QUIET HOME WEDDING OF A LOVELY HOME GIRL.

The handsome residence of Mr. and Mrs. John G. Wood was the scene Wednesday of a beautiful May morning wedding when their lovely daughter Miss Minnie Carlisle Wood and Mr. Floyd A. Manke, of Indianapolis, Ind., recently of the U. S. Navy, were married.

The wedding which took place at eleven o'clock was a very quiet one, owing to the recent death of the bride's grandmother, only the immediate family and a very few very close friends being present.

The informal decorations consisted of very beautiful and artistically arranged growing palms and ferns brightened by cut poppies, roses and nasturtiums, and varied by the many handsome presents received up to the last moment.

As Mrs. J. M. Flinn rendered Mendonson's wedding march the bridegroom and the clergyman entered from the sitting room through the east door into the parlor where they awaited for a moment the coming of the bride who entered with her father through the dining room. She was met by the bridegroom into whose keeping the father soon gave her and with an impressive ceremony they were pronounced husband and wife.

After an informal reception of good wishes, a delightful wedding breakfast was served after which Mr. and Mrs. Manke left on the noon train for their future home in Indianapolis.

The bride was married in her traveling suit, a smart and extremely becoming tailored creation of brown silk with hat gloves and other accessories to match. She is one of Pensacola's prettiest and most charming girls and will be greatly missed in her social set and in philanthropic circles as in the dear home which she has left to go with "the one man in all the world."

The happy and fortunate bridegroom whose connection with the navy as apothecary on the U. S. S. Massachusetts expired on Friday, in his visits to this city has won the admiration and esteem of all who met him, among whom good wishes for, and predictions of mutual happiness and prosperity are universal.

EXCELSIOR FLINCH MET WITH MRS. GERALDS.

Mrs. James T. Gerald's pleasantly entertained the Excelsior Flinch Club last evening. There were four tables and after the games the most delightful cake, ice creams and punch were served.

The next meeting will be with Mrs. Lamar.

In accordance with a pretty custom, beautiful gold bowls spoons were presented to the "Club Babies" who were born during the year. "Dorothy," daughter of Mrs. Charles Rice, received one and "Mattie," daughter of Mrs. Angus H. McMillan, one, each beautifully engraved with her name and "From Excelsior Flinch Club."

PAYS TO BE DECENT.

A young man of temporary residence in Florida, ended a wretched and mis-spent life by suicide in New York a day or two ago. When he first began to have fun, to place the coarse pleasure of life above duty and obligation and decency, he had no idea of the end. He fancied he could step back into the straight highway at any moment. But the event shows how terribly he was mistaken. It is not the purpose to preach a sermon, but merely to repeat the declaration that it pays to be clean and decent and honorable and industrious and dutiful to be a man.—Tampa Times.

FOR THE BLOOD

"S. S. S. for the blood" has grown to be a household saying. When the blood is out of order, or needs treatment from any cause, this great remedy is the first thought of and used by thousands of people all over the country, because it is superior to all other blood purifiers. It is a purely vegetable remedy, and while it penetrates the circulation and forces out all poison and morbid matter, it also builds up the entire system by its fine tonic effect. During the winter months the natural avenues of bodily waste have become dull and weak and failed to perform their full duty, the blood has been sluggish and an extra amount of poisons and waste matters have accumulated in the system and been absorbed by it. With the coming of Spring and warm weather the blood is aroused and stirred to quicker action and in its effort to throw off these acids and poisons the skin suffers. Boils, pimples, blotches, rashes and eruptions break out and continue until the blood is cleansed and made pure. S. S. S. is the ideal remedy for this condition; it clears the blood of all impurities, makes it rich and strong and these skin troubles pass away. Rheumatism, Catarrh, Chronic Sores and Ulcers, Contagious Blood Poison and all other diseases of the blood are cured by S. S. S. Book on the blood and any advice desired, free of charge.
