The entire train, consisting of a combination smoking and baggage car, two day coaches and the private car of Robert J. Finney, superintendent of the Pittsburg division of the Baltimore & Ohio railway, left the rails, and after running for 200 feet along the ties, was thrown into a ditch at the foot of the mountains, where the wreckage was completely buried.

The engineer was killed, the fireman fatally injured, and the baggage car, express messenger, conductor and six passengers were seriously injured. About 20 passengers were more or less hurt and bruised.

LETTER TO B. J. MARSHALL

Dear Sir: The checkist fraud in all past is pasted. Here's one.

Lawyer Arley H. Magee, Dover, Del., painted his house four years ago with paste paint at a cost of \$44 for paint and \$61 for labor, total \$105. The house got shabby in two years; then he painted Devoe at very different cost: \$18 for paint and \$30 for labor, total \$48. (Paste paint \$105; Devoe \$48.)

It is like fatting hogs on milk & water. Paste paint is 1/2 whitewash.

Yours truly
F. W. DEVOE & CO
P. S.—J. Willard Adams sells our paint.

THE WINDY MONTH

of March is here. This is the month of all months when the antiquated merchant of city, town or hamlet blows about the greatest stock and the lowest prices on earth, when the papers are full of heart-rending tales of buyers scouring markets of the earth "without Pearline or Sapoli" for unheard of bargains, when stories of great depression in financial circles have enabled some merchants to rush to the rescue of some great wholesale house and by using a few dollars of instant cash saved the wholesaler from going to the wall. Truly, March is a month of wind.

We don't use any in our business. We will open our new

Spring Stock

In few days for your inspection. Without any blow or bluster, we announce to you that the stock is larger than last year, as we expect to do more business; that the styles will please you better, as we know what you like better than we did a year ago; that the prices are as low, as big-burger buyers means better buying. So we will be pleased to show all the latest novelties in footwear to all who favor us with their presence.

TO THE VOTERS OF STAFFORD AND KING GEORGE COUNTIES

It has become a recent practice for candidates to obtain from the post offices mailing lists of all voters and to address circular letters to them personally. Instead of that, I take this method of addressing myself to the voters of the Eighth District and of soliciting their support at the Democratic Primary Election to be held to select a nominee for Congress, and to assure them that I would highly appreciate their endorsement in my candidacy.

Respectfully,
John F. Ryan.
