

FRANK H. MITCHELL

TO THE VOTERS OF KNOX CO:—

There are only two more weeks until you shall have settled the question as to whom you will have as your nominee for the Republican candidate for Jailer of Knox county. In this short space of time you will find some of my opponents (like drowning men grasping at straws) resorting to any and all things to bring about my defeat. They will tell you anything and try to prove it. The slimmest thing that has yet been started is that I had something to do with the discharging of the jurors at the January term, 1917, of the Knox Circuit Court, and that I had something to do with the emptying of the jury wheel and removal of the Jury Commissioners. This is absolutely untrue, I did not do or say anything about it, and knew nothing of it until it was done. To prove to you that I did not know anything about it, and to show you that it was none of my business, I present herewith the affidavits of two men who I am sure that you would not doubt in the least. Read these affidavits, and then say whether or not I am being wrongfully accused.

STATE OF KENTUCKY,)
COUNTY OF WHITLEY)

The affiant, H. H. Tye, states that he as Judge of the Knox Circuit Court, at its January term, 1917, sustained a challenge to the panel of 18 jurors tendered the parties in an action then pending therein, and at the same time purged the jury wheel and discharged the Jury Commissioners heretofore selected, for reasons set forth by order of the Court duly entered of record; that no attack was then made on any individual juror except, as I now remember, it did appear that one of the jurors had been impeached; that I then took occasion to say that the action of the Court was no reflection whatever on any juror, or any member of the venire for

such term; that Frank Mitchell, who was then Jailer of Knox county, never at any time made any criticism of or attack upon any of the jurors so discharged, and this applies to all other officers of the Court as well; that this affidavit is made without any desire on my part to help or hurt the chances of any candidate for office in Knox county.

This July 16th, 1917.

H. H. Tye.

Subscribed and sworn to before me by H. H. Tye, this July 16th, 1917.

(Seal.) Minnie Murphy,
Notary Public
Whitley Co., Ky.

TO WHOM IT MAY CONCERN:—

I have understood that some persons are claiming that Frank Mitchell, the Jailer of Knox county, was in some way responsible for the question, as to the validity of the jury called to try the case of Laws' Administrator against Carter Coal Company, and for the jury being discharged in that case. As the Attorney who raised the question on the trial, I am in position to know that Mr. Mitchell had absolutely nothing to do with this, and was not responsible, in any way, and knew nothing about it before the matter was presented to the Court in open Court.

Any person desiring to know who was entirely responsible for that question being brought up will find that person's name signed below.

Hiram H. Owens,

Subscribed and sworn to before me, by Hiram H. Owens, this 17th day of July, 1917.

Mollie Gibson,
Notary Public Knox Co. Ky.

I am doing this to prove that the accusation above is untrue and to warn you to look for most anything, for some of my opponents are getting desperate.

Your friend,

Advt. Frank J. Mitchell.

TRUE GREATNESS.

Life is made up of a great number of little things. It is but once in an age that occasion is offered for doing a great deed. True greatness consists in being great in little things.—George Macdonald.

Why Are You Nervous.

The nervous system is the animal system of the human body.

In perfect health we hardly realize that we have a net work of nerves, but when health is ebbing, when strength is declining, the same nervous system gives the alarm in headaches, tiredness, dreamful sleep, irritability and unless corrected, leads straight to a breakdown.

To correct nervousness, Scott's Emulsion is exactly what you need. Its rich nutriment gets into the blood and rich blood feeds the tiny nerve-cells while the whole system responds to its refreshing tonic force. It is free from alcohol.

HUNDREDS TELL OF EXPERIENCE

Kentuckians All Over State Find Tanlac Great Help.

NEW TONIC GAINS FRIENDS

Hundreds of Kentuckians do not hesitate to come out publicly in praise of Tanlac. Men and women in every part of the state have been helped back to good health by this new tonic. Here are just a few of the hundreds of statements made by people of the Blue Grass State in regard to Tanlac:

SALYERSVILLE—Nancy J. Powers: "I was troubled with my stomach and rheumatic pains. My muscles were sore and my food didn't seem to digest. Since taking Tanlac food doesn't disturb my stomach and the pains have disappeared. Tanlac is surely a great medicine."

BURNSIDE—C. W. Lane, lumber inspector: "Headaches, constipation and nervousness had caused me to become so run-down that I was unable to work. Tanlac was recommended to me by several friends. Now I can do a day's work with anybody."

VALLEY STATION—George Ray, farmer: "For more than a year I was troubled with my stomach. I would wake at night with cramps. After three bottles of Tanlac my stomach never bothers me. Tanlac certainly is a great tonic."

STEPHENSBURG—Ella Young, merchant: "My system had become so run-down I had trouble getting a good night's sleep. With my first bottle of Tanlac I began to feel stronger, and I now sleep better than in years."

KILGORE—Joe W. Cotton, farmer: "I am in my seventy-ninth year and naturally am subject to ailments, particularly stomach. Since beginning Tanlac I have felt so much stronger that I will continue using it until my stomach feels entirely well."

Tanlac can be bought here from Herndon Drug Co., Middleboro, Frank L. Lee, and Gatlin Coal Co.

Serious Matter.

"What's the trouble between young Mrs. Flubdub and her husband?"

"Her husband tried to keep something from her."

"Oh, men will have little secrets. They are not serious."

"This was serious. He tried to keep \$2 of his last week's pay."—Kansas City Journal.

BEN H. GREGORY

The election for county officers is fast drawing to a close and we are glad to inform the voters of Knox county that it is looking favorable that Ben H. Gregory the people's choice and second man on the ballot will be our next County Court Clerk.

It will be remembered that he said in his announcement that he was in the race to the finish and that he was going to win. Mr. Gregory is one of Knox county's best citizens, and we can truthfully say that his nomination is almost assured. Many things have been thrown in his way to try to defeat him by saying that he was off the track, while on the other hand his pictures have been torn down, some of my op-

ponents have said that Barbourville citizens ignores his candidacy. At this time we want to say that from reports he will be our next clerk. Such reports as his candidacy being ignored is an absolute falsehood, Barbourville citizens are behind him in this race and say they intend to see him win. When such reports as the above reach your ears you can say to the one who tells it that there is not a word of truth in it.

He is second on the ballot and asks every voter in Knox county to find his name and stamp in the square opposite his name, you will make no mistake when you do it. **VOTE FOR GREGORY FOR CLERK.**—Advt.
