Our new Skirts are here. We sell 90 per cent of the Skirts
sold in Maysville. The Skirt business is one of our hobbies.
We honestly believe we will sell every Skirt that's sold in

the most beautiful line we have ever seen. Can't resist, said
a lady as she saw us taking them out of the box, and even be-
fore the prices were on she was on her way home with one
under her arm. **DO YOU WANT A SKIRT?** Look
everywhere; we know who will sell you.

We do not have to say it ourselves. Others say it for us that
there are few stores in the largest of cities that excel us in the line
of **Gentlemen's Furnishing Goods** that we carry.

For this coming season our ambition to cater from the medium
to the very choicest of trade has induced us to put in lines of **Shirts,
Neckwear, Halfhose and Hats** of higher quality than we have ever
had in stock. **WE WANT YOU TO SEE THEM.**

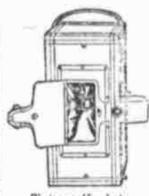

CHILDREN'S CLOTHING

To the mothers who are just a little more than particular about
their children's outfit we want to say that as soon as the weather
gets right for the little fellows spring suits to come and see the new
line of ultra fashionable **Children's Suits** that we have brought on
for this spring's trade, and prices fully 20 per cent. less than what
you would pay for them away from home.

We respectfully solicit an examination of these goods.
