They Welcomed Them With Open Arms.

[Indianapolis Journal, Rep.]

If the body of armed men who are reported to have appeared at the Capital of Kentucky have been encouraged to assemble by prominent Republicans it seems, at this distance, like a great blunder. It is too much like the Central American method of making and unmaking governments. An appeal to force will find no general justification in any part of the country, particularly by those calling themselves Republicans.

The Modern Mother

Has found that her little ones are improved more by the pleasant Syrup of Figs, when in need of the laxative effect of a gentle remedy, than by any other. Children enjoy it and it benefits them. The true remedy, Syrup of Figs, is manufactured by the California Fig Syrup Co. only.
