"More haste, less speed," and "hasten slowly," are proverbs born of experience that some things can't be hurried without loss and waste. That is specially true of eating. The railway lunch habit, "five minutes for refreshments," is a habit most disastrous to the health. You may hurry your eating. You can't hurry your digestion, and the neglect to allow proper time for this important function is the beginning of sorrows to many a busy man. When the tongue is foul, the head aches, when there are sour or bitter risings, undue fullness after eating, hot flushes, irritability, nervousness, irresolution, cold extremities, and other annoying symptoms, be sure the stomach and organs of digestion and nutrition have "broken down." Nothing will re-establish them in active healthy operation so quickly as Dr. Pierce's Golden Medical Discovery. It strengthens the stomach, nourishes the nerves, purifies the blood, and builds up the body. It is a strictly temperance medicine containing no alcohol or other intoxicant. Given away. Dr. Pierce's great work, The People's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the paper covered book, or 31 stamps for cloth binding, to Dr. R. V. Pierce, Buffalo, N. Y.

Excitement Over Lynchings. Bainbridge, Ga., July 24.—Decatur and Early counties are still greatly excited over the lynchings of negroes. One negro has been lynched by hanging after his body had been mutilated, two have been found dead and their scalps are reported to be on exhibition at Saffold, while the bodies of two others were found lying near a railroad track in the disturbed district. The cause of their death is in doubt. Cruds are still hunting for five other negroes who were implicated by Louis Sammins, one of the men lynched in the assault upon the Ogletree family.

Anxiety Over Beveridge. Indianapolis, July 24.—There has been some concern here over the present whereabouts of Senator Albert K. Beveridge. Letters from Nagasaki, Japan, dated June 30, showed that he was quarantined on board ship near there with the Asiatic plague on the vessel. One of these letters apparently smuggled ashore was from the senator himself. He states that the victims on board were Chinese from Hongkong. In the letter the senator says: "Thank heaven, Mrs. Beveridge is at Klota." Vicksburg, Miss., July 24.—Signor Enrico Caveller, the representative of the Italian consul at New Orleans, will visit Tallahassee for the purpose of investigating the lynching. Special Excursion to Chautauqua, N. Y., July 28th. On July 28th the C. and O. will sell round trip tickets Maysville to Chautauqua Lake, N. Y., at the rate of \$13.00. Return limit August 31st.
