Around Town

A. A. Hopkins, of Hopper, was a caller at this office while in town last Saturday.

Capt. S. F. Rock, of Grays, was in town Monday morning and paid his office a pleasant call.

Mrs. Ollie Williams and son, John, and Mrs. Josh Bain, spent Friday and Saturday in Jellico, Tenn.

Chas. B. Wise, formerly of Georgetown, was here this week, in this interest of a Tent and Awning Co.

J. A. Harding, of Corbin, and proprietor of Broklawn Poultry Yards, gave us a pleasant call Wednesday.

Lee McHargue, of London, came in Sunday evening and held a conference here with some of our local politicians.

Mr. L. B. Cole, of Flat Lick, was in town Saturday last and received some job work from this office, for which he has our thanks.

We are more than glad to see our good friend, Uncle Toney Doodny out again after long confinement at home with stomach trouble.

Fred Hemphill arrived here last Monday afternoon from Mantanzas, Cuba, where he has been for the past year with his brother, Joseph Hemphill. He is looking well and shows that he has enjoyed the best of health while away. He expects to return to Cuba in a few weeks.

LOCAL LOOM.

Next Thursday will be Thanksgiving day.

J. Huber Smith has been building and improving his residence on north Main Street recently.

Bob Gibson is making extensive improvements on his residence out on north Main Street.

Tuesday is the last day for candidates to register. If they are not registered they will be left out.

M. J. Shannon has the cutest little shop ever opened in this city. Call on him when you need anything in his line.

We hope the cool weather this winter will not cool the ardor of those who now contemplate building next Spring.

Every man who owns a gun or who could borrow one started out last Monday in pursuit of game, as the hunting season is now open.

Frank Harbin has painted and otherwise improved his residence on north Main Street, which places his property among the beautiful homes.

On Stinking Creek, 15 miles from here, Wash Jackson, a farmer, was caught beneath rolling logs and crushed to death.

Next Monday will be County Court day, and as it is the last court day before the primary there will perhaps be a large crowd in town.

What's the matter with the town clock? It has been dumb for several weeks past, with no two faces indicating the same hour. The Fiscal Court should elect a clock keep who will keep the clock in order and keep it running.

The Odd Fellows have closed a deal with Judge Sampson for a lot on the southwest corner of Public Square, 30x90 feet for \$1,200, and will begin in the near future to erect an Odd Fellows Hall with business rooms below. They contemplate building three stories.

To treat scorched pans: "If a granite or enameled pan is burned, don't scrape it. After covering the blackened spots with concentrated lye and dampening with water, let it remain over night. Next morning the scorches can easily be wiped off. Never scrape a pan with a knife, it destroys the glaze on the ware."

NOTICE.

To the Editor Mountain Advocate, Barbourville, Ky.

Through the columns of my papers I wish to thank my many friends for supporting me so loyally for jailer. On account of sickness of family, I have decide to withdraw from the race, and hope to be able to repay them some future time.

Thanking you all, I remain yours, "The Man in Blue Overall,"

C. L. Harbin.

To The Citizens of Knox County.

In response to a great many requests from my friends in different parts of the county I have made my announcement as a candidate for the Republican nomination for Sheriff of Knox county, and ask your support at the Republican primary to be held on the 5th day of December 1908.

In asking your support I desire to call your attention to the following facts:

Some member of the family of my opponents have been in office in this county for years; the brother of one of them has been in office for sixteen years, and is now your Circuit Court Clerk, his father was an office-holder before him; his brother-in-law was Sheriff of this county one term.

My other opponent, who is the brother-inlaw of the other candidate—married his sister, and is now living with her—was in office one term; and they are now engaged in a "family fight" over which shall be your Sheriff.

They both have comfortable fortunes and neither of them need the office. There are 3,000 Republicans in Knox county who have just as good right to office as they, and who need office a great deal more.

I want to ask each voter of the county, if they believe the Jones and Jarvis families are entitled to a deed to public office all their live?

I have always been a Republican—never voted any other ticket. I was born and raise a poor boy and am still a poor farmer. I can appreciate the hardships of a poor man because I am one myself. If you can give me your support, regardless of what those who are indulging in a "family fight" over the Sheriff's office, may say, I shall always appreciate and never forget it and promise that if elected to the office of Sheriff I will discharge the duties of the office without prejudice or partiality. I am

Very sincerely yours
John W. Helton.

THANKSGIVING SERVICE.

There will be Thanksgiving services at the Baptist church, corner of Main and Pine Streets, on Thursday, November 26th, at 11.00 a. m. Sermon by the pastor, Rev. L. B. Arvin. Special musical program by Miss S. E. Miller, the accomplished music teacher in the Baptist Institute.

The first fall of snow in this section occurred last Friday night. On Saturday morning the ground was covered with depth of an inch or more but before noon it had melted and faded away like the hopes of our Democratic printers the morning "arter" the late election.

Heifer Taken Up.

There came to my premises on May 1, last, one red heifer more than one year old, and has been continuously ever since. Owner can have same by proving property and paying cost of keeping and advertising.
