

SENATE AND HOUSE.

Proceedings of Both Branches of the National Legislature.

WASHINGTON, Jan. 9.—In the senate yesterday notice was given by Messrs. Platt and Allison of their intention to call up at an early day respectively, the copyright and land bills.

House bills were passed for public buildings at Akron, O., \$75,000; Charleston, S. C., an increase of \$50,000; Savannah, Ga., \$400,000, additional appropriation; and Davenport, Iowa, \$100,000.

Senate bill to provide a patrol steamer on St. Mary's river, Mich., was passed. An agreement was reached by which general debate on the financial bill is to close Tuesday and a vote taken Wednesday.

Mr. Turpie and Mr. Call addressed the senate on the financial bill.

The house passed the bill authorizing the issuance of certificates of service to telegraph operators who were with the Union army during the rebellion.

The house refused to pass a resolution limiting debate on the shipping bill and discussion of it continued until adjournment, Mr. Grosvenor speaking in favor of it.

FRIGHTFUL FALL.

Four Men Hurled Feet First, Alighting on a Pile of Stone.

PITTSBURG, Jan. 9.—A special to The Times from Lancaster, Pa., says: The falling of a scantling at the new edifice of St. John's Lutheran church in this city yesterday afternoon was the cause of a frightful accident, which resulted in the death of one man and the serious if not fatal injury of three others.

Five men were working on the scantling which surrounds the tower, at a height of some fifty feet from the ground, when the dumping of a stone weighing several hundred pounds caused the stays to give way and four of the men were precipitated headlong to the ground. They fell on a pile of stones beneath the scantling and the stones which fell with them fell upon the men.

Christian Walker, of Columbia, boss mason, sustained a compound fracture of the skull and other injuries and died last night. Henry Redman had both legs broken and was internally injured, and James Swisher and Isaac McCutcheon were injured about the head, body and internally. Frank Shortlidge caught fast to the wall in the descent and escaped injuries.

TEXAS CYCLONE.

Several Houses Blown Down and a Number of People Killed.

SHERMAN, Tex., Jan. 9.—At 3 o'clock Wednesday afternoon a cyclone passed about three miles east of this town, carrying death and destruction in its path. It was 100 yards in breadth, and demolished everything it struck. Several houses were blown down and an infant and four adults severely, if not mortally, wounded.

John Schmidt was blown over a barb wire fence. He seized the wire as he passed and his hand was almost torn off. Household goods are scattered about for miles, and the loss is great. Further search may reveal many more dead bodies, but night coming on put an end to the quest of the rescuers. Yoakum and other points report a hurricane and a high wind raged all night with heavy rain.

A Yoakum dispatch says: "About 4 o'clock yesterday afternoon a cyclone passed about two and one-half miles west of Yoakum, destroying three houses, up uting trees and carrying away haystacks."

MISUNDERSTOOD ORDERS.

Two Stock Trains Come Together in the Western Part of Chicago.

CHICAGO, Jan. 9.—A Chicago, Burlington and Quincy stock train crashed into an Illinois Central stock train on the Burlington track in the western part of the city at 5:30 o'clock yesterday morning smashing the caboose and one stock car into kindling wood. Two stock men, who were asleep in the caboose, were instantly killed. None of the Illinois Central train men know the stock men.

An examination of the clothing of the dead men revealed several bills of lading in the pockets of each. Those on one of the bodies were made out to R. W. French, of Warren, Ill., and those on the other to J. B. Stout, of Peoria. The collision was due to a misunderstanding of the order given to the Chicago, Burlington and Quincy engineer.

A Negro's Crime.

PUEBLO, Cal., Jan. 9.—A negro named Billy Davis yesterday morning shot and killed his foster mother, Carrie Ormsby, and his foster brother, Jim Arnold. The murdered woman had given some property to a daughter and this is supposed to have made Davis jealous. He was arrested and lodged in jail. He made no attempt to escape. When asked what his motive was he said that they were old enough to die and it was time they were out of the way.

Killed Each Other.

CARBONDALE, Col., Jan. 9.—A few days since, John Morris and Frank Chatham, had an animated dispute about some land during which Chatham was wounded somewhat with a pitchfork. Yesterday afternoon the two men met, and Morris drew a pistol and beat Chatham over the head with it. Morris then fired, shooting Chatham in the abdomen. Chatham retaliated with three shots. It is not thought either of the men can survive.

Kentucky Elections.

FRANKFORT, Ky., Jan. 9.—Wednesday afternoon the constitutional convention made one very important change in the matter of election. By a vote 50 to 20 they decided to hold all elections on the first Tuesday after the first Monday in November, instead of the first Monday in August, as is now the case. Mr. Mackoy, of Covington; Mr. Lassing, of Boone, and others made a strenuous fight for August, but it proved a failure.

Gambled and Suicided.

LAKE CHARLES, La., Jan. 9.—Joseph S. Reed, a prominent citizen, brother of the sheriff of this parish, and the mayor of Lake Charles, suicided Wednesday. Heavy losses at the gambling table prompted the deed.

A SEVERE ATTACK OF CROUP.

The Child's Life Saved by Chamberlain's Cough Remedy.

I wish to say to the public that Chamberlain's Cough Remedy is the best I have ever used or sold for croup. I am never without it at my home for my children. Last winter a child of Mr. E. J. Wetzel, one of my customers, was choking with a sudden and severe attack of croup. I gave him a bottle of this Cough Remedy, and he started for home, gave the child two doses of it, which stopped the coughing and smothering instantly and in a few minutes the little one was out of all danger. Mr. Wetzel came back to the store as happy as he could be and said: "That bottle of Cough Remedy saved the life of my child." Furthermore I feel friendly towards you as the manufacturers of such a valuable Remedy and am proud of its being manufactured in our own State. I can cheerfully and willingly give many instances of its good works to anyone that may want a reliable cough remedy.

MYSTERIOUS MURDERS.

Four in Granville County, N. C., in Four Days.

CHARLOTTE, N. C., Jan. 9.—Four mysterious murders have occurred in Granville county in four days. Dick Page, a colored laborer, was the first victim. His body was found on Saturday night in an old field on Col. Rogers' plantation, with the breech pin of a gun buried in his skull. On the same night W. T. Parker and Brock Bailey were seen drinking together, and shortly afterwards the dead bodies of both were found lying near where Page's body was found. On Monday the coroner was called to the same plantation to view the body of a colored woman who, it was said, was beaten to death by some unknown person. It is thought the murders were all committed by the same person and there is much excitement in the neighborhood.

Heavy Snow Storm in Kansas.

KANSAS CITY, Mo., Jan. 9.—A dispatch to The Star from Miltondale, Kan., says: A heavy snow storm, accompanied by a strong wind, is raging through the northern part of Kansas. The trains have all been abandoned. There has been no trains on the Central branch of the Union Pacific for eight days.
