RINGLING BROS. COMING THIS WAY

World's Biggest Circus and Spectacle "Cinderella" at an Early Date.

Announcement is made that on Saturday, Sept. 30, Ringling Bros. circus will give afternoon and night performances at Hopkinsville.

The famous showmen are this season presenting an all new and wonderful fairyland spectacle, "Cinderella," will appeal to both young and old. More than 1000 persons take part in it. It is easily the biggest spectacle Ringling Bros. have ever staged and its glorious "Ballet of the Fairies," with 300 dancing girls, is in itself worth going many miles to see. Following "Cinderella," 400 scenic artists appear in the main tent program. Because of the great European war the Ringlings have secured scores of circus performers never before seen in America. An entire trained animal show has been made a part of the main tent program this season. The menagerie now numbers 1000 wild animals. The elephants, including "Big Bango," the earth's largest p-calyderm, have been increased to 41 and almost 800 horses are carried. There will be 60 clowns and a big free three mile street parade show day morning.

What About The Two-Legged Shark

We have been reading a lot lately about those man eating sharks that suddenly appeared along the Atlantic coast and frightened the bathers from the water. But we note, without surprise, that not a chirp is vouchsafed regarding the two-legged sharks that infest the bathing beaches and devour the young girls who daily fall into their clutches. But, then, the two legged shark is socially, politically and financially powerful and it would be extremely discourteous and unwise to disturb him in the enjoyment of his "innocent pastime." A shark is a shark, but his status is qualified by the breed.

A Woman's Problem

How to Feel Well During Middle Life Told by Three Women Who Learned from Experience.

The Change of Life is a most critical period of a woman's existence, and neglect of health at this time invites disease and pain. Women everywhere should remember that there is no other remedy known to medicine that will so successfully carry women through this trying period as Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs. Read these letters:—

Philadelphia, Pa.—"I started the Change of Life five years ago. I always had a headache and backache with bearing down pains and I would have heat flashes very bad at times with dizzy spells and nervous feelings. After taking Lydia E. Pinkham's Vegetable Compound I feel like a new person and am in better health and no more troubled with the aches and pains I had before I took your wonderful remedy. I recommend it to my friends for I cannot praise it enough."—Mrs. MARGARET GRASSMAN, 769 N. Ringgold St., Philadelphia, Pa.

Beverly, Mass.—"I took Lydia E. Pinkham's Vegetable Compound, for nervousness and dyspepsia, when I was going through the Change of Life. I found it very helpful and I have always spoken of it to other women who suffer as I did and have had them try it and they also have received good results from it."—Mrs. GEORGE A. DUNBAR, 17 Roundy St., Beverly, Mass.

Erie, Pa.—"I was in poor health when the Change of Life started with me and I took Lydia E. Pinkham's Vegetable Compound, or I think I should not have got over it as easy as I did. Even now if I do not feel good I take the Compound and it restores me in a short time. I will praise your remedies to every woman for it may help them as it has me."—Mrs. E. KISLINO, 931 East 24th St., Erie, Pa.

No other medicine has been so successful in relieving woman's suffering as has Lydia E. Pinkham's Vegetable Compound. Women may receive free and helpful advice by writing the Lydia E. Pinkham Medicine Co., Lynn, Mass. Such letters are received and answered by women only and held in strict confidence.
