on Sunday morning and evening and all are invited to these services.

At the conference of the officers and teachers, which was entertained by Mr. and Mrs. H. W. Rogers on Monday evening, a picnic was planned to be given to the members of the Sunday School and their families some time next month. Other business was transacted and a very profitable evening was spent. A social hour followed the business session, when ice cream and cake was served. Miss Susan Marie Crutchfield gave several selections furnishing her own accompaniment.

The County Sunday School Convention will meet at Nortonville on July 5th. Earlington should be well represented. A number of interesting speakers will take part on the program.

America is a good country. Let's tie to it.

OUR DAVE

Delivers Splendid Address in House of Representatives

Representative D. H. Kincheloe of Madisonville, delivered a masterly oration in the House of Representatives upon Jefferson Davis and the Southern Confederacy upon the one hundred and eighth birthday of the immortal President of the Confederacy. Mr. Kincheloe, beginning with statistical and historical data, warmed up through gradations of eloquence into a fervid and beautiful climax that brought down the House. His tributes to Lincoln, the President of the United States, and Davis, President of the Confederacy, synchronously, both Kentuckians, were equally effective. The young Kentuckian, resonant of voice, graceful and expressive in gestures, with a sensitive, intellectual face, not unsuggestive of the old world countenances of Patrick Henry, and Henry Clay, showed himself the loyal son of a "Johnny Reb" in his enthusiastic utterances. His address ended with the quoting of the beautiful patriotic inscription upon the Confederate monument at Arlington. Jefferson Davis was born in Mr. Kincheloe's district. (Washington correspondent Sunday's Courier Journal, June, 11, 1916.)

EARLINGTON BOY WEDS

Mr. James Draper, one of Earlington's young men who has been at Evansville for some time past, and Miss Sadie Walz, of that place, were married at the St. John's Church on Thursday evening, the Rev. Wm. N. Dressel performing the ceremony. Miss Eunice Draper, a sister of the groom and Mr. Louis Walz acted as brides maid and best man. The young couple will make Evansville their home. The Bee with many friends extend their heartiest congratulations.

Speaking of political pot reminds us that it is assuming the dimensions of a hoghead.

WILSON AND MARSHALL

Again Chosen to be the Standard Bearers of the Democrat Party.

St. Louis, June 16. President Wilson was renominated by acclamation at 11:52 last night and Vice President Marshall was also nominated by acclamation at 11:55.

The convention then took a recess until 11 o'clock today on account of the Committee on Resolutions not having completed the platform.

CALOMEL SALIVATES AND MAKES YOU SICK

Acts Like Dynamite on a Sluggish Liver and You Lose a Day's Work.

There's no reason why a person should take sickening, salivating calomel when 50 cents buys a large bottle of Dodson's Liver Tone—a perfect substitute for calomel.

It is a pleasant vegetable liquid which will start your liver just as surely as calomel, but it does make you sick and can not salivate.

Children and grown folks can take Dodson's Liver Tone because it is perfectly harmless.

Calomel is a dangerous drug. It is mercury and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tone instead and you will wake up feeling great. No more biliousness, constipation, sluggishness, headache, coated tongue or sour stomach. Your druggist says if you don't find Dodson's Liver Tone acts better than horrible calomel your money is waiting for you.
