Dr. I. T. Catron, of Atlanta, Ga.,
 was in town last week and he, Dr.
 W. C. Black and Dr. G. H. Albright
 had a very animated chin about old
 days. Dr. Catron, who ran to am-
 bility, was responsible for the for-
 mation of the first Medical Associa-
 tion in Knox County. Friday was
 the twenty-fifth anniversary of Dr.
 Catron's entry into the medical pro-
 fession and one would not believe
 it to look at him. He doesn't look
 much more than that now.

 his home in Corbin where he spent

 Arbor Day on Tuesday by planting a
 young elm tree, their first class gift
 to the institution. The class pres-
 ident, Miss Thelma Moorehead, was
 mistress of ceremonies. Mr. Arch-
 bald gave an interesting history of
 Arbor Day. Mr. McClellan spoke on
 the conservation of forests. Mr.
 Barker and Mr. McClellan saw to it
 that the tree was properly located
 in its new home and each member
 of the class took a turn at the
 shovel. The College Band with their
 usual ready response furnished the
 music for the occasion. The class of
 '23 are of the stuff that does things.
 They are an inspiration in our midst.

 cared for in Dr. Logan's newly estab-
 lished hospital.

 Weeks our English class was con-
 ducted by James Blair, president.

The class plan to give a literary
 program next time.

The Sophomore Class was well re-
 presented in the active church ser-
 vice last Sunday. During the re-
 cent revival at the College our class
 decided almost unanimously for
 Christ and last Sunday several
 members were taken into the church.

Ruby Bain was a Knoxville vis-
 itor last week.

MULE, BOY, AUTO, MIX UP

While driving at the intersection
 of Manchester and Main streets on
 Wednesday morning, Ellsworth Hen-
 son, driving Frank Catron's Ford,
 ran under a mule ridden by Jack
 Lewis, son of Sam Lewis, carried
 the mule on the radiator for about
 200 feet, while Jack was shot into
 the back of the Ford. The mule was
 skinned up pretty badly, but resum-
 ed ordinary living when it got down
 to terra firma. Jack was found sit-
 ting in the back seat wondering how
 it happened while the driver wore
 on his face a look of petrified as-
 tonishment that it could be done. It
 is probably the first time in the his-
 tory of even a Ford car that a boy
 has been whipped off a mule and
 the mule transferred to the radi-
 ator with all parties not much the
 worse for wear. The car was pretty
 badly torn up but can be put in com-
 mission again.

**LADY AGREES
 WITH OPINION
 OF HUNDREDS**

**Says Same About Tru-
 tona Many Others Do
 —Did Wonders.**

Louisville, Ky. April 1st.—"I can
 say the same thing about Trutona
 that so many other people are say-
 ing.—It has done wonders for me."
 This frank statement came a few
 days ago from Mrs. Blanche Med-
 dis, well known in her neighborhood
 who lives at 531 East Madison St.

Mrs. Meddis, like scores of other
 Louisville people decided to try Tru-
 tona because of the unstinted praise
 that the Perfect Tonic was receiv-
 ing from others. She is now highly
 enthused and deeply grateful over
 her relief.

"I used to walk around feeling as
 tho I was going to fall over," she
 said. —I didn't care much about
 eating and the little food I did eat
 wasn't digested properly. I had vom-
 iting spells at times and very often
 experienced drowsy headaches. I
 was awfully nervous, too.

"I had read about the good work
 Trutona had been doing for others
 and realizing that my condition
 needed immediate attention, I de-
 cided to take this medicine. It has
 done wonders for me, just what
 others say it has done for them.
 I wouldn't be without a bottle of
 Trutona in the house."

Trutona is now being introduced
 and explained at the Costellow Drug
 Co., Barbourville. (Adv.)

Whereas the All-Wise Providence
 in His wisdom, has seen fit to
 move from our midst our dear
 sister, Mrs. Nannie Trotter Hughes,

 has lost an efficient member, the
 Sunday School a most faithful teach-
 er, the W. M. U. a consecrated and
 progressive President, the commu-
 nity a Christian light and the family
 a faithful wife and loving mother,
 Therefore, be it resolved by the
 Women's Missionary Union that we
 hereby express the deep sorrow we
 feel at the loss;

That we extend our heartfelt sym-
 pathy to the bereaved family and
 friends; and,

SWAN LAKE NEWS

Tony Powell and Clarence Jack-
 son left last Monday for Sioux City,
 Iowa, to engage in farming.

James and Mary McNeil are down
 with the flu.

Reward.—For the return of his
 favorite fox-hound, Princess Queen
 Lawson. Sambo Lawson offers to
 give as a reward to the one return-
 ing said dog, "One razor strap, one
 pair of bridle bits and one half of
 a well tanned ground-hog hide."

Jane Sanders had had luck last
 week in losing her only cow.

Miss Clara Warfield entertained
 a large number of her friends last
 Saturday night. After having a reg-
 ular old fashioned candy party the
 youngsters enjoyed many social
 games.

Miss Rosa Partin is visiting her
 relatives on Prichard Branch.

Bill Fultz, who has been working
 at Lynch, is visiting home folks this
 week.

The good old farmers are going to
 meet Saturday and elect a crop man-
 ager for this season. The race lies
 between T. C. McNeil, Johnnie Wynn
 John Sanders and W. H. Partin.
 Any one of these four candidates
 will fill the office with credit to
 himself and this neck of the woods.

Ben Warfield, John Farmer and
 W. H. Partin have been horse and
 mule trading.

We think business will pick up as
 the weather warms up.

Reason Warfield is still keeping
 bachelor's hall. Have you old
 maids forgotten that this is Leap
 Year?

W. H. Partin is still feeling under
 the weather but is thought to be
 slowly improving as he is able to re-
 sume his trade of peddling in green
 hides. It is hoped that this nice
 spring weather and a proper amount
 of exercise will bring him around
 all o. k.

Dr. Joe Partin, of Partin Holler,
 has purchased a nice saddle mare
 from Jonny Wynn so he is able to
 serve his patients again at short

notice.

And this sure enough Leap Year
 and John Sanders is still baking his
 own hoe-cake, washing his own dish-
 es and mending. GREEN HORN
