

## Many a Pretty Face Spoiled by Pimples

Not only are these pimples and spots disfiguring, but they lead to serious skin diseases that spread and cause the most discomforting irritation and pain. Sometimes they foretell Eczema, boils, blisters, scaly eruptions and other annoyances that burn like flames of fire, and make you feel that your skin is ablaze.

If you are afflicted with this form of skin disease do not expect

to be cured by lotions, ointments, salves and other local remedies, as they can not possibly reach the source of the trouble, which is in the blood. Begin taking S.S.S. today, and write a complete history of your case to our chief medical adviser who will give you special instructions, without charge. Write at once to Medical Director, 152 Swift Laboratory, Atlanta, Ga.

### UNION COLLEGE NOTES

Watch for a new paper to be published in Barbourville by the Junior Academy Class—The Orange and Black—Your subscription is solicited.

Mrs. Wallace spent the week end with friends at Wilton.

Jane Keith, who has been very ill, is improving.

The College Girls Club entertained the College Men Thursday night in honor of Mr. Daugh Smith.

Miss Violet Humfleet, who had her tonsils removed at the Logan Sanitarium, has resumed work in her class.

Miss Lola Abbal, of Vanceburg, Ky., enrolled as a student in the Normal Department Saturday.

Dr. Franklin received a nice letter from Prof. Yates, formerly a teacher at Union. He is at present teaching at Wendate, Ill. All of his friends are glad to hear of his success.

There will be a High School Tournament of basketball at U. C. gymnasium, March 4th and 5th. All the accredited High Schools of this section will participate in the contest. The winning team will be permitted to participate in the State meeting at Lexington, March 11th and 12th. The winning team there will be champion of the State. There are about ten High Schools eligible. Under this association no school can play men twenty-one years of age. This will affect the private school teams somewhat. The visiting teams will be entertained at the U. C. dining hall. A very interesting and delightful series of games is expected every one come!

Joshua Paulkner is a very fortunate young man; he has just been notified that a scholarship has been given by Mr. and Mrs. MacMillan, of Peabody Kansas, which he will receive thru the Home Mission Board each year until he has finished his education.

The Epworth League met Sunday evening at the usual hour. Kenneth Tuggle gave the talk of the evening on the need of missionaries in Japan.

The U. C. basketball team played S. B. M. S. Saturday evening. We are sorry to have to record that our boys were defeated by a score of 31 to 26. It was a good game and was hard fought from start to finish.

Mr. Daugh Smith left Union Sunday evening for the State University at Lexington where he believes he may get a more complete pre-medical course. Mr. Smith was well liked by the students and faculty. We shall miss Daugh but our loss is his gain.

Miss Mae Carter, piano teacher, has accepted the position of organist at the Presbyterian Church at Middlesboro.

Miss Mabelle Heger, Director of Music, sang at the M. E. Church on Sunday morning.

Clyde Nelson spent the week end with home folks at Grays.

Miss Battie Minter has recovered from her operation for appendicitis.

## It's Made Right

Cod-liver oil is as delicate as butter, it must be made right to assure palatability.

## SCOTT'S EMULSION

is decidedly palatable and easy to take. It contains purest Norwegian cod-liver oil that is made right from the start.

Dr. Starks, of Everts, was here Monday visiting his sons, Robert and Alvie.

Miss Lena Smith, of Middlesboro, spent the week end with her sisters Idamae and Hazel.

Ben Haynes has been elected to fill the office of president of the Junior Academy Class until Jane Keith is able to resume her work.

The boys of Stevenson Hall have been working very successfully this year under a system of student government. They recently elected officers for the remainder of the year with James Blair as Captain.

The fire Saturday night caused considerable excitement in both halls. Nearly half the boys were out and some of them did good fire service.

We are all looking forward to the play "Abraham Lincoln" which the Senior Class will give next Monday evening, Feb. 14, at eight o'clock in the chapel.

### Mothers, Prepare!

When a girl becomes a woman, when a woman becomes a mother and when a woman passes through the changes of middle life, are the three periods of life when Dr. Pierce's Favorite Prescription is most needed. Many thousands would testify just as does the following:

Raphine, Va., writes: "I took Dr. Pierce's Favorite Prescription about two years ago during my pregnancy and got along like a better than any other time. I was ill only two hours or maybe less. I am the mother of seven children."—MRS. J. H. HALLIBURTON, R. F. D. 1.

Send 10c for large trial package of Favorite Prescription Tablets to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y.

