

NAMING OFFICERS.

The President Sends a Few More Nominations to the Senate.

WASHINGTON, April 12.—The president sent the following nominations to the senate:

Edward H. Strobel of New York to be third assistant secretary of state vice William M. Grinnell, resigned.

Daniel N. Morgan of Connecticut to be treasurer of the United States vice Enos H. Nebeker, resigned.

Conrad N. Jordan of New York to be assistant treasurer of the United States at New York vice Ellis H. Roberts, resigned.

Henry V. Johnson of Colorado to be attorney of the United States for the district of Colorado.

Charles B. Bellinger of Oregon to be United States district judge for the district of Oregon.

William K. Reid of Utah to be judge of probate in the county of San Pete, territory of Utah.

Daniel M. Browning of Illinois to be commissioner of Indian affairs.

Frank C. Armstrong of Washington to be assistant commissioner of Indian affairs.

Daniel N. Morgan of Bridgeport, Conn., nominated for treasurer of the United States, is one of the leading citizens of his native state, socially, politically and financially. He is a man about 50 years of age, has been mayor of Bridgeport three terms, served in the legislature, and has been the president of a national bank for 10 years. He was warmly endorsed by the leading men of Connecticut and especially by the Hon. Carlos B. French.

Conrad Jordan, nominated for assistant treasurer at New York, is well known to the country as United States treasurer in Mr. Cleveland's first administration. He is about 65 years of age, and was endorsed for his present place by every national bank in New York city.

Edward H. Strobel of New York, nominated to be third assistant secretary of state, served through Mr. Cleveland's first term and a part of the succeeding Republican administration as secretary of legation at Madrid. At present he is practicing law, and is said to be an exceedingly brilliant man.

Daniel M. Browning of Illinois, who is nominated to be commissioner of Indian affairs, lives at Benton, and is about 50 years of age. He is a lawyer, and in 1882 was judge of the circuit court of Illinois in his district. Mr. Browning is said to have made a strong effort to secure the position of commissioner of the land office.

Frank C. Armstrong, who is named as assistant commissioner and is set down as a resident of the District of Columbia, was originally appointed an inspector in the Indian bureau from Louisiana in President Cleveland's first administration. He was an officer in the old army and left it to join his fortunes with the Confederacy.

C. B. Zellinger, nominated to be district judge of the state of Oregon, was the fortunate one of a quartet of personal friends who were striving for the place. He is a man of about 55 years. He is now a resident of the city of Portland and a member of the law firm started by Senator Dolph.

SENATE.

But Little Prospects of an Adjournment This Week.

WASHINGTON, April 12.—The senate went into executive session yesterday almost immediately after it met, notwithstanding the objection of Senator Hoar. The proposed investigation into Senator Roach's career was taken up behind closed doors and there was a long debate between the Republican senators who insisted upon an investigation and the Democratic senators who opposed it.

At last a spirit of compromise prevailed and an understanding which was not put in writing and was differently construed by different senators was reached that the committee on privileges and elections should meet and agree upon a compromise resolution proposing an investigation into the charges but milder in form than the resolution of Senator Hoar. The matter thus went over for the day.

The general impression now is that the session is certain to continue until the close of the present week and is likely to run into next week.

The president yesterday, when informed that the senate was ready to adjourn, said that he desired to nominate and have confirmed judges of the new District of Columbia court of appeals before adjournment, and intimated that this would probably require the senate to remain until next week.

More Time For Exhibits.

CHICAGO, April 12.—Director General Day's has extended the time for receiving exhibits at the world's fair from April 10 as the day originally set as the last one on which they would be received until April 30. This was rendered necessary by the fact that only about one-third of the exhibits are now in the grounds.

The Pope's Voice in a Phonograph.
NEW YORK, April 12.—A dispatch from Rome says that the phonographic cylinder into which his holiness, the pope, recently spoke a message in Latin to the people of the United States will be dispatched from that city in a few days. It will be consigned to Mgr. Satolli, by whom the message will be made public.

No Prospects For a Settlement.

NEW YORK, April 12.—The locked out clothing cutters appear as cheerful and determined as ever. Neither side will yield a point and there is but little prospect of an amicable settlement of the difficulty. The manufacturers continue complacent and express the same feeling of confidence that they will win the fight.

Strike About Over.

TOPEKA, April 12.—There were many more men at work in the locomotive shops of the Atchison, Topeka and Santa Fe railroad today than yesterday and now the road is very little inconvenienced on account of the strike.

Treasury Gold Getting Short.

WASHINGTON, April 11.—The treasury supply of free gold is again nearing low water mark as a result of recent heavy exports, and is now down to \$2,400,000.
