### ABSTRACT OF TITLE

TO THE PROPERTY.

### IS YOUR TITLE GOOD?

That is the all important question. If you want it answered quickly and correctly, come to us. We make it our business to find the answer.

If you have any real estate to sell, let us make you an abstract now. Don't wait until you have found the purchaser, but have the answer ready before hand.

An Abstract will not make a good title out of a bad one, but it will often enable the owner to do so by showing him existing defects which he may be able to remedy.
