## RATES OF SUBSCRIPTION.

THE DAILY BULLETIN will be delivered to any part of the city at 6 cents a week, or one year for \$3.

THE DAILY BULLETIN to any postoffice in the United States, postage prepaid, at twenty-five cents per month or three dollars per year.

WEDNESDAY EVE., SEPT., 7, 1887

Mr. W. B. Dawson, announces himself in this issue as a candidate for Marshal at the next city election. His efficiency has been demonstrated by his years of service as Deputy Marshal.

The Fleming Democrat comes to us this week under another name, The True Blue Democrat. The change was made, says the editor, so that the name of the paper might conform to its principles.

Mr. C. S. Leach announces his candidacy for re-election to the office of City Collector and Treasurer in this issue. Mr. Leach is serving his second term and the prompt and faithful manner in which he has ever discharged his official duties will be a strong card in his favor in the coming race. And then he has a host of warm friends who will pull off their coats for him if necessary.

CHARLESTON, S. C., is fast recovering from the wreck and ruin wrought by the earthquake a year ago. During the past year over 6,000 buildings have been built and repaired, and 271 absolutely new buildings have been erected. The whole cost is \$4,300,000, of which Charleston spent at least \$3,000,000. This is a wonderful showing, when the terrible havoc wrought by the earthquake is considered.

## Tennyson's "May Queen."

Who knows but if the beautiful girl who died so young had been blessed with Dr. Pierce's "Favorite Prescription" she might have reigned on many another bright May-day. The "Favorite Prescription" is a certain cure for all those disorders to which females are liable.

## ABERDEEN ITEMS.

Ten-for ten, at drug store.

Our town was pretty well represented at the Ripley fair last week.

Brittingham's camp meeting was well represented by Aberdeen gallants Sunday.

E. & S. keep all first-class goods, and you can't find two more accommodating young men than Park and Kell.

C. B. Sutton, who has been ill for some time, is reported some better, which will be glad news to his many friends.

Professor C. C. Lawwill, our school Superintendent, will move into the Payne property on Front street this week.

Omar Wilson, of Frankfort, Ky., who had been spending a few days with his parents here, left for home Monday.

Miss Crone, of Walnut Hills, Cincinnati, and Miss Tolen, of Higginsport, O., were the guests of Mrs. William Hood recently.

Mrs. Sallie Lawler, (formerly Campbell) of West Union, Ohio, is visiting her parents here this week, Mr. and Mrs. Monroe Campbell.

Woman may be a puzzle, and that accounts for some young men who will sit all night unwilling to give her up until the old man busts the combination.

We have been informed that the Ohio Valley Mills' make of flour stands at the head and sells rapidly, and it must be the case when they can't fill orders.

Rice draws women to shoes are worn on Chinamen's feet. The same material inserted in mint juleps and other medicinal tonics are worn in the mouths of Americans.

We are prepared to inform the Republican's news gatherer from this place that Aberdeen now receives a daily mail by boat, Sir Peter Huff being the delivery contractor.

Colonel George Atherton delivered his crop of extra blue wheat to Sparks, this week. Mr. Atherton is one of our model farmers, and always delivers his crops in first-class order, commanding top prices.

Dr. Guthrie has returned from Cincinnati. He combined business with pleasure, purchasing a large stock of goods for his drugemporium, and visiting the mightiest of all shows, "Rome under Nero."

William Turnpseed left for Manchester Monday to accept a position in a store. Will is a clever young man, and we predict success in all his enterprises. William did not accept and came home same evening. Still later, went back Tuesday. Will get him located after while.

"Pop goes the weazie," not exactly, but we hear it whispered, and that strongly, that two of our prominent young men are going to wed soon, one to a prominent Ripley belle, the other to one of Aberdeen's fair daughters, if it is a go. The BULLETIN now extends congratulations of sympathy—we mean may theirs be a happy future.

There was quite a disturbance at the base ball match played Friday last between the California and Aberdeen clubs. During an altercation between a young man named Scott, of the California club, and Ed Perry, of the home club, they came to blows, Perry giving Scott a severe thumping on the head with a bat, necessitating the services of a surgeon. Dr. Houston dressed the wound which is not, however, of a serious nature.

## OUR NEIGHBORS.

## MAYSLICK.

Professor Cord opened his school here last Monday.

The mercury is still on a high—up to ninety-one last Monday.

The colored fair opened in this place today. Music by Brister's brass band.

Mrs. Mary A. Collins, of Cane Ridge, Bourbon County, is visiting her daughter, Mrs. J. A. Jackson.

Mrs. W. T. Spears has returned from Knoxville, Tenn., where she has been at the bedside of her sick mother, who is now better.

Colonel Charles M. May opens a select school here next Monday for young ladies, and gentlemen only in the higher branches.

Rev. Mr. Corn, of Harrodsburg, preached in the Christian Church last Sunday morning and evening. He is a good talker and a sound reasoner.

## Lucky Boston.

At the last drawing of the Louisiana State Lottery held in New Orleans, June 14th, New England was especially favored by the blind goddess, as parts of both second prize of \$100,000 and of the fourth prize of \$25,000, as well as a great number of smaller prizes, were drawn by tickets held in Maine and Massachusetts. Mr. A. R. Clark and Mr. R. J. Tiffin, of this city, each held a portion of the ticket that drew fourth grand prize, and each are correspondingly elated.—Boston (Mass.) Courier, July 2.

