**WEAK, AILING CHILD**

**Made Strong by Delicious Vinol**  
Lakeport, N. H.—"Our little girl 8 years of age was in a debilitated, run-down condition and had a stubborn cough so she was weak and ailing all the time. Nothing helped her until we tried Vinol. Then her appetite increased and she is strong and well, and I wish other parents of weak, delicate children would try Vinol."—Geo. A. Collins.  
This is because Vinol contains beef and cod liver peptones, iron and manganese peptones and glycerophosphates which she needed.

**Why Not?**

Erdix, a small boy of four, came into his aunt's house one day and said, "Auntie, did God use a pattern to make me by?" She replied, "I suppose so." "Then," said he, "he must have some pieces left over and why can't he put them together and make me a baby sister?"

Itching, bleeding, protruding or blind piles have yielded to Doan's Ointment, 50c at all stores.

**Thought That Helps.**

In old days there were angels who came and took men by the hand and led them away from the city of destruction. We see no white-winged angels now. But yet men are led away from threatening destruction; a hand is put into theirs, which leads them forth gently toward a calm and bright land, so that they look no more backward, and the hand may be a little child's.—George Elliot.

**Piles Cured in 6 to 14 Days.**

Your druggist will refund money if PZO OINTMENT fails to cure any case of Itching, Blind, Bleeding or Protruding Piles in 6 to 14 days. The first application gives Ease and Rest. 50c.

**New York's Funeral Barge.**

There is a little boat on the East river, New York, known as the Fidelity, which is the funeral barge of 5,700 persons a year. Every morning, rain or shine, it steams up the East river on its daily tour of the various hospitals and institutions. Bodies of those who have died are returned to the morgue to be left from seven to ten days, waiting for a claimant. There are about 120 a week, 480 a month, or an average of 5,700 a year.

**To Keep Plants Fresh.**

There is a simple way to water ferns and flowers which will be of interest to one who must leave them for a time without care. Take a washing tub and place three or four bricks in it and put about two inches of water in the tub. Place the flowers on these bricks and place the tub where they can get the morning sunshine.

**How Catarrh is Contracted.**

Mothers are sometimes so thoughtless as to neglect the colds which their children contract. The inflammation of the mucus membrane, at first acute, becomes chronic and the child has chronic catarrh, a disease that is seldom cured and that may prove a life's burden. Many persons who have this loathsome disease will remember having had frequent colds at the time it was contracted. A little forethought, a bottle of Chamberlain's Cough Remedy judiciously used, and all this trouble might have been avoided. Obtainable everywhere.

**Mean Fling at Woman Jurors.**

"Your honor," in silvery tones said the forewoman of the jury, "we forgot to ask which gentleman is the plaintiff and which is the defendant. But, after all, I do not suppose it makes any particular difference, for we find them both guilty. All the jury ladies are agreed that men who wear such atrocious whiskers are perfectly capable of anything."—Judge.

**She Always Cares.**

A man gets after a while so that he doesn't care so very much for appearances, as long as things work all right and don't bother him, but we don't suppose a woman ever reaches the point where she can be happy unless all the silver is marked sterling.—Columbus (O.) Journal.

**SUCCESS OF A NEW REMEDY FOR BACKACHE, KIDNEYS, RHEUMATISM.**

"Dear Mr. Editor—I suffered for years with backache. Last March I tried 'Anuric' and have used this new kidney medicine recently discovered by Dr. Pierce, and it was wonderful the way it eased the pain and gave me relief in such a short time. I have tried several medicines, but 'Anuric' is the only one that gave satisfaction. I feel it my duty to recommend 'Anuric Tablets' to any one who suffers as I did.  
(Signed) Mrs. MARGARET E. SNIDER.

NOTE: Folks in town and adjoining counties are delighted with the results they have obtained by using "ANURIC," the newest discovery of Dr. Pierce, who is head of the INVALIDS' HOTEL and SURGICAL INSTITUTE, in Buffalo, N. Y. Those who started the day with a backache, stiff legs, arms and muscles, and an aching head (worn out before the day began because they were in and out of bed half a dozen times at night) are appreciating the perfect rest, comfort and new strength they obtained from Dr. Pierce's Anuric Tablets. To prove that this is a certain uric acid solvent and conquers headache, kidney and bladder diseases and rheumatism, if you've never used the "Anuric," cut this out and send ten cents to Doctor Pierce for a large sample package. This will prove to you that "Anuric" is thirty-seven times more active than lithia in eliminating uric acid—and the most perfect kidney and bladder corrector. If you are a sufferer, go to your best druggist and ask for a 60-cent box of "Anuric." You run no risk for Dr. Pierce's good name stands behind this wonderful new discovery as it has for the past half century for his "Golden Medical Discovery," a general tonic made from roots with pure glycerine which makes the blood pure, this "Favorite Prescription" for weak women and "Pleasant Pellets" for liver ills.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constant falling in cure with local treatment, pneumonia is taken internally and acts thru the blood on the mucous surfaces of the system. One Hundred Dollars reward is offered for any case that Hall's Catarrh Cure fails to cure. Send for circulars and testimonials.

**Italian Immigration.**

The immigrants from North Italy as compared with those from South Italy stand at the ratio of about 1 to 5, or 1 to 6. And there is, as a rule, a much finer physique among the northern Italians. They are larger, if not harder, than their fellow countrymen from Sicily and Calabria.

**When You Take Cold.**

With the average man a cold is a serious matter and should not be trifled with, as some of the most dangerous diseases start with a common cold. Take Chamberlain's Cough Remedy and get rid of your cough as quickly as possible. You are not experimenting when you use this remedy, as it has been in use for many years and has an established reputation. It contains no opium or other narcotic. Obtainable everywhere.

**Stamp Statistics.**

In all there are about 150,000 kinds of stamps, used and unused, and between 75,000 and 80,000 different varieties. The collections in this country, not counting the stamps held by the government and dealers, are worth something like \$100,000,000. An exhibition held in New York city three years ago, under the auspices of the Collectors' club, was valued at \$3,000,000.

**Philosophical.**

There is some help for all the defects of fortune; for if a man cannot attain to the length of his wishes, he may have his remedy by cutting them shorter.—Cowley.

**What would he give for the coffee you serve?**

Like a million other women, you can serve coffee that he would give most anything to have—coffee which starts the day "right" for all. Everyone loves the rich flavor of Arbuckles' Coffee. Of all the coffees in America today, it is by far the most popular! One woman says: "My husband used to swallow his coffee and hurry off. Now we have Arbuckles' and you'd think it was Sunday the way he lingers over his breakfast." Until you try Arbuckles' you will never know what a difference good coffee can make in your home.

Today there are whole towns where Arbuckles is practically the only coffee used. In one State, alone, in a year, four pounds of Arbuckles' Coffee was used for every man, woman and child in the State—four times as many pounds of coffee as the population of the State! Arbuckle Bros., New York.
