A BEAUTIFUL lawn or front yard is admired by all. The lawn mower is a fixed fact. Buy a Champion. It has less machinery to get out of order than any other. It is the best cutter made. Frank Owens Hardware Company sells this machine. Their third order made this season for them.

SAYS the Lexington Transcript: "W. H. Means, of Maysville, is out in a neat card announcing himself as a candidate for assistant superintendent for the purchase of boots and shoes, subject to the action of the prompt paying merchants of the State of Kentucky. Mr. Means looks every inch a winner. The people will stand by him as long as he has a dollar."

REV. J. B. BRINEY, pastor of the Christian Church some years ago, slipped and fell on the icy pavement last winter, and it is now announced that the injuries he received will disable him for life. The people of Maysville and vicinity will regret to learn of his sore affliction, and he has their sympathy and especially the sympathy of his former parishioners in the great misfortune that has befallen him. The Apostolic Guide, of Louisville, calls on the churches he formerly served to aid him.

REV. BISHOP MAES of this Diocese has sent out another circular in reference to amusements. He holds that picnics and excursions can not be held at night, Sundays or fast days. Fairs can not be held on Sundays. Priests are ordered to suppress balls or dances given for the benefit of good works, and the use of intoxicating liquors is strictly forbidden at all the above amusements. All entertainments are to be given under the direction of the pastor or spiritual directors, after they are satisfied that there will be no danger of scandal or sin. Priests will be held responsible for a violation of any of the above rules. They also apply to Catholic societies, and will be strictly enforced.

REV. E. FORMAN, D. D., recently of Richmond, and well-known in this county, where he was born and raised, is now a resident of New Orleans, where he has charge of a Presbyterian Church. Benjamin R. Forman, a prominent attorney of that city, is a son of the divine.

Lawyer Forman, mentioned above, was a member of Baz. Duke's regiment, Morgan's command, and was at the battle of Augusta, this State, where he was wounded in the heel. His friends could not understand how he came to be wounded in the heel, but he satisfied them that it was perfectly legitimate, when he told them that he received it while riding through the town and being shot at by men, who were stationed at upstairs windows after the command had passed.

BABY IS SICK—The woeful expression of a Des Moines teamster's countenance showed his deep anxiety was not entirely without cause, when he enquired of a druggist of the same city, what was best to give a baby for a cold? It was not necessary for him to say more, his countenance showed that the pet of the family if not the idol of his life, was in distress. "We give our baby Chamberlain's Cough Remedy," was the druggist's answer. "I don't like to give the baby such strong medicine," said the teamster. "You know John Oleson, of the Watters-Talbot Printing Co., don't you?" inquired the druggist. "His baby, when eighteen months old, got hold of a bottle of Chamberlain's Cough Remedy and drank the whole of it. Of course it made the baby vomit very freely, but did not injure it in the least, and what is more, it cured the baby's cold. The teamster readily knew the value of the Remedy, having used it himself, and was now satisfied that there was no danger in giving it to a baby. For sale by Power & Reynolds.

## MINER'S MAXIMS.

False colors won't wash, and you take a good deal of risk when you sail under them.

It doesn't take a bad Shoe long to expose its true character. A little wear and tear make the revelation, and the worst of it is that you can do nothing with it. If you can tolerate it, your patience must be inexhaustible.

We are not content with one transaction with a customer. Our rule is to make one purchase insure another, and that's why we take care to tell you just what you are buying.

A Shoe which will not cost you much, and yet which will give you abundant satisfaction, is our \$2.50 Ladies' Button, made of fine Dongola, with medium weight flexible soles, with the style and appearance of a much higher priced Shoe.

We also have these in Hand Turns at \$2.50. This makes a most pleasant Shoe for summer wear.

These two lines are the best medium priced Shoes in the market. They will wear 25 per cent. better than any other shoes sold at the same price and are fully warranted in all the claims made for them.

Is not this worthy of your consideration?
