VAGRANCY LAW BILL HAS BEEN PREPARED

HON. J. N. WILSON, OF JACKSON COUNTY, REPORTS STRINGENT MEASURE TO BE INTRODUCED AT NEXT SESSION OF STATE LEGISLATURE.

Marianna, March 27.—Considerable has been said in the past few months in the press of the state about the necessity of a "Vagrancy" law in this state and suggestions that the next legislature pass such a bill. Hon. J. N. Wilson, of Sneads, Jackson county, and a representative-elect to the legislature has drafted a bill on that subject and will introduce it at the coming session of the legislature. Following is a copy of Mr. Wilson's bill:

Mr. Wilson's Bill. A bill to be entitled an act, declaring Vagrancy a misdemeanor in this state; defining and designating what class of persons shall be deemed and considered vagrants; providing for the arrest and apprehension of suspect vagrants; providing and adopting a rule of evidence for the trial of persons suspected and charged with being vagrants under the provisions of this act; and providing a penalty for those convicted of vagrancy, or of being a vagrant under the provisions of this act.

Be it enacted by the legislature of the state of Florida, That from and after the passage of this act all persons within the state of Florida, over the age of twenty years old, who come under or within any of the designations following in this section shall be held and considered to be vagrants, namely:

(1) Persons wandering or strolling about in idleness, who are able to work and have no property within the state of Florida and the county where they then are, to support them.

(2) Persons leading an idle, immoral or profligate life, who have no property in the state of Florida and the county where they are, to support them, and who are able to work and do not work.

(3) All persons able to work, having no property in the state of Florida, and county where they then are, sufficient to support them, and who have no visible or known means of a fair, honest and reputable livelihood. The term "visible and known means" as used in this Section shall be construed to mean reasonably continuous employment at some lawful occupation for reasonable compensation, or a fixed and regular income from property or other legitimate investment, which income is sufficient for the support and maintenance of such person.

(4) Persons having a fixed abode, who have no visible property to support them, and who live by stealing, cheating or defrauding, or by trading or bartering stolen property.

(5) Professional gamblers, who live in idleness, including keepers of gambling houses or places and all employees or attaches of or at such gambling houses or places.

(6) All keepers or inmates of houses of ill-fame, bawdy houses, or other places where any crime or vice is habitually indulged in or practiced, including all inmates of such places or houses who make such places or houses their usual place of residence or domicile.

(7) All able-bodied persons who beg for a living, or who quit their houses, and leave their wives or children without the means of subsistence.

(8) All persons who are able to work and who do not work, but hire out their minor children and live upon their wages or earnings. Sec. 2. All persons over the age of sixteen and under twenty-one years of age, able to work and who do not work and have no property to support them, and have not some known visible means of a fair, honest and reputable livelihood and whose parents are unable to support them, out of some legitimate employment or income and who are not in attendance upon some educational institution, shall be deemed and held to be vagrants.

Sec. 3. That any person convicted of vagrancy or of being a vagrant under either of the preceding sections of this act, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be fined not more than five hundred dollars or confined at hard labor in the county jail, or at hard labor for the benefit of the county for not more than six months, county for not more than six months, or by both fine and imprisonment at the discretion of the court; provided, however, that the trial judge may in his discretion after conviction, in lieu of such fine or imprisonment herein provided as a penalty, require that the said vagrant shall enter into a good and sufficient bond in the sum of five hundred dollars, with two justified sureties thereon, payable to the Governor of the state of Florida and his successors in office, conditioned for his industry and good conduct for one year.

Sec. 4. That it shall be a good and sufficient defence to the charge of vagrancy or of being a vagrant, under any of the provisions of this act, that the defendant has made a bona-fide effort to obtain honest and reputable employment at reasonable prices for his labor or services and that he has failed to obtain the same; provided, this shall be in the nature of a defense for the defendant, and the burden of the proof shall be on the defendant, when defending upon this ground.

Sec. 5. That in all prosecutions under paragraphs four (4), five (5), or six (6) of section one of this act, the nature and character of the person, house or place may be proved by proving the general reputation of such person or persons, house or place.

Sec. 6. It shall be, and is hereby made the duty of the sheriff and constables of every county in the state of Florida, the police and town mar-

shals, or other like officers in every city or town in this state to immediately give information under oath to any officer now or hereafter empowered by law to issue criminal warrants in cases of misdemeanor of all vagrants within their knowledge, or who they have good reason to suspect of being vagrants in their respective counties, cities or towns; and thereupon it shall be the duty of the officer before whom such complaint is made to cause a warrant to issue for the arrest and apprehension of such person alleged to be a vagrant, returnable before himself or before any other officer of the county having jurisdiction to try and determine same, for trial in accordance with law.

Sec. 7. That in every case of conviction under this act, whether by plea of guilty or otherwise, and without respect to the sentence or judgment of the court, the costs of the prosecution shall be taxed against the defendant and paid the same as in other criminal cases.

MACHINISTS WILL HOLD OPEN MEETING TO-NIGHT.

Their Licenses Revoked.

Tallahassee, March 27.—State Treasurer W. V. Knott has ordered the license, or certificate of authority granted to the Union Mutual Aid Association of America, doing business in Jacksonville, Pensacola and Tampa revoked. This association was doing a sick and funeral benefit insurance business. The assets of the concern were insufficient under the law to allow a continuance of the business.

Like Finding Money.

Finding health is like finding money—so think those who are sick. When you have a cough, cold, sore throat, or chest irritation, better act promptly like W. C. Barber, of Sandy Level, Va.
