Items of Interest Pertaining to the Livestock Industry of Arizona.  
Market Letter for the Past Week.

## Kansas City Market Letter

(By J. A. Rickart, Correspondent)

Kansas City Stock Yards Jan. 12, 1913.—The cattle market averaged steady last week, though the best fed steers declined 10 to 15 cents, and stock and feeding grades sold a little higher. That has been the trend of the market for two or three weeks, but today conditions are changed a little. Fed steers are selling steady to strong, the market closing firm on them, butcher grades firm, stockers and feeders about steady, but a little shaky. Killers have good orders to fill today, and the hesitating tactics of feeder buyers permitted to get the half fat steers at \$7.50 and upwards. The run here today is 14,000 head, and the fact that this number sold so well, in conjunction with heavy supplies at some other points, indicates a healthy beef trade. Apparently country buyers have about reached the end of their daring, and the margin between feeders and fat steers is probably at its narrowest point. Best fat steers brought \$8.25 today, bulk of the steers 7.00 to 8.00. Quarantine steers ranged from 5.85 to 7.29 today, and some meal fed cows brought 5.90 in the southern division. Stock steers bring 5.75 to 7.25 and feeders 6.75 to 7.50. Colorado feeders sold at 7.25 to 7.65 here last week, landing on the high spot of the winter so far. Cold weather is stimulating the beef trade, and smaller cattle supplies ahead, which are expected, should meet a firm market. Hogs sold stronger each day last week, though total gain for the week was only 20 cents. The run is 8000 here today, moderate for Monday, and the market ruled steady to 5 higher, closing rather meap. Tops sold at 7.47½, bulk of sales 7.25 to 7.45. Long feeds are showing more plainly each week, average weight here last week 210 pounds, against 206 pounds average for the month of December, and 200 pounds for the year 1912. Lamb prices slumped off 50 cents last week, yearlings about the same, weathers and ewes off a quarter. A break in mutton in New York is given as the cause, liberal runs also contributing. Receipts today are 16000 head here, market strong to 10 higher. Colorado lambs brought 8.75 and 8.85 today, yearlings worth 7.25 to 7.69, wethers up to 5.85, ewes 5.40, feeding lambs around 7.50.

## Los Angeles Market Letter

Los Angeles, Cal.—Jan. 23.—Prime beef is still strong at 7 cents, Los Angeles cows 6 cents, veal in good demand. Prices probably due to advance within the next few weeks at Phoenix and Imperial. California is waking up to the fact more cattle will be needed, principally yearling steers and cows with calves. Colorado buyers have already taken the field and also Texas, \$29 and \$30 is not too high for good yearling steers, and there will be more demand than supply. This year there is no need to rush sales. Every hoof will be sold and the men who don't try to sell all at once will get better prices. There is more demand than cattle.

Steam heating a special feature and done in the latest approved methods. See Wilson & Coffin

## Cut The High Cost of Living

W. H. Chapman, Winnebago, Neb., tells how he did it. "My two children had a very bad cough and the doctor's medicines did them no good. I got a bottle of Foley's Honey and Tar Compound and before it was all used the children were free and cured of their cough. I saved a doctor's bill for one 25c bottle of Foley's Honey and Tar Compound." No opiates. Will Marlar Pharmacy advertisement.

## WHAT THE NATIONAL STOCKMEN'S MEETING DID

Henry A. Jastro, of Bakersfield, Cal., president; Dwight B. Heard, of Phoenix, vice-president; C. M. O'Donnell, J. B. Hendricks, H. B. Parsons, C. B. Rhodes and Ike T. Pryor, also vice-presidents.

The above were elected as officers of the National Livestock association for the ensuing year, at the meeting just closed in Phoenix. The association selected Denver as the place for the next annual meeting, after a hot contest between the Colorado metropolis and El Paso, Albuquerque and some other towns being also candidates for the honor.

### The Resolutions.

Resolution No. 1 was particularly strong and demanded the retention of the important duties on livestock and meat products, as well as all farm products. The livestock industry, declared the resolution, should have the same protection as other industries. Free meat, it declared, would greatly curtail the production of livestock in this country, and prices would be set back to where they were for years before 1910. The resolution also opposed free hides.

No. 2 urges upon congress the passage of a bill providing for the physical valuation of railroads, in order to determine whether raises in rates the railroad companies are fighting for are justified. T. M. Potter made an earnest talk in favor of this resolution.

### Adjustment of Rates

Resolution No. 3 dealt with the intermountain livestock rate question. The executive board was called upon to take the matter up with the interstate commerce commission and endeavor to secure an equitable adjustment. Rates from the west to the east should be no higher than the rates from the east to the west, it was claimed.

No. 5 demanded that congress take some action looking toward the protection of American livestock and ranch interests in Mexico.

The government administration of the national forests was endorsed unreservedly; No. 6 urged federal control of arid and semi-arid grazing lands, being a strong endorsement of the Lever land leasing bill, unanimously endorsed by the convention the day before.

An elastic currency, more responsive to the needs of business, was favored in another resolution. Still another set the association on record as being unalterably opposed to a prohibitive tax on oleomargarine.

