PROMINENT LEADERS SPEAK ABOUT WHITE PRIMARY

THEY SAY THE MOVEMENT FOR WHITE SUPREMACY IS GROWING EACH DAY, ESPECIALLY SINCE THE ANTI'S MEETING OF THURSDAY NIGHT.

That the strength of the White Primary candidates is increasing with each day, is clearly shown by the comments made upon the streets...

That this speech had the effect of turning many voters away from Mr. Shine is conceded by all...

Prominent Men Speak. A number of men, who are always prominent in city affairs, were seen yesterday and expressed their views upon the White Primary...

Those who have had so much to say against Chas. H. Bliss on account of his alleged opposition to labor...

Other badges show him to have been a member of the National Farmer's Alliance and Industrial Union...

Another badge was worn by Mr. Bliss when he was secretary of the Indiana Reform Press Association...

Another badge, part of which is gone is one he wore as a member of the National Reform Press Association...

These things show how a man may rise from the very humble position of a teamster or a shoveller to the high and honorable positions he has filled...

There are other decorations and it would be well for those interested to take a look at them. They tell a story more powerful than all his enemies can concoct.

people many votes, and clearly established the fact that the White Primary will be a winner.

C. Moreno Jones—In my opinion, the White Primary candidates, to a man, are now much stronger than at any time since the campaign opened...

John B. Jones—The Primary candidates are gaining strength every day. I have no doubt, whatever, of the success of the White Democratic ticket at the election.

Dr. Warren E. Anderson—The Primary is a success. It is one of those cases where the White Primary advocates can well afford to stand pat.

J. Emmet Wolfe—In my judgment, Primary candidates have gained strength during the past ten days, and there is no doubt but that the entire ticket will be elected...

Frank Reilly—The primary movement is going ahead nicely, and I think every candidate has gained strength during the past few days, especially since the meeting of the Anti-Primary people...

T. A. Jennings—I have my first man to talk with—who does not believe that Bliss and the entire ticket, as nominated by the White Democrats of Pensacola, will win...

No man can cure consumption. You can prevent it though. Dr. Wood's Norway Pine Syrup cures coughs, Colds, bronchitis, asthma. Never fails.

Special to The Journal. Woolsey, Fla., May 20.—Twenty-three years ago a social club was organized in the town of Woolsey, Fla.

Mr. Clarence Marques, a native, was at the time of organization, elected to the honorable position of captain and has served faithfully in that capacity up to the present time.

The members of that noted club held a special meeting near a place known as Commodore's pond Saturday night and presented Captain Marques with a magnificent medal.

It is the intention of Captain Marques to have a life-sized portrait of himself made with the medal hanging on his breast and present it to the club.

SAGE LEAVES FROM BRENT

Special to The Journal. Brent, Fla., May 20.—Last Sunday it made several efforts to rain, but only succeeded in a few scattered sprinkles.

Monday we were agreeably surprised by the visitation of heavy showers—like we usually get in the rainy season of mid-summer.

The wind shifted to the north and gave our corn a southward lean—at an angle of about 45 degrees.

Tuesday night the temperature got down to the mountain standard for comfortable summer sleeping.

Oats are ripe; and the "sweet home" music of the reaping machine may be heard in Clifton's harvest fields.

Our plums are ripening now, and selling at 50 cents per peck. New Irish potatoes are very plentiful, and the price has fallen even with the value of the old crop.

Mrs. Geo. Marshall has reached her northern home in safety. Her son, Hugh Marshall, is "booked" to leave us this Saturday at 12:15.

The new naval stores plant at Goulding seems to be planning for a heavy crop of the pine woods products. The summer place has been purchased for the purpose, which was formerly the Boynton property.

Eight hundred feet of sheathing along the track will effectively protect the "route" from blockading snow drifts!

THOS. McMILLAN.
