It is understood that Captain Tilley has already notified the native inhabitants of the action of the United States. The work of establishing a coaling station has been vigorously pushed.

## Brave Men Fall

Victims to stomach, liver and kidney troubles as well as women, and all feel the results in loss of appetite, poisons in the blood, backache, nervousness, headache and tired, listless, run-down feeling. But there is no need to feel like that. Listen to J. W. Gardner, Idaville, Ind. He says: "Electric Bitters are just the thing for a man when he is all run down, and don't care whether he lives or dies. It did more to give me new strength and good appetite than anything I could take. I can now eat anything and have a new lease on life." Only 50 cents at J. J. Wood & Son's drug store. Every bottle guaranteed.

MANY have availed themselves of our watch bargains. To those who have not and contemplate getting a watch will say call and let us price them. You will find our prices by far the lowest, quality the best. All goods warranted. Now's the time to buy. MERRYP, the jeweler.

## PITHY POLITICAL POINTS.

William J. Goebel died Governor of Kentucky.  
Doubtless whisky nerved the arm of Goebel's assassin.  
The fate of Governor Goebel was mapped out for him by the Republican press.  
We would immeasurably prefer the fame of Goebel dead to that of Taylor living.

Shame should mantle the cheek of every Republican because of the assassination of Goebel.

The Republican party has now added to its load the most infamous act of modern times in the assassination of William J. Goebel.

The hatred and envy of the whole Republican party in Kentucky was centered upon the head of poor Goebel, and it's not strange that it bore its legitimate fruit.

The deserting Democrats got among the Republicans just in time to get a share of the glory achieved in the assassination of Governor Goebel.

The Boers don't seem to regard the lords and sirs sent there any more than they would a plain general, as they use the same argument with all.

Some in this country seem almost as much chagrined and humiliated at British reverses as the latter themselves do. True Americans can stand them though.

Republicans who hated the English heartily on account of her attitude in the war between the States now applaud her in her war of oppression in South Africa. Here's consistency for you.

The Prince of Wales has never been found fit for anything but to spend the millions wrung from the sweat and blood of the people. He might be used to advantage now in stopping bullets in South Africa.

The English claim the Boers are hypocrites because they pray and sing psalms before going into battle. George Washington and Stonewall Jackson prayed on such occasions and no one ever called their sincerity in question, we believe.

## Forceful Facts.

One-sixth of the deaths from disease are due to consumption. Ninety-eight per cent. of all those who have used Dr. Pierce's Golden Medical Discovery for "weak lungs," have been perfectly and permanently cured. Cornelius McCawley, of Leeburg, Armstrong Co., Pa., had in all eighty-one hemorrhages. He says: "My doctor did all he could for me but could not stop the hemorrhages, and all gave me up to die with consumption." "What doctors could not do "Golden Medical Discovery" did. It stopped the hemorrhages and cured their cause. This is one case out of thousands. Investigate the facts.

Free. Dr. Pierce's great work, "The People's Common Sense Medical Adviser" is sent free on receipt of stamps to pay cost of mailing only. Send 21 one-cent stamps for paper covered book, or 31 stamps for cloth binding. Address Dr. R. V. Pierce, Buffalo, N. Y.

## CINCINNATI TOBACCO MARKET.

Stocks Very Low and Yet Prices Are Easier Than When the Supply Was Much Larger.

	1900.	1899.
	Hhds.	Hhds.
New	750	680
Old	693	714
Offerings for the week	1,452	1,353
Rejections for the week	345	349
Actual sales for the week	1,107	1,004
Receipts for the week	763	763
Offerings year to date	9,291	9,491
Rejections year to date	1,836	2,309
Actual sales year to date	7,455	7,127
Receipts year to date	6,730	6,680

The Cincinnati Leaf Tobacco Warehouse Company in its circular for the week has the following:

The best of reasoning fails in judging a market, and this seems to be the case in leaf tobacco to almost a greater extent than in any other staple. Stocks of old are unprecedentedly light; the new crop hardly of average size, the offerings small, and yet prices are easier than they were when stocks and offerings were much larger.

The prices of new tobacco are about as they were last week, with the exception of the best grades. Though many hogheads sold up to 14c., 15c. and 16c. the sales in general, of this kind, were not satisfactory, and there was quite a number of rejections.

It was rather a gloomy week, with not a day of sunshine, and the light was poor for selling tobacco nearly all the time.

In old tobacco we could not see much change, except in color lugs, which sold higher. The offerings were considerably lighter than the previous week. All the buyers were in attendance. The demand seemed fair, but there was not much snap in the bidding. However, the market closed much stronger than it opened.

The fact that a large proportion of the crop is in the hands of dealers, at figures rather too high for the present market, may induce a great many to redy their purchases, and this will curtail the break sales in the near future.

## Letters Rifled.

Athens, Ga., Feb. 12.—The postoffice was burglarized. Every letter in the office was opened. It is not known how much money was secured. Several bank checks were found on the floor. The stamps and registered letters were in a safe and were not molested.

## Leak in the Gas Pipe.

Chicago, Feb. 12.—Martin Jordan, an engineer, his wife Mary, and their 5-months-old boy, were asphyxiated by gas in their home. The bodies of the three were found. A leak in the gas pipe in the basement deluged the house with gas.

## Millions Given Away.

It is certainly gratifying, to the public to know of one concern in the land who are not afraid to be generous to the needy and suffering. The proprietors of Dr. King's New Discovery for consumption, coughs and colds, have given away over ten million trial bottles of this great medicine; and have the satisfaction of knowing it has absolutely cured thousands of hopeless cases. Asthma, bronchitis, hoarseness and all diseases of the throat, chest and lungs are surely cured by it. Call on J. J. Wood & Son, druggists, and get a trial bottle free. Regular size 50 cents and \$1. Every bottle guaranteed, or price refunded.

# THE FENCE THAT FENCES

Is the fence that has been sought for many years. People who needed fences have been looking for it. People who make fences have been trying to solve the problem. There has been a gradual evolution from the rail fence and rock wall in which every form of wood and metal and their combinations have been tried and found wanting in some essential feature until
