THE FAMILY  
GREAT GALA  
TIME

## High School News.

Barbourville High School closed today with its most successful year. This school is one of the best in Kentucky and the members of the Board of Trustees are to be complimented on the splendid selection of a corps of teachers that are real teachers. The children have learned that golden rule of "learning to love the teacher" and the teachers have long since learned to "love the children."

The Board was reorganized the other day with two new members, F. W. Scott and E. H. Cannon. They have not yet completed contracts for the full corps of teachers, but will do so within a few days and then we will give the names of the faculty in full.

The present faculty are as follows: Hugh M. Oldfield, Principal; L. H. Mills, assistant Principal; W. C. Faulkner, eighth grade; Miss Parker, Miss Burton, Miss Pelly and Miss Prater, teachers.

## Chamberlain's Tablets Have Done Wonders For me.

"I have been a sufferer from stomach trouble for a number of years, and although I have used a great number of remedies, recommended for this complaint, Chamberlain's Tablets is the first medicine that has given me positive and lasting relief," writes Mrs. Anna Kadin, Spencerport, N. Y. "Chamberlain's Tablets have done wonders for me and I value them very highly." Obtain them everywhere.

## Memphis Winner For Supt.

Because he knows the School problems and how to handle them.

Because he will do justice to all regardless of their politics or religion.

Because he is a Republican from principle and not from politics.

Because he is well and favorably known by the citizens of the county.

Because he is running on his own merits and not on the merits of any one.

Because he is not trying to make his race by talking about his opponents. Adv.

## James S. Golden Candidate For County Attorney

### GOLDEN A WINNER IN COUNTY ATTORNEY'S RACE.

The taxpayers of Knox County have found in James S. Golden a remedy for the waste and abuse which they have had to suffer for the past few years and they are coming to his standard almost in a body. For a long time they have wished for such a man and since he has announced his plan to install a Business Administration in the affairs of the County Court all sections of the county are conceding his election. He is the only man in the race in Knox County for County Attorney who has even suggested a remedy for the evils which prevailed in the County's funds. Mr. Golden comes before the citizens with a clean, unquestionable character and with educational qualifications which are rare and hard to find in a man who will offer his services to his county. We feel that we can

afely say that there has been no young lawyer in recent years in this section of the state who has shown more genuine ability. As a trial lawyer and before a jury he has marked ability, this together with his thorough training in the study of the law that makes a combination that wins.

In his speeches he strikes the keynote of the county's difficulties and offers a remedy which is so plain and simple that his hearers soon give him their confidence and wonder why some such plan has not been adopted before.

After he has become our next County Attorney, and he surely will from all indications and reports, the good citizens of our county can feel sure that they have an attorney who will industriously and courageously stand for their rights. - Adv.