Medicines that aid nature are always most effectual. Chamberlain's Cough Remedy acts on this plan. It allays the cough, relieves the lungs, opens the secretions and aids nature in restoring the system to a healthy condition. Thousands have testified to its superior excellence. Sold by all dealers. Advertisement.

### Best Climate in the World

Mr. Harley Russell assistant cashier of the Peoples Bank at Ozark, Arkansas, writes: "enclosed find subscription to your valuable paper. I am very much interested in Arizona and especially your section of the state. I was in your state for a few days about two years ago and was very much impressed with it. I certainly expect to visit the state again some day as I think you have the best climate in the world."

W. R. Fox, 195 W. Washington St., Noblesville, Ind., says: "After suffering many months with kidney trouble, after trying other remedies and prescriptions, I purchased a box of Foley's Kidney Pills which not only did me more good than any other remedies I ever used, but have positively set my kidneys right. Other members of my family have used them with similar results. 'Take at the first sign of kidney trouble.' Will Marlar Pharmacy advertisement.

## Restoration to Entry of Lands in National Forest

Notice is hereby given that the lands described below embracing 287.40 acres, within the Coconino National Forest, Arizona, will be subject to settlement and entry under the provisions of the homestead laws of the United States and the act of June 11, 1906 (34 Stat. 233) at the United States land office at Phoenix, Arizona, on March 17, 1913. Any settler who was actually and in good faith claiming any of said lands for agricultural purposes prior to January 1, 1906; and has not abandoned same, has a preference right to make a homestead entry for the lands actually occupied. Said lands were listed upon the applications of the persons mentioned below, who have a preference right subject to the prior right of any such settler, provided such settler or applicant is qualified to make homestead entry and the preference right is exercised prior to March 17, 1913, on which date the lands will be subject to settlement and entry by any qualified person. The lands are as follows: A tract of 56.04 acres within Secs. 17, 18, 19, and 20 T. 19 N., R. 7 E., G. & S. R. M., described by metes and bounds as follows: Beginning at corner No. 1, a post marked H-1, from which the southwest corner of Sec. 20, said township and range, bears south 8 degs. west, 38.50 chains; extending thence east 4.48 chains; thence north 15 degs. east 10.83 chains; thence north 9 degs., 30 min. west, 14 chains; thence north 14 degs. east 6 chains; thence north 23 degs. west, 14 chains; thence north 7 degs. 30 min. west, 8.11 chains; thence north 2 degs. 30 min. west, 7 chains; thence north 5 degs. east, 7 chains; thence west 7 chains; thence south 17 degs. west, 7.37 chains; thence south 4 degs. 30 min. west, 11 chains; thence south 40 degs. west, 4 chains; thence south 15 chains; thence south 29 degs. east, 4.70 chains; thence south 13 degs. east, 25.58 chains to the place of beginning. Said tract was listed upon the application of Frederick H. Grant, Flagstaff, Arizona; List 3-2121. The E½ of SE¼, the NW¼ of SE¼, and the NE¼ of SW¼, Sec. 34, T. 19 N., R. 9 E., containing 160 acres. Said tract was listed upon the application of Fred Henderson, Flagstaff, Arizona; List 3-2138. The SW¼ of SE¼ of NW¼-4 the S½ of SE¼-4 of NW¼-4, the N½ of NE¼-4 of SW¼-4, the N½ of SW¼-4 of NE¼-4 of SW¼-4, the W½ of NW¼-4 of SE¼-4, the W¼ of E½ of NW¼-4 of SE¼-4, and the NE¼-4 of NW¼-4 of SE¼-4 of SE¼-4 Sec. 28, T. 18 N., R. 9 E., except a strip of land 30 feet wide off the west side thereof. The net area being 71.36 acres. Said tract was listed upon the application of J. H. Claridge, Safford, Arizona; List 3-2157. Approved December 1912, S. V. Prouditt, Assistant Commissioner of the General Land Office. Lists 3-2121, 2138, 2157. Jan. 17 to Feb. 7.

Seligman, Arizona  
Cattle branded on left ribs as in cut.  
Horses branded on left thigh as in cut.  
Also own cattle branded on left ribs or hip  
Range—Round Mountain and north of Ash Fork.

## CARDUI WORKED LIKE A CHARM

After Operation Failed to Help, Cardui Worked Like a Charm.

Jonesville, S. C.—"I suffered with womanly trouble," writes Mrs. J. S. Kendrick, in a letter from this place, "and at times, I could not bear to stand on my feet. The doctor said I would never be any better, and that I would have to have an operation, or I would have a cancer. I went to the hospital, and they operated on me, but I got no better. They said medicines would do me no good, and I thought I would have to die. At last I tried Cardui, and began to improve, so I continued using it. Now, I am well, and can do my own work. I don't feel any pains. Cardui worked like a charm."

There must be merit in this purely vegetable, tonic remedy, for women—Cardui—for it has been in successful use for more than 50 years, for the treatment of womanly weakness and disease. Please try it, for your troubles. N. B.—Write to: Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment for Women," sent in plain wrapper, on request.
