A. B. The great calamity in Omaha was quickly overshadowed by the terrible disastrous floods in Ohio. Great suffering and sickness from colds and exposure resulted. L. A slight cold in a child or a grown person holds possibilities of a grave nature. Croup may come on suddenly, bronchitis or pneumonia may develop, severe catarrhal troubles and consumption are possible results. Foley's Honey and Tar Compound nips a cold at the outset, cures croup quickly, checks a deep seated cough, and heals inflamed membranes. Will Marlar Pharmacy. Advertisement.

Decoration day will be observed on the 30th of the present month. It is the duty of the people to turn out and make this occasion one of the sacred events of the year. To honor our loved ones that have gone on before us by decorating their graves once a year is a tribute that we owe. Let us wend our ways to the silent city on the 30th and renew the memories that have been ever held dear and sacred.
