## Those Who Have Used Pe-ru-na Are the Only Ones Who Really Know

Many a matron has lengthened the days of her comely appearance by taking Peruna. To be beautiful, the body must be kept clean internally as well as externally. Peruna produces clean mucous membranes, the basis of facial symmetry, and a clear, healthy complexion.

MISS NETTIE E. BOGARDUS

**My Sister Advised Me to Try Peruna.**  
I Took Your Treatment and My Appetite Returned Speedily.  
I Gained Strength and Flesh and Am in Perfect Health.  
I Am So Thankful Your Medicine Has Done Me So Much Good.  
—So Says Miss Julia T. Atler, Of A. Jeton, Wis.

**Sick Headache.**  
Miss Nettie E. Bogardus, R. F. D. 21, Westfield, N. Y., writes:  
"I have been a great sufferer from sick headaches, but am now entirely free from that trouble. I have not felt so well in ten years as I do now.  
"I would recommend Peruna and Manalin to all sufferers. I will say, God bless Dr. Hartman and his wonderful remedies."

**Weak, No Appetite.**  
Mrs. Ruth B. Brent, Holmes, Ill., writes:  
"I was in poor health three years ago. I kept getting weaker, and I finally was so weak that I could not sit up all day. My feet and hands were always cold. I had no appetite.  
"I consulted one of the best doctors, who said I could not be cured. I was nervous, my heart would flutter, and I had a pain in my left side and also had chronic constipation.  
"I got a bottle of Peruna and one of Manalin and wrote to you for advice. While under your treatment I gained three pounds a month.  
"I took several more bottles of Peruna and now I am well. I am able to do all my housework, cooking, washing, ironing, baking and mending.  
"Everybody compliments me on looking so much better than I used to, and now I have a girl baby six months old, as fat as she can be.  
"She is what I call a Peruna baby, for I never felt better than when I was taking Peruna."

**For Suffering Women.**  
Miss Esther Lee, 322 Madison Street, Toledo, Ohio, writes:  
"I have taken Peruna and it did me more good than all my two years' treatment by special physicians. I can really say that I feel like another person. No more swollen feet and limbs. No more bloating of the abdomen. No more shortness of breath. No more stiff and sore joints. You have no idea what your treatment has done for me. It certainly has prolonged my life and made a new woman of me.  
"O, such a blessing I have received through your kindness, doctor, and the assistance of the medicine which you have so kindly prescribed. I am able to work since I began your treatment, but before I was not able to help myself, much less work for anyone else. All praise is due to Dr. Hartman and his treatment."

**Pe-ru-na Prolonged Her Life.**  
Mrs. O. D. Robinson, 43 St. Felix Street, Brooklyn, N. Y., writes:

MRS. GEO. C. WORSTELL

**Internal Catarrh.**  
Mrs. George C. Worstell, 11 River Road, Clarksburg, W. Va., writes:  
"I trust that no one will think from this that I want my name in public for any cause only to let sufferers know where they may find relief from many ailments.  
"I can truly say I have been much benefited by the use of Peruna. I feel better than I have for two years. It is the best medicine that I know for internal catarrh.  
"I have taken medicine from the doctors and found no relief, but when I began taking Peruna I could see that before I had finished taking the first bottle it was doing me good."

**Pe-ru-na Tablets.**  
For two years Dr. Hartman and his assistants have incessantly labored to create Peruna in tablet form, and their strenuous labors have just been crowned with success. People who object to liquid medicines can now secure Peruna tablets. Each tablet is equivalent to one average dose of Peruna.

## ANOTHER LABOR CONFERENCE

President Seeks to Give Judges Labor Leaders' Views.

## NO AGREEMENT REACHED

Mr. Roosevelt Desired to Bring About a Better Understanding Between Government Officials and Labor Leaders — Declares Workingmen Have a Right to Present Their Grievances and Need Not Come to the Back Door of the White House to Do So.

Washington, Nov. 18.—Further conferences at the White House between the president and men who are prominent in labor matters made the attitude of the administration toward proposed labor legislation a subject of keen discussion tonight. Among those who saw the president were Charles P. Neill, commissioner of labor; United States Attorney Henry L. Stimson, of New York; Edward J. Gavegan, of New York, attorney for labor unions; and Charles H. Sherell, an attorney of New York, all of whom attended the labor dinner at the White House Tuesday evening.

It is learned from the highest authority that the object of the president in giving a dinner to friends of labor and in holding the subsequent conferences was primarily to bring about a better understanding between representatives of the government and labor leaders, and to impress upon labor interests of the country the disposition of the administration to receive its representatives in conference on an equality with all others. The desire of the president, it was explained, was to have the labor men feel that he has the right to present his grievances and demands, and to demonstrate that "neither the labor leader nor the millionaire need come to the back door of the White House to get a conference with the president." It was suggested that a new invitation to the White House was not to be taken as conclusive evidence of an agreement between those invited and the administration on the matters under discussion or on subjects that might develop later.

The reason members of the supreme court of the United States and executive officials were invited to be present was merely to enable them to learn from the leaders direct what they regard as their needs.
