### Language Warranted by Facts.

[Savannah News, Dem.] This is hard language for one Governor to use to another, and yet the facts in this case seem to warrant it.

Gov. Beckham announces his purpose to have the entire matter carried before the United States Supreme Court. That is the course he ought to pursue. He ought not to let it rest where it is. If such a precedent as that which Gov. Durbin seeks to establish should be permitted to stand it would soon come about that few smart criminals would ever be punished for their crimes. It would amount to a check on the administration of justice. It is surprising that there are leaders of the Republican party and Republican newspapers which uphold Gov. Durbin in the course he is pursuing.

Those who were so fortunate as to see Mr. Frank Keenan in either of his productions of "A Poor Relation" still remember with a great deal of pleasure the excellence of the play itself and the masterly manner in which Mr. Keenan interpreted the character of "Noah Vale." On Saturday night another and even greater pleasure was afforded the many patrons of the opera house—the opportunity for witnessing Mr. Keenan at his best. Whatever other parts he has undertaken have been presented in a most acceptable fashion, and one which left nothing to be desired, but in the "Hon. John Grigsby" Mr. Keenan has found a character for which he is most eminently fitted in every way. And he has made the most of it. As the Illinois politician of 1840 he was a revelation to the audience, and so true was his interpretation that one could almost imagine one's self in the office under the obsequious attendance of Coke. Miss Phillips as Meg Ronalds is undoubtedly the best leading lady that Mr. Keenan has ever had, and the other members of his company go to make up just such a support as sets off his work to the best advantage.

# IT'S A TREAT

ALL AROUND TO DEAL IN OUR HOUSE.

You can buy here with your eyes closed for you know you will be fairly dealt with. It's a treat to us to enjoy a patronage that has implicit confidence in us. It may sound a bit boasting when we say we deserve this confidence, yet it's the truth. In hundreds of cases we're more particular as to the exact fit and style of a garment a customer selects than he is himself.

The extreme care we exercise in fitting our customers is the advertising medium that brings the multitude to our house.

For the cold snap we are offering some rare bargains in Ulsters and Storm Coats. Excellent Coats for \$5, \$7.50 and \$10. All of these garments are worth nearly double what we sell them for. The tardiness of the cold weather leaves us with too many on hand, hence the cut in price. If you have not tried a pair of our water resisting Shoes, try a pair. They will satisfy you. See our new line of Mufflers, Handkerchiefs and Gent's Merino Half-Hose.

Just a bit early for Christmas gifts, but they will be gone if you don't select soon. We refer to the elegant all wool gentlemen's Bath and Lounging Robes we have just received. The nicest garments in this line that ever was shown in Maysville.