## Huntington Buys Another Railroad.

C. P. Huntington has bought another railroad. At Covington Monday, Special Master Commissioner Richard P. Ernst offered at public sale at the door of the U. S. Court-house, the Kentucky & South Atlantic Railway, with all its fixtures and appurtenances. It was sold by order of the U. S. Circuit Court, in the case of Griffith P. Griffith, trustee, against the Coal Road Constructing Co. The terms of sale were \$1,000 cash, and the balance in six and twelve and eighteen months, at 6 per cent per annum from date of sale. There was only one bid for the road, that of \$20,000 by H. E. Huntington for C. P. Huntington.

The road runs from Mt. Sterling to Rothwell, Ky., twenty miles, and was sold to satisfy a debt due C. P. Huntington for \$5,000.

## Sons of Veterans.

Special meeting of Camp Otto, S. of V., this evening at 7:30 o'clock. All members are requested to be present. Business of importance.

JOHN SHORT, Major.

It should be Generally Known that the multitude of diseases of a scrofulous nature generally proceed from a torpid condition of the liver. The blood becomes impure because the liver does not act properly and work off the poison from the system, and the certain results are blotches, pimples, eruptions, swellings, tumors, ulcers and kindred affections, or settling upon the lungs and poisoning their delicate tissues, until ulceration, breaking down, and consumption is established. Dr. Pierce's "Golden Medical Discovery" will, by acting upon the liver and purifying the blood, cure all these diseases.

## Brace Up.

You are feeling depressed, your appetite is poor, you are bothered with headache, you are fidgety, nervous and generally out of sorts, and want to brace up. Brace up, but not with stimulants, spring medicines, or bitters, which have for their basis very cheap, bad whiskey, and which stimulate you for an hour, and then leave you in worse condition than before. What you want is an alternative that will purify your blood, start healthy action of liver and kidneys, restore your vitality, and give renewed health and strength. Such a medicine you will find in Electric Bitters, and only 50 cents a bottle at the drug stores of J. C. Pecor & Co., and S. P. Campbell & Co., of Aberdeen Ohio.

## A JOB FOR JUDGE LYNCH.

An Aged Couple Murderously Assaulted and Mobbed.

CATLETTSBURG, Ky., Sept. 7.—The vicinity of Corodo, W. Va., is all stirred up over a dastardly attempt to murder A. E. Bush, aged eighty-two, and his wife, aged seventy-eight. At 5 o'clock this morning two men, bent on robbery, either negroes or white men blacked, were discovered to be in the house, and shot Dr. Bush in the forehead and Mrs. Bush in the body, inflicting probably mortal wounds. A twelve-year-old grandson was in the house, and in his flight was shot at several times.

He gave the alarm and hundreds of citizens are scouring the surrounding country after the perpetrators, who, if caught will be speedily lynched. They secured \$40 in money. The parties had evidently intended to wreck the pay car on the N. N. & M. W., which was due early this morning, as a huge obstruction had been placed on the track, but a freight train came along and demolished the obstruction. Being fooled in this they went to the house of Mr. Bush. It is not thought the aged couple can live. Excitement runs high.

## A Sheriff Shoots Four Cattle Thieves.

ALBUQUERQUE, N. M., Sept. 7.—One of the most complete single handed shooting scrapes that ever occurred in this section, transpired yesterday noon at Holbrook, A. T. Four desperadoes rode into that town yesterday morning from Tonto Basin, named Tom Blivens, Jake Cooper, Charles Roberts and Jim Blivens, all notorious cattle thieves. Sheriff Owens, having warrants for their arrest, ran upon his men in a little shanty adjoining the livery stable of Brown & Kinders. He demanded their surrender, which was answered by a volley of shots, but as the men emerged from the shanty Sheriff Owens shot them down one by one, killing all instantly except young Blivens, a brother of one of the men killed. For months these men have caused a reign of terror in the Territory of Arizona.

## Lived Six Years in a Second Century.

CINCINNATI, Sept. 7.—The remains of Lawrence Malloy, 106, laborer, of Sabina, O., were brought to this city today for burial. Malloy was born in Ireland, where he married and resided until 1849. At the age of sixty-eight he came to Cincinnati, his wife dying here six weeks afterward of cholera. He lived in this city until twenty years ago, when he went to Sabina to reside with a married daughter. The funeral took place at 1:30 p. m. from the residence of a son-in-law, James Egan, at 162 Eastern avenue. The deceased had ten children, five of whom survive. He has thirty living grandchildren and six great-grandchildren.

## Five Men Fatally Injured.

MOUNT VERNON, Ill., Sept. 7.—About 7 o'clock this morning a threshing machine belonging to William Bumphus exploded and fatally injured five men. The names of the victims are as follows: J. H. Mitchell, Robert Bernard, Thomas J. Williams, Conny Bumphus and Willie Bumphus. The cause of the explosion is unknown, but it is supposed to have been a defect in the engine, which was an old one.

## Skirmish Between Italians and Irish.

WILKESBARRE, Pa., Sept. 7.—There was a bloody affray at Hazelton Sunday between Irish and Italians. It grew out of a fight between two men, and finally involved nearly the whole population. Clubs, razors, and knives were used. The Italians were finally routed. About twenty-five men were quite badly hurt, but John Cannon, the man who first started the row, is the only one likely to die.