### BARBOURVILLE STEAM LAUNDRY

We are glad to report that the Barbourville Steam Laundry will be ready to begin work in a few days. Edward Scent informs us that all the machinery except two washers has been installed. The washers were shipped about two weeks ago and will be here any day now. The filter for the use of river water is being installed. The floors are of concrete, the machinery is of the latest type. Electric motors will be used as will steam heat and drying rooms. A five roll Hagan flat work machine and ironer does both sides while the water extractor takes out the water but does not remove the buttons from garments.

Announcement will be made of the opening.

When one considers the difficulty experienced by housewives in getting someone to wash the family clothes he realizes what a distinct benefit this laundry will prove.

When the laundry is in operation use it and stay young. What is the use of breaking one's back over the tub and acquiring age when it is not necessary. The latter comes soon enough anyway.

### IT WORKS.

Mr. W. D. Clark, father of Mrs. C. F. Heldrick was much interested in the suggestion made by the Advocate recently to turn the river overflow through a gap near the Turner place. Mr. Clark stated that some years ago, he saw such a scheme tried. Not much excavating was necessary as the water did the rest.

### BUNG NEWS

P. A. Hall's home is quarantined on account of small pox.

It is reported that Josh Vaughn, son of W. R. Vaughn, has pneumonia. Mr. and Mrs. T. J. Elliott were very much surprised as well as pleased when they went to the barn to find twin calves with their fine milk cow.

D. B. Lawson has recently purchased a new Victrola.

Rev. C. P. Prichard and wife have both been on the sick list but are now improving.

Mrs. James William and daughter both have measles but are doing nicely.

Rev. J. H. McDonald has recently purchased a large fat hog from J. T. Elliott.

Mr. and Mrs. J. T. Elliott went to Prichards Branch Sunday to meet Mrs. Elliott's son from Corbin.

## PE-RU-NA

A Great Medicine

Mrs. M. J. Riley, R. R. No. 1, Box 101, Calvert, Texas, writes:

"I have used Pe-Ru-NA and know it is good for colds, coughs and catarrh. It cured my catarrh and I do not take cold when I use Pe-Ru-NA. It is a great medicine."

During the last dry years, Pe-Ru-NA has been looked upon as the reliable medicine for catarrh of every description, whether it be of the nose and throat, stomach, bowels or other organs.

By keeping Pe-Ru-NA in the house for emergencies, serious sickness may frequently be prevented. Use it after the grip of Spanish Flu.

### HUNG JURY

In Winnes Case at Harlan

owing to a hung jury which deliberated for eighty-five hours and still was unable to agree on a verdict in the case of Dr. H. C. Winnes, former State Veterinarian, the jury was discharged. It is understood that only one man of the twelve judges stood for conviction of Dr. Winnes for the murder of Miss Lura Parsons, but he stuck to his opinion so tenaciously that the case will have to be re-tried at the April term.

It will be remembered that Miss Lura Parsons was assaulted and killed while on her way to the Pine Mountain School some months ago. Negro convicts working on the roads were also suspected but after a long investigation it was decided to try Dr. Winnes.

## CONDEMN HIGH PRICED STOCK FOODS

Prominent Hog Raiser Says Prices Charged Are Unwarranted—Makes His Own Hog Food, With Better Results

"That he is all thru paying fancy prices for stock foods and hog remedies and that he is raising some of the best hogs ever placed on the market" was the statement made recently by E. H. Beckstead, well-known hog raiser and authority on live stock.

Mr. Beckstead's hogs are the envy of his neighbors, and have "topped the market" for several years in Iowa. He states that for years he bought high-priced hog foods and hog remedies, but he is all thru paying extravagant prices for what he can make himself. He states that what the hogs need are minerals, and tells the secret of his wonderful success by explaining that he takes about five pounds of ordinary mineraline (which is pure concentrated minerals and cost only a couple of dollars) and mixes same with enough bran or filler to make a hundred pounds. All hogs, and especially brood sows, require minerals as they keep them free from worms, and in the pink of condition, and are essential to the hogs growth and a well balanced ration. This inexpensive mixture, placed in a sheltered box where the hogs can get at it as they need it, will produce far better results than any high priced so-called stock foods.

Send two dollars to the Mineraline Chemical Co., 1638 North Wells St., Chicago, Ill., and they will forward you by prepaid parcel post, enough mineraline to make a full hundred pounds.—Adv. 14-4t
