INDIANAPOLIS, IND., May 10 .- The Western Export Association, composed of the whisky dealers of the Mississippi Valley. met in this city yesterday with about fifty distilleries represented. The object of the conference was to determine upon the continuance of the pool regulating the production of the firms represented and to consider the question of an immediate reduction in production. A committee was aption, which was adopted as the sense of the

meeting. "Resolved, That all distillers who can do so, shall at once reduce their capacity. so far as possible until June 1, and that after that date it shall be obligatory on the members of the association to reduce production to 20 per cent, of their

The distillers are now running only 40 per cent, of their capacity, and by the terms of the resolution will all hold, will run only 30,000 bushels per day after June 1. The action of the convention was a necessity in the light of the state of the whisky business. The whisky new in bond exceeds by more than a million gallons, all future demands in sight and the distilleries are all the time producing heavily, caused, as Secretary Stevens explained, by the barns of the distillers being full of cattle to be fed. After June these cattle will be thrown on the market. and a reduction at the distilleries may then be accomplished. Mr. Stevens said that during the next year Kentucky alone must take 14,000,000 gallons of whisky out of bond, 7,000,000 more than was ever taken in any former year, and many millions more than can be conveniently exported to Bermuda or other points and returned to bond.

#### The Florida Ship Canal.

Washington, May 10 .- The Florida Ship Canal Company has effected an organization. It is announced that \$26,000,000 has been subscribed to the capital stock of the company. General Stone will place a SPLENDOR. corps of engineer in the field without delay, and the work is expected to be under contract by the 1st of September. It is estimated that the canal will cost \$30,000,000. and will be completed in three years. The proposed route will leave St. Johns river. about twenty miles above Jacksonville. and thence in a direct line as nearly as possible to the Suwanee river, on the Gulf of Mexico, making a tidewater canal less than 100 miles in length, and deep enough to float the largest ocean steamer from ocean to gulf.

#### Calpable Negligence.

MILWAUKEE, Wis., May 10 .- An accident on the Northwestern road at Wales, near Madison, caused the death of David Nichols, of Kenosha, fireman of Passenger No. 4, and serious. Engineers Charles Luther, of No. 4, and John Spurr, of No. 3, who, with Conductor J. C. Chandler, were taken to Madison. Several passengers were cut slightly, but none were fatally injured. The verdict of the Coroner's inquest is that Nichols came to his death by an accident caused by the calpable negligence of the conductor and engineer of the first section of Train No. 3.

restores, with the gloss and freshness of youth, faded or gray hair to a natural, rich brown color, or deep black, as may be desired. By its use light or red hair may be darkened, thin hair thickened, and baldness often, though not always, cured.

It cheeks falling of the hair, and stimulates a weak and sickly growth to vigor. It prevents and cores scurf and dandruff, and heals nearly every disease peculiar to the scalp. As a Ladies' Hair Dressing, the Vigor is unequalled; it contains neither oil nor dye, renders the hair soft, glossy, and silken in appearance, and imparts a delicate, agreeable, and lasting perfume.

Mn. C. P. BRICHER writes from Kirby, O., July 2, 1882; "Last fall my hair commenced falling out, and in a short time I became nearly bald. I used part of a bottle of Aven's Hair Vigor, which stopped the falling of the hair, and started a new growth. I have now a full head of hair growing vigorously, and am convinced that but for the use of your preparation I should have been entirely bald."

J. W. Bowen, proprietor of the McArthur (Ohio) Enquirer, says: "Ayen's Hair Vigor is a most excellent preparation for the hair. I speak of it from my own experience. Its use promotes the growth of new hair, and makes it glossy and soft. The Vigor is also a sure cure for dandruff. Not within my knowledge has the preparation ever failed to give entire satisfaction."

MR. ANGUS FAIRBAIRN, leader of the cele-brated "Fairbairn Family" of Scottish Vocalists, writes from Boston, Mass., Feb. 6, 1880; "Ever since my hair began to give silvery evidence of the change which fleeting time procureth, I have used AYER'S HAIR VIGOR, and so have been able to maintain an appearance of youthfulness—a mat-ter of considerable consequence to ministers, orators, actors, and in fact every one who lives by orators, actors, and in fact every one who lives in the eyes of the public."

MRS. O. A. PRESCOTT, writing from 18 Elm St., Charlestown, Mass., April 14, 1882, says: "Two years ago about two-thirds of my hair came off. It thinned very rapidly, and I was fast growing bald. On using AVER'S HAIR VIGOR the falling stopped and a new growth commenced, and in about a month my head was completely covered with short hair. It has continued to grow, and is now as good as before it fell. I regularly used but one bottle of the Vigor, but now use it occasionally as a dressing."

We have hundreds of similar testimonials to the efficacy of AYER'S HAIR VIGOR. It needs but a trial to convince the most skeptical of its value. PREPARED BY
