INSURANCE MAN VISITING FLORIDA

MEDICAL DIRECTOR OF THE UNION CENTRAL LIFE SPENDS DAY IN PENSACOLA.

Dr. John L. Davis, medical director of the Union Central Life Insurance Company of Cincinnati, with his daughter, Miss Dorothy Davis, was in the city yesterday and spent the day here.

Dr. Davis has been in Florida for several days, investigating health conditions in the state and to a Journal representative yesterday he expressed himself as highly pleased with the healthfulness of the state at large. He thinks, in fact, that Florida is a wonderful place and that the health of the state is something remarkable.

Yesterday afternoon Dr. Davis and his daughter were entertained on the bay by B. S. Williams, the company's West Florida agent. A fast launch was engaged and a trip made to the navy yard, the forts, and around the U. S. ships in the harbor. Those in the party were: Dr. Davis and daughter, Miss Dorothy; Dr. E. F. Bruce, Dr. W. A. J. Pollock, Judge E. C. Maxwell, Messrs. M. E. Clark, Theodore Leslie, L. E. Borgan and B. S. Williams; and Miss Louise Williams.

Dr. Davis says that Pensacola harbor is one of the most magnificent sheets of water he ever saw. He leaves this morning for Jacksonville.

New life and happy activity results. Mrs. Belle H. Chirel, Middlesborough, Ills., writes: "I have been troubled with liver complaint and poor blood, and have found nothing to benefit me like Herbine. I hope never to be without it. I have wished I had known of it in my husband's lifetime." 50c. Sold by all druggists.
