**BILOXI TEAM
MAY PLAY HERE**

LCCAL CLUB MAY MEET THAT
FAST BASEBALL AGGREGA-
TION NEXT SUNDAY.

If the present movement succeeds the fast Biloxi baseball team will be seen in Pensacola next Sunday, when they will meet the Pensacolas. The local management is now in correspondence with the Biloxi manager and it is expected that a letter or telegram will be received within the next two days either accepting or rejecting the terms offered by the Pensacolas.

The Biloxi team is composed of about the same players as were seen on the local diamond last year. The team was one of the few that defeated Pensacola during the year, and the contest, if the game is arranged, will be exceedingly interesting.

The Pensacolas will have the strongest men possible in the game, and will make it exceedingly interesting for the visitors.

**PRIZE WINNERS
ARE ANNOUNCED**

CONTESTANTS FOR HIGH SCHOOL
MEDALS DO SUPERIOR
WORK THIS YEAR.

The announcement was made yesterday of the successful contestants for the W. A. Blount gold medal given for superiority in composition work, and the medal given by the local society "Sons of the American Revolution" on some specified subject dealing with the American Revolution.

The subject chosen this year for the Blount medal was "The Return of the Battle Flags." The competition was keen, but good natured, and as a result Dr. Whaley declares them to be the best produced in similar contests for several years. The winner of this prize is Mr. Dudley Barrow of the Senior class, second stand, Miss Oecla Clubs of the Junior class.

The subject of the S. A. R. is "John Paul Jones." Though the essays submitted were all excellent, one was particularly superior to the rest. This composition was the one written by Miss Nell Richards. Second and third honors were carried off by Mr. Dudley Barrow and Miss Sadie Fell, respectively.

Growing Aches and Pains.

Mrs. Josie Sumner, Bremont, Tex., writes, April 15, 1902: "I have used Ballard's Snow Lintment in my family for three years. I would not be without it in the house. I have used it on my little girl for growing pains and aches in her knees. It cured her right away. I have also used it for frost bitten feet, with good success. It is the best lintment I ever used." 25c, 50c, \$1.00. Sold by all druggists.

**PREPARING FOR
COMMENCEMENT**

THE ARMORY WILL BE USED AND
A PLATFORM IS NOW BEING
ARRANGED.

Preparations for the commencement exercises of public school No. 1, which are to occur next Wednesday night, are now being made, and it is expected that the event will be one of the most enjoyable, as well as largely attended, to be witnessed in Pensacola for a number of years.

The exercises this year will be held in armory hall, and Contractor J. M. Crona, who was awarded the contract for the work, has a force of men employed in erecting a stage and other fixtures for this occasion. The contractor expects to have this work completed by the end of this week or the first of next.

The exercises have heretofore been held in the opera house, but owing to the fact that this building is now undergoing a complete overhauling and remodeling, it was necessary for the school board to secure the armory and employ a contractor to arrange a platform.

**FINE MARINE ENGINE
NOW ON EXHIBITION.**

A fine 27 H. P. marine engine, of the Wolverine make, is now on exhibition at King & Runyan's and has attracted a great deal of attention there. It was purchased for W. W. Hughes, who is now building a boat on Bayou Texar. The boat is to be 50 feet over all, 16 foot beam.

EXPOSURE

The cold draughts of air, to keen and cutting winds, sudden changes of temperature, scanty clothing, undue exposure of the throat and neck after public speaking and singing, bring on coughs and colds. Ballard's Horehound Syrup is the best cure.

Mrs. A. Barr, Houston, Texas, writes, Jan. 31, 1902: "One bottle of Ballard's Horehound Syrup cured me of a very bad cough. It is very pleasant to take." 25c, 50c, \$1. Sold by all druggists.

**THE DEMOCRATIC RALLY
AT THE ARMORY TO-NIGHT**

SUPPORTERS OF WHITE PRIMARY

ELOQUENT ADDRESSES FROM
WELL KNOWN SPEAKERS.

though it has been conducted in some respects more quietly than most of the preceding municipal contests, has attracted attention throughout the state and this fact coupled with the prominence and character of the speakers who will address the meeting to-night promises to make this occasion a notable one.

The Democrats of Pensacola will hold the first rally of the present campaign at the Armory hall to-night, when the following well-known gentlemen will speak:

Senator S. R. Mallory,
Hon. Jno. S. Beard,
Judge J. Emmet Wolfe,
Hon. Chas. H. Bliss, Democratic candidate for mayor.

Chairman John B. Jones, of the City Democratic Executive Committee, will preside and introduce the speakers.

The present campaign in Pensacola, though it has been conducted in some respects more quietly than most of the preceding municipal contests, has attracted attention throughout the state and this fact coupled with the prominence and character of the speakers who will address the meeting to-night promises to make this occasion a notable one.

The ladies particularly are invited to be present to-night, as special provision will be made for their comfort. Chaffers' band will furnish music and several musical selections will be rendered in the hall previous to the beginning of the speaking.

"It was almost a miracle. Burdock Blood Bitters cured me of a terrible breaking out all over the body. I am very grateful." Miss Julia Filbridge, West Cornwell, Conn.

Considerable confusion was occasioned yesterday by the announcement in The Journal of the \$1.00 excursion to Gulfport, Miss. The announcement was in error in saying that this rate applied from Pensacola as it only applies from Mobile and points on the other side of that city.

This error grew out of the fact that a special committee of Pensacola railroad employees was appointed to work up interest in the affair here, but it is understood that the full rate will have to be paid from Pensacola to Mobile.
