Seen, Heard and Done Among Those Who Go, Come and Tarry—Women and Society, Here and Elsewhere.

A CONTINUOUS PERFORMANCE

They passed in review, they mustered on parade. On the turf of their own home-land they hoped and the pride of a dashing brigade.

They mastered the art of the shovel and pick. While building a highway to fame, and arduously cursed at the burrowing "tick."

They conquered the streams which frantically sped. Down the aisles of the pumice-stone kilns; The blue for a roof, a hammock for bed.

They riddled the works of a Mindanao fort. And silenced the lantaka's "fish." They struggled in mud of the dolerite sort.

Withdrawing their feet with a "swish." Then pitching their tents ere the close of the day.

With victory close in their wake, The phantom of hunger is driven away by the aid of a caribou steak.

Then back to the home-land the heroes return, Bedraggled, begermed, unstrung; For relics—a campolin, bolo and urn From Mania Datto Marung.

A few years at home among those they love well, Recruited in health and quite sane "Feeling their oats, they just want to yell."

Four Facts For Sick Women To Consider

Lydia E. Pinkham's Vegetable Compound Has an Unequalled Record of Cures—Mrs. Pinkham's Advice Is Confidential, Free, and Always Helpful

First.—That almost every operation in our hospitals performed upon women becomes necessary through neglect of such symptoms as backache, irregular and painful menstruation, leucorrhoea, displacements of the uterus, pain in the side, burning sensation in the stomach, bearing-down pains, nervousness, listlessness and sleeplessness.

Second.—The medicine that holds the record for the largest number of absolute cures of female ills is Lydia E. Pinkham's Vegetable Compound. It regulates, strengthens and cures diseases of the female organism as nothing else can.

For thirty years it has been helping women to be strong, curing backache, nervousness, kidney troubles, all uterine and ovarian inflammation, weakness and displacements, regulating menstruation perfectly and overcoming its pains. It has also proved itself invaluable in preparing for childbirth and the change of life.

Third.—The great volume of unsolicited and grateful testimonials on file at the Pinkham Laboratory at Lynn, Mass., many of which are from time to time published by permission, give absolute evidence of the value of Lydia E. Pinkham's Vegetable Compound and Mrs. Pinkham's advice.

Fourth.—Every ailing woman in the United States is asked to accept the following invitation. It is free, will bring you health and may save your life.

Mrs. Pinkham's Standing Invitation to Women.—Women suffering from any form of female weakness are invited to promptly communicate with Mrs. Pinkham, at Lynn, Mass. All letters are received, opened, read and answered by women only. Frequent symptoms given, your trouble may be located and the quickest and surest way of recovery advised. Out of the vast volume of experience in treating female ills Mrs. Pinkham probably has the very knowledge that will help your case. Surely, any woman, rich or poor, is very foolish if she does not take advantage of this opportunity of assistance.
