The removal of the court house from Vernon to Chipley seems to be the popular subject of conversation, and work now. Chipley sent in a petition for an election last week with 140 more names than were needed, but owing to the failure of many to register it was about 40 short. They are whooping it up again and expect to call an election in September with favorable results for Chipley.

**Long Life Liver and Kidney Cure**

was discovered and furnished to the Long Life Remedy Company by Father H. E. O'Grady.

Office of Judge J. W. Owen, Edwardsville, Ala.  
Long Life Remedy Co., Anniston, Ala.  
Gentlemen—I have been a sufferer of chronic constipation and indigestion for the past fourteen months. I have been unable to sleep after 2 o'clock a. m., and have had a feeling of smothering; have tried two or three doctors and got no relief. Last Thursday I began using your

**Long Life Liver and Kidney Cure**

**DRIFTING TOWARDS BRIGHT'S DISEASE**

Many people who are neglecting symptoms of kidney trouble, hoping "it will wear away," are drifting towards Bright's Disease, which is kidney trouble in one of its worst forms.

**FOLEY'S KIDNEY CURE**

stops irregularities, strengthens the urinary organs and builds up the worn-out tissues of the kidneys so they will perform their functions properly. Healthy kidneys strain out the impurities from the blood as it passes through them. Diseased kidneys do not, and the poisonous waste matter is carried by the circulation to every part of the body, causing dizziness, backache, stomach trouble, sluggish liver, irregular heart action, etc.  
If you have any signs of Kidney or Bladder Trouble commence taking FOLEY'S KIDNEY CURE at once, as it will cure a slight disorder in a few days and prevent a fatal malady. It is pleasant to take and benefits the whole system.

**How to Find Out.**  
You can easily determine if your kidneys are out of order by setting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased, and FOLEY'S KIDNEY CURE should be taken at once.

**G. B. Burhans Testifies After Four Years.**  
G. B. Burhans of Carlisle Center, N. Y., writes:  
"About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick-dust sediment and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed, and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble."
