## To the Public Free

To those who have contracted the habit of taking one or some of the dangerous advertised remedies this communication is particularly addressed.

If you take some of the various so-called tonics, dyspepsia remedies, kidney, liver or stomach cures, cures for insomnia, if you are in the habit of taking daily doses of effervescent salts for the nerves, or cathartics for constipation, nostrums advertised to clear the blood, take away pimples, clear the skin, etc., apparently harmless but highly dangerous advertised headache cures—then we say try us without a cent of cost to you.

100,000 people die annually in America from the use of dangerous headache, heart and kidney remedies.

Bromonia is absolutely harmless and more effective as a cure for the above complaints than anything known to Medical Practitioners. Not a patent nostrum.

Cut out coupon at the bottom of this article—send it to us. You will receive a package free of cost. Be sure to write name and address plainly. \$5,000 will be paid to anyone who can show that Bromonia is not absolutely safe to take. Formula furnished to any physician. Hospitals and doctors supplied in bulk free of charge.

## WONDER GASOLINE ENGINES

THE ENGINE OF FEW PARTS

## This Cut Shows Our New Two-Cylinder Three-Horse Power Engine.

This is one of the most compact and lightest engines of its power on the market.

The simplest engine on earth. Only one-third the number of parts found in other engines.

Two-cycle, three-port, jump-spark, no valves, gears, etc. Ignition by jump spark is far superior to all other methods, owing to its more positive action, least liability to disarrangement, and what is most important, it furnishes the greatest range of adjustment. It is simpler and more economical, as batteries will last twice as long with the jump-spark system as they do with the make and break or contact system.

Considering efficiency, workmanship and material, we have the lowest priced outfit on the market.

Insist upon having your new launch equipped with a Wonder Engine. If your boat builder will not furnish the "Wonder," we can fit you out with a launch complete with a New Wonder Engine.

Wonder Marine Engines 1 1/2 to 24 H. P. Stationary Engines 1 1/2 to 6 H. P., also Saws, Pumping and Lighting outfits. Circular free. Send stamp for catalogue.
