WEATHER INDICATIONS.

For Kentucky, fair, except in western portions; local rains; warmer, westerly and southerly winds.

The members of the Kentucky Legislature are doing more to defeat the Democratic party in the State than Bob Ingersoll has ever done to kill Christianity.

The city has expended over \$17,000 in less than twenty years building bridges over Limestone Creek. \$25,000 will construct a viaduct and raise the houses on a level along the line.

PORK PACKING.

What the Price Current Says in Its Weekly Report—A Scarcity of Cattle Threatened.

There is a continued small supply of hogs for Western packers, the total number handled for the week being 180,000, compared with 190,000 the preceding week and 240,000 for the corresponding time last year.

Prices of hogs have been well maintained most of the week, but close with a moderate reduction in some markets, the general average showing but little change compared with a week ago.

A feature of the general outlook is the strengthening position of the cattle market. The indications point to the fact that the demand is overtaking the supply, and will get beyond it in the near future.

After Absentees.

In the Legislature yesterday Mr. Botts of Shelby, offered the following resolution:

"WHEREAS, As it is necessary for the early completion of our work that we have a full attendance, be it resolved that no member be permitted to absent himself during the session hours without leave, and any member absenting himself shall be fined \$5."

The resolution was laid on the table by a vote of 28 to 22.

A Noted Dog.

Ajax, the \$5,000 beauty, known as the "man hunter," instrumental in the capture of the noted desperado "Rube Burrows" in the Mississippi swamps is with Davis' Three-Car Uncle Tom's Cabin Company.

The Ladies.

The pleasant effect and perfect safety with which ladies use themay California liquid laxative Syrup of Figs, under all conditions, make it their favorite remedy.

St. Patrick's Attention.

All members of St. Patrick's Benevolent Society are urgently requested to assemble at their hall on Limestone street, this evening at 7 o'clock to perfect arrangements to attend the funeral of brother William Driscoll.

ROBERT BROWN, President.

Called Meeting.

There will be a called meeting of the Ancient Order of Hibernians this evening at 7:30 o'clock, to make arrangements for attending the funeral of brother William Driscoll.

THE LEGISLATURE.

What a Mason County Man Thinks of That Body—The Correspondents, Absentees, &c.

Editor Bulletin: Faithful as you are in your editorial functions it seems to me that you are wanting in one particular. You don't review and score the delinquent, incompetent, dodging, absenting Kentucky Legislature as you should.

Just read "The Capital," the daily "official paper of Kentucky," and see how the wheels of legislation are blocked and retarded by the curse of absenteeism: Roll call—Present, 62; absent, 37. Present, 69; absent, 30. Roll call continued—Present, 55; absent, 44. This is a sample of "House."

Rev. Zeigler filled his regular appointment at the Christian Church Sunday evening. As if to enhance the solemnity of the hour and win sinners from worldly meditations the silvery tones of the new church organ echoed the harmony of heaven's own melody.

One of our young men put his three-year-old horse in the stable of his aunt and went to call on his best girl, and when he went to get his horse he saddled up an old mare thirty years old, and started home and would not have known the difference, if his aunt had not told him.

When Baby was sick, we gave her Castoria. When she was a Child, she cried for Castoria. When she became Miss, she clung to Castoria. When she had Children, she gave them Castoria.

For the Farmer.

Issues the most liberal Life and Endowment Policies of any Industrial Company. Their advantages combine immediate benefits in case of death, paid up values after a specified term, and incontestability after having been issued three or more years.

Why insure in the Western and Southern? Because it has paid \$100,000 in Death Claims. Because it has issued over 110,000 policies. Because its policies are in immediate benefit and their payment is absolutely guaranteed by the company's assets and a special deposit of \$100,000 with the State Treasurer for the sole protection of the policy-holders.
