curing the most votes should be awarded the certificate.

The committee that met at Middleboro and canvassed the returns there, claim that they issued the certificate according to the result as shown upon the face of the returns. We do not question their statements, and if that be true, another count will show the same results again.

We are in favor of a fair count and give the winner the certificate, whoever it may be. We want to see the Republican party stand united, and there is but one way to do it, and that is by fair and honest dealings with each other. Our party has fought Goebelism for five years in the State and will not stand for it now within her own ranks.

We want to see this matter sitted to the bottom, and we believe we voice the sentiments of every Republican in the district when we say, "Away with fraud and rascality; give us a fair deal, a fair count, and the man who wins shall be our standard bearer and receive the undivided support of every voter in the district, no matter which one it may be." No man's individual interest is so great as the interest of the party.

MR. PARKER, of Esopus, is reading proof on the campaign text book to be issued by the Democrats, Mr. Parker, it will be remembered, sent a telegram to the St. Louis Convention because he did not wholly like the way it had done things. It is evident that he does not want to have to use the wires again.

VOTERS, remember that if you change your residence to a different precinct between now and election day you will cut yourself out of a vote. Be careful about moving until after the election.

Just sixty days more until the November election.
