

WHEN YOU CATCH COLD

Do not take chances on it wearing away or experiment with some unknown preparation which may leave the bronchial tubes and lungs weakened and susceptible to attack from the germs of Pneumonia or Consumption.

FOLEY'S HONEY AND TAR

It Saved His Life After the Doctor Said He Had Consumption.

W. R. Davis, Visalia, California, writes: "There is no doubt but what *Foley's Honey and Tar* saved my life. I had an awful cough and the doctor told me I had consumption. I commenced taking *Foley's Honey and Tar* and found relief from the first and three bottles cured me completely."

Three sizes—25c, 50c and \$1.00. The 50-cent size contains two and one-half times as much as the small size and the \$1.00 bottle almost six times as much. Refuse Substitutes.

Several coupons received were so soiled they were thrown into the fire. Two were so faintly written as to be illegible.
A few of the Puzzlers who missed only one answer are given special mention.

Nearly Correct.
Arthur and Manuel Johnson, "No. 2, Oklahoma."
Mr. Maye, is as proud of his Puzzle Army and each individual Puzzler as you all are proud of that "Slippery Old Dollar" when you get it, Miss Kathleen. "Keep on Keepin' on."

Mamie Gardner sends a little note enclosing correct answers but as no name nor address were on the coupon, she lost a chance at the dollar, to the regret of the editor. But, as no one but the Puzzler is authorized to sign the coupons and blanks are not drawn, there was nothing left but to leave Miss Mamie's coupon out. It is the only way that is fair to all the Puzzlers.
From among the letters received three of the shortest and best have been selected, as there is not space to print all.

Your little friend, Mary R. Hilburn."
Glad you are home little friend—did you not hear me answer your shouts of joy? O. K., but "No. 2, Oregon."
"Mr. Editor—Our teacher here whose home is in Pensacola takes The Journal. I saw your puzzles and decided to try them. I do wish my guesses would be right. My name is Willie Griffin, Robinsonville, Ala."

You are O. K. Master Willie. Try again and tell us your teacher's name.
"My Dear Mr. Maye—I have just received your check for \$1.00 which I was fortunate enough to win in the puzzle contest last week, for which I send you my heartfelt thanks.
"I was just as proud as I could be, and I felt several inches taller than I did before, and am greatly encouraged to keep trying. Your grateful little Puzzler, Kathleen McKinnon, Muscogee, Fla."

Dr. Finn's Testimony Interesting.
Dr. Thomas Finn, of Boonsboro, Md., who has practiced medicine for 32 years, says he has used every prescription known to the profession for treatment of kidney and bladder diseases, and says he has never found anything so effective in both chronic and acute kidney and bladder trouble as Foley's Kidney Cure. It stops irregularities and builds up the whole system. W. A. D'Alemberte, Druggist and Apothecary.

RHEUMATISM CAN NOT BE RUBBED AWAY

When the joints are sore and swollen, and the muscles throbbing with the pain of Rheumatism, relief must be had at once, and it is natural to rub the affected parts with liniments, oils, etc. This treatment does good in a way, by temporarily relieving the pain and reducing the inflammation, but has no effect on the disease itself, because Rheumatism is more than skin deep; it is in the blood and cannot be rubbed away. Rheumatism is brought on by indigestion, weak kidneys, poor bowel action, stomach troubles and a general sluggish condition of the system. The refuse and waste matters, which should be carried off through the natural avenues of bodily waste, are left to sour and form uric acid and other irritating poisons which are absorbed by the blood, making it thick, weak and acid. Then instead of nourishing the different nerves, muscles, joints and tissues it fills them with poison to produce the aches, pains and other disagreeable symptoms of the disease. Rheumatism is usually worse in Winter for the reason that cold and dampness are exciting causes. The nerves become excited and sting with pain, the muscles are sore and drawn, the joints swollen and stiff and the sufferer lives in intense agony; and if the disease is not checked it often leaves its victims helpless cripples for life. Rheumatism cannot be rubbed away but it can be driven from the blood by S. S. S. Being a perfect blood purifier this great remedy soon produces a complete change in the entire circulation; the thin, acid blood is made pure and rich, and as it goes through the body nourishes and soothes the irritated nerves, eases the throbbing muscles, and dissolves and carries out of the system the irritating particles in the joints which are keeping up the pain and inflammation. S. S. S. cures Rheumatism permanently, and in addition tones up the digestion and stimulates the different members of the body to their full duty so there is no cause for another attack. Do not waste time trying to rub Rheumatism away, but get it out of the blood with S. S. S. so that the cold and dampness of Winter will not keep you in continual pain and agony. Special book on Rheumatism and any medical advice will be given free.

While at work for the F. C. & P. R. R. in the swampy region, I contracted Rheumatism and was completely helpless for about four months and spent over \$150.00 with doctors, but got worse every day, and finally quit them and began S. S. S. I took a few bottles and was cured sound and well. My health is now splendid, and I weigh 175 pounds. There is a lady living near me who is now taking S. S. S. for acute Rheumatism. For two months she could not turn herself in bed, but since beginning your medicine about three weeks ago has improved rapidly, and is now able to sit up. I can recommend S. S. S. to all suffering from Rheumatism. Vlah, N. C. S. C. LASSITER.

I was severely troubled with Rheumatism. I had it in my knees, legs and ankles, and any one who has ever had Rheumatism knows how excruciating the pain is and how it interferes with one's work. I was truly in bad shape—having been bothered with it for ten years, off and on. A local physician advised me to use S. S. S. I did so. After taking two bottles I noticed the soreness and pain were greatly reduced. I continued the medicine and was thoroughly cured; all pain, soreness and inflammation gone. I recommend S. S. S. to all Rheumatic sufferers. Y. L. AGNEW, 808 E. Greenbrier St., Mt. Vernon, O.
