WAS ARRESTED UPON NUMEROUS CHARGES

MANAGER OF STREET FAIR TAKEN INTO CUSTODY FOR NOT HAVING PROPER LICENSE, AND ALSO FOR ENGAGING IN NUMEROUS FIGHTS.

Manager Berger, of the shows now located in the western portion of the city, was arrested several times yesterday. At least he is charged with having committed several violations of the law.

scene, it was stated, was anything but edifying.

The charges against him, as docketed at the police station are for assaulting R. Pons, fighting with V. Barrios, assaulting Ed. Weyer, Jr., and cursing Jas. Collins. He gave bond in each of these cases.

Manager Berger stated at the police station last night that all settlements with the band had been made, and that the trouble was caused by some negroes who were within the grounds cursing and whom he ordered to stop using such language.

Prof. Weyer stated last night that the difficulty was caused by the band being unable to reach an agreement as to playing and also as to the payment of money then due.

NEW EXPERIMENTS IN TURPENTINING.

The Savannah Weekly Industrial Record of March 4, contained the following article on New Experiments in Turpentine.

While the new system is not yet in use by all turpentine operators, its application is extending as rapidly as the necessary equipment can be secured.

Through the public-spirited and cordial co-operation of the Hillman-Sutherland Land Company of Jacksonville, Fla., a stand of about 40,000 pine trees in Clay county, Fla., with other facilities, have, without cost to the government, been placed at the disposal of the Bureau for experimental purposes.

The principal experiments now set on foot comprise the practical working of a number of different turpentine crops. One set of trees will be used to determine the best width of face to be cut on trees of different diameters.

Another set of trees will be used to demonstrate the rate in height at which weekly chippings should proceed in order to stimulate a full flow of resin.

Still another set of trees will be devoted to finding out how deep toward the center of the tree each streak should be chipped.

If it is a bilious attack take Chamberlain's Stomach and Liver Tablets and a quick cure is certain. For sale by all druggists.

PENSACOLA BUSINESS MEN MAKE VIGOROUS PROTEST

THEY DO NOT ASK CONCESSIONS FOR THEMSELVES AND THEY OBJECT TO "SUSPENSION" OF REGULAR LICENSE FOR TRANSPARENT SHOWMEN.

There was general indignation among the business men of the city yesterday morning when they learned from the columns of The Journal that the city license ordinance had been suspended for the benefit of a traveling amusement aggregation now in the city and a special license issued in lieu of the licenses called for by the ordinance.

A number of business men immediately drew up the following protest, which speaks for itself:

The Protest. To the Mayor and City Council of Pensacola:

We, the undersigned merchants and business men of Pensacola who pay full license and taxes and ask for no concessions, do hereby protest against the issuing of a special license to the Carnival Company now located on Garden street, and ask that you withdraw the special license granted:

COUGHED ALL NIGHT

But Got Quickly Cured by Chamberlain's Cough Remedy.

"A few mornings ago Mr. J. G. Smitherman, a good citizen of this place, came to the store for a cough medicine," says Dr. C. N. Parnell, of Maplesville, Ala.

"He was so hoarse that he could hardly talk and said he had coughed all the night before. I sold him a bottle of Chamberlain's Cough Remedy and told him that if it did not relieve him he might bring the bottle back and get his money. I saw him the next morning carrying the bottle to the store where he works, and he told me it did him more good than any medicine he ever used." For sale by all druggists.

ACTION OF JOCKEY CLUB A STUPENDOUS JOKE.

By Associated Press. Louisville, March 8.—Matt J. Wynn, president of the American Turf Association, has called a meeting of that body for next Tuesday, in Chicago, to confirm recently allotted dates and so over the rules and by-laws recently adopted at the New Orleans meeting.

Mr. Wynn was asked if any action would be taken regarding the outlawing of a number of horsemen by the Western Jockey Club.

"No, we will not recognize or take any notice of that action," said Mr. Wynn. "It is a stupendous joke."

Fought a Draw. Tacoma, Wash., March 8.—Jack (Twin) Sullivan, of Boston, and Tommy Burns, of Chicago, have fought twenty fast rounds to a draw here.

William Shaffer, a brakeman of Dennison, Ohio, was confined to his bed for several weeks with inflammatory rheumatism.

"Finally I sent to McCaw's drug store for a bottle of Chamberlain's Pain Balm, at which time I was unable to use hand or foot, and in one week's time was able to go to work as happy as a clam." For sale by all druggists.
