A Proposition to Property Owners.

There are several reasons why it is best to have an agent attend to the handling of your property—and as many more why we should have that agency.

We have the best of facilities for calling the attention of prospective buyers that are unequalled. We have numerous inquiries from those desiring to buy homes and business property, both at home and abroad. If you have property to sell, list it with us for a ready purchaser. If you want to buy, tell us your wants. If you want to place your property for management, we can handle it so as to bring the greatest possible amount of interest on your investment. All correspondence answered promptly.
