

**LOCALS.**

We are authorized to announce  
**GEORGE HAMMONS,**  
of Girdler, Precinct as a candidate for the office of Assessor, of Knox county, subject to the action of the Republican primary, November 12, 1904.

Next Monday will be the glorious 4th.

Wonder how Roosevelt felt when he heard from the Chicago convention.

Rev. E. B. Hill preach in the M. E. church next Saturday morning. Sacrament of Lord's Supper after morning sermon. A cordial invitation to all.

There are two holidays that this office observers, one of them is the 4th of July. Therefore we will not contract to get out any work Monday. If you want printing done have it done to-day.

The Eleventh Congressional District Committee met in this city yesterday and transacted some very important business. Dr. Hunter and son Godfrey were here to attend the meeting, and paid this office a pleasant call.

We give our readers some very interesting reading matter this week, which is a full description of the new voting precincts recently established by the County Court and recorded in Book J, 475, of the Knox County Records. It might be well for all our readers to preserve this copy, as it will be useful at election time.

A petition was filed in the County Court last Monday, asking that the county be re-districted into more than five and less than eight magisterial districts.

The court appointed G. Mat Smith, of Flat Lick, Jay Lay, of Little Brush creek, and S. B. Reese, of Indian creek, as Commissioners, to make the apportionment. They will make a report in writing to the court laying out the new districts for his approval, which, if confirmed, will establish the proposed new districts.

Miss Emma Coone, of Flat Lick, died very suddenly at her home last Saturday evening of cholera morbus. She had been engaged at her sewing machine only a short time before she was taken ill and died in a few hours after she was stricken.

Funeral services were conducted Sunday under the management of A. W. Hopper, the funeral director, of this city.

In this issue will be found the official announcement of Mr. C. C. Smith for the office of County Court Clerk. Mr. Smith was raised in this county, and is well and favorably known by many of the voters of the county. He was a candidate for this office at the last election, but was defeated by a small majority. He has never held public office himself but he has always worked earnestly and faithfully to secure an office for his friends. He is a life-long Republican and comes with his claims to the Republicans, and asks for an endorsement and support in his race for the nomination to the office he is seeking. Mr. Smith is well qualified to fill the position of County Court Clerk, and should the Republicans decide to entrust the keeping of the official records in his hands, there is no doubt but they would be properly looked after and cared for. He asks that his claims be given due consideration in selecting the nominee for County Court Clerk.

In to-day's issue appears the official announcement of George Hammons for the office of Assessor of Knox county. Mr. Hammons is well known throughout the county, having been born and raised in the county. He has never held or asked for public office, but has always been a faithful party worker, and has always assisted his friends to secure office. He places his claims in the hands of the party for which he has worked so earnestly and faithfully, and asks that the Republicans of Knox county give him their endorsement by making him the party nominee, and we feel sure that should he

receive the nomination that he will give the people faithful and honest service and make for himself a good name, and for the people, a good official. Remember him when casting your vote at the November primary.

**Surprise Wedding.**

The community was surprised last Tuesday morning to learn that Mr. John Gates and Mrs. Sena A. Lane were quietly married at the bride's residence in this city last Monday night.

The bridal party left immediately on the night train for Burnside, the home of the groom. The Advocate joins in wishing the happy couple prosperity and long life.

THE ADVOCATE last week outstripped all competition and came out with the news of the Chicago convention twelve hours ahead of any other newspaper published circulated here. The nominations were made Thursday. That of President Roosevelt at 11:7 a. m., and Vice-President Fairbanks at 1:24 p. m. At 1:18 p. m., Roosevelt was declared the unanimous choice of the convention, and at 2:08 Fairbanks was also unanimously declared the nominee of the same convention. At 3:00 p. m., the convention adjourned sine die. Before 6:00 p. m., the same day, the ADVOCATE was in the postoffice here, giving a full account of the proceedings, and the patrons had read the news of the convention from it. The next morning at 7:00 a. m., the daily papers arrived, telling the same news that our readers had read the evening before in the ADVOCATE.

When it comes to giving the news, the ADVOCATE sets the pace, while others try to follow.

If you want to subscribe for the best paper ever issued from the mountains of Kentucky, you should unhesitatingly select the MOUNTAIN ADVOCATE.

**CORRESPONDENCE.**

**NOTICE TO CORRESPONDENTS.**

All correspondents who write for this paper are requested to report the news briefly and confine themselves to news. Puffs for merchants come under the head of paid locals, and would be inserted at the rate of 5 cents per line, otherwise we must pencil them.

Be careful not to write anything that will prove offensive to any one; a good joke is appreciated by all, but we want to make friends and not enemies of all with whom we come in contact.

Write on only one side of your paper and be sure to sign your own name to the manuscript—not for publication but for future reference and to show good faith—a failure to do this will hereafter necessarily consign your letters to the waste basket.

Please read these notes and bear them in mind, and write on one side of the paper only.

Respectfully,  
**THE EDITOR.**

We have received this week some very interesting correspondence from Messer, and also from Mills, but as the editors failed to sign their names to the letters we were forced to consign them to the waste basket. We hope they will write again and sign their name next time, so that we can use their items.

We were astonished by the challenge of Bluegrass Johnny, of Oxford, to Hayseed, of Lone Elm. It does appear to us that some one had their corns stepped upon. We doubt not a fellow feels a little off when his girl is at the World's Fair with another man and he is compelled to remain at home. THE SMILING ONE.

The death angel visited our midst last Friday June 24th at 3:20 and took from us Mrs. Martha Ann Gunnell, wife of Willis Gunnell. Mrs. Gunnell was born Aug. 24th, 1847, married Willis Gunnell Dec. 11th, 1882, during a protracting meeting at the Dry Run Christian Church, under preaching of John A. Gano.

she made the good confession Aug. 1867.

In 1855 she took membership with the Oxford Christian church since that she has been a very active member, always ready to give and help the churches if she thought she could give five dollars, she would give ten to the cause.

It was hard for her loved ones to stand by her bedside and see her breathe her last and to see the color and bright smiles leave her face, that they so much loved, but when the angel of death takes us by the hand and whispers come we must go, we can but answer I am ready. Lord thy will not mine be done—and the debt is paid forever.
