HOME MISSION WORK.

What the Woman's Board of the M. E. Church, South, is Accomplishing.

Much interest is centered in the annual meeting of the Woman's Board of Home Missions of the M. E. Church, South, that has been in session at Atlanta the past week. This society was organized in 1886 and has for its object the building of homes for itinerant preachers, providing religious instruction for the destitute and neglected and otherwise aiding the cause of Christ. It has 31,000 members and employs fifty-eight missionaries and teachers. Since its organization the society has contributed \$128,284.23 to 1,377 parsonages, some of them in sections where the preachers could not have made a home but for this aid. Supplies of goods have also been sent to those charges where the people have been unable to support their preacher, amounting to \$59,000.

Eleven schools are maintained by this organization. Three of these schools are carried on among the Cuban settlers in Tampa and Key West, Fla., with an attendance of 480. On the Pacific coast four night schools are conducted for Chinese and Japanese with more than 200 in attendance. During the past year eleven Japanese who attended these schools embraced Christianity and joined the M. E. Church, South. In the moun-

tains of Southeastern Kentucky more than 300 students are gathered in the Sue Bennett Memorial School, and many more were denied entrance for lack of school room accommodation. These women are also working among the Indians of Mississippi, and have charge of the industrial department for negro girls at Paine Institute, Augusta, Ga.

WOOD VS. CARR.

Appellate Court Reverses Judgment of Mason Circuit Court in Suit Over a Horse.

In reversing the above case the Court of Appeals says:

Appellees recovered a judgment in the Maysville Police Court and an attachment was sustained, which had been levied on a horse. The defense offered was that the horse was exempt from said debt. Appellee prosecuted an appeal to the Quarterly Court from said judgment. Pending said appeal appellee obtained a discharge in bankruptcy and said horse was claimed by him and adjudged to be exempt. The judgment in bankruptcy was pleaded as a bar on the trial in the Quarterly Court, but was rejected and the horse ordered to be sold to satisfy the debt and this action was instituted to enjoin said sale.

Held—That the judgment in bankruptcy was a bar to the proceedings in the Quarterly Court, as the bankruptcy act affects all liens obtained by proceedings in State courts which were commenced against an insolvent within four months prior to the institution of the proceeding in bankruptcy.

IMPORTANT ANNOUNCEMENT OF THE MAYSVILLE GAS COMPANY.

Under 2000 cu. ft. of Gas \$1.50 per 1000.
Over 2000 cu. ft. of Gas and under 3000 cu. ft. \$1.25 per 1000.
3000 cu. ft. of Gas and over \$1 per 1000.

At a meeting of the Board of Directors of the Maysville Gas Company March 28th, 1903, it was ordered that on and after the first day of April, 1903, the above sliding scale of price of gas for all purposes, fuel and illuminating, should go into effect for all private consumption, and that all rates and discounts heretofore made are hereby abolished.

It was further ordered that after the first of April the old rule of the company "gas will be turned off if account is not paid with five days after presentation" shall be enforced, impartially and indiscriminately, regardless of whom it may concern. (This action was taken not to appear arbitrary nor with the idea that the accounts of the consumers were not perfectly good at any time during the month, or a year later for that matter, but for the good of all concerned and in order that this part of the business of the company might be taken up at a specified time during the month and disposed of, and further in order that the time and thought of the company's agents and employees, now so largely occupied with this work of collecting, might for the balance of the month be diverted toward giving consumers of gas better attention and more efficient supply and service.)

It was further ordered that beginning with the first of May and for each and every month thereafter, the monthly statement of account of each consumer should be delivered to said consumer by an agent of the company on the first day of the month, or the second day, if the first comes on Sunday, and that said account shall thereafter within five days be due and payable at the office of the company on Court street, Maysville, Ky., and if not so paid, gas will be promptly shut off.

The gas company further announces that, after the first day of April, they will handle and sell at cost price to gas consumers any of the great variety of gas stoves and ranges made by and shown in the catalogue of the Detroit Stove Works, Detroit, Mich., which will be a sum equivalent to 50 per cent. discount from the list prices in said catalogue. These stoves and ranges will be sold for cash only, or according to the terms of a printed lease, whereby easy payments are extended over a period of from twelve to seventeen months. For instance, take a gas range listed in catalogue at \$25, the gas company will sell this range to consumer for \$13 cash or for \$2.50 cash at signing of lease, and 60 cents a month for seventeen months, at the expiration of which time the range is sole property of consumer. The company has selected to handle the Detroit Jewel Gas Range on account of its acknowledged superiority and wide reputation for durability and economical consumption of gas. The gas company will also handle, at cost price to consumer, the fixtures and mantles of the Weisbach Company in all of their many attractive varieties.

Before closing this announcement the gas company wishes to publicly express appreciation of the eminently fair, just and courteous treatment accorded them by his honor, the Mayor, and the Board of Council, particularly the Chairman and members of the Gas Committee of that body, through whose efforts in behalf of the private consumers, the above concession in the price of gas is now announced.

With the assurance to the citizens of Maysville that it will be the earnest effort of the company and its agents to at all times give them their best possible service at the least cost, we beg to remain, very respectfully, MAYSVILLE GAS CO.

P. S.—On and after April 1st the gas company will have on exhibition at the plumbing establishment of Mr. Larry Langfeld on Market street, samples of the Detroit Jewel Gas Ranges, to the inspection of which those interested are cordially invited. You can leave your order for a range with any representative of the gas company, with Mr. Langfeld or your regular plumber, with whom you will have to make arrangements for the connecting and fitting up of range in case of the placing of order.
