SAWYER A. SMITH IS BOOSTED FOR GOVERNOR

Barbourville has long been noted for turning out timber, political and otherwise. The Lexington Leader states that a movement is on foot among the Republicans of the State to run Mr. Sawyer A. Smith as a candidate for Governor of Kentucky. The reason for this is the manner in which he has discharged the duties of the office of United States District Attorney, not only over the district generally, but especially at Newport, where he tore things wide open in cleaning up a mass of rottenness that existed hand in hand with strike lawlessness. As is well known, Mr. Smith did not use gloves nor did he spare anyone in his clean-up, but just ripped things apart generally to let in the light of day.

Judge B. J. Betherum has the following to say in regard to Mr. Smith's work:

"The Republicans of Kentucky are beginning to look round for a candidate for governor next year, and of the men mentioned and well qualified for this important office, Hon. Sawyer A. Smith, of Barbourville, is the most talked of at this time.

"He is the type of man that inspires confidence and, in my opinion could wage a winning fight for the party. He is of the 'self-made' man type and knows the problems of the common people and holds their confidence as few men do. Gifted and brilliant, he commands respect and admiration everywhere. As district attorney for Eastern Kentucky he has made a record that reflects credit both upon himself and his party. He has fought with courage and persistency the organized forces of vice in Newport and other places in the state, and, due to his magnificent fight, the lawless have been compelled to come to their knees.

"Lately he has conducted with marked success prosecutions of the violators of the liquor laws and only last week succeeded in securing convictions in the cases of seven men charged with conspiracy to violate the national prohibition law by robbing the D. L. Moore distillery." The people admire an honest, fearless and forceful official and should Mr. Smith consent to become a candidate for governor they would have an opportunity to reward one of that sort."

The Old, Old Story

MISS BERNICE HUMFLEET WINS DECLAMATION MEDAL

The Eastern Kentucky Inter-scholastic Oratorical Association met furnished a surprise Thursday night when Miss Bernice Humfreet, fourteen years of age, a pupil of Union College, won the medal for declamation in spite of the fact that she was several years the junior of her competitors. Colleges, Normals and High Schools were represented.

Miss Bernice had won the right to champion U. C. at the elimination contest but scarcely expected to win out in the final contest, which makes the honor all the more creditable. Miss Anne Wallace, of Asbury College won second place and Miss Ethel Sebring, of Bethel Academy, won third place.

In the oratorical contest A. J. Russell, of Berea, won first, H. Sewell, of Asbury second and Roy Procter, of Eastern Kentucky, third. All did good work.

H. H. Owens, attorney and humorist, who proved himself in handling the contest, tantalized the crowd at the end of the contest and put them in the best of humor before announcing the winners. He then gracefully presented the medals to the winners with a few appropriate remarks.

KIWANIS

Have Good Time in Pineville

About thirty Kiwanians went to Pineville Tuesday to attend the Inter City meeting of Kiwanis. The Barbourville band played for the occasion and still further enhanced its reputation as the best band in this section of the state. The boys drew general applause for their fine work.

The visitors were met at the depot by members of the local Kiwanis and were taken for a spin over the city. The banquet and jollification was held at the Continental Hotel. Owing to the fact that the Harlan boys came in late, thus delaying the dinner, speeches were cut to the bone in the matter of time. Dr. E. T. Franklin spoke for Barbourville, and the only trouble with the speech that there was not enough of it, due to the late hour. Everybody had a good time and a spirit of get together for Eastern Kentucky and North Eastern Tennessee prevailed.
