The Care of Feet

is a question of importance to everyone owning a pair. One pair's all you have, at least we have no record of a possessor of more than one pair of feet. Now, to take care of them properly, you should wear a pair of Howard & Foster Oxfords, in tan, or black vici (they cost but \$3.50 and \$4.00) and your feet will carry you everywhere you go in perfect comfort as long as you live.

HELPFUL ADVICE

You won't tell your family doctor the whole story about your private illness—you are too modest. You need not be afraid to tell Mrs. Pinkham, at Lynn, Mass., the things you could not explain to the doctor. Your letter will be held in the strictest confidence. From her vast correspondence with sick women during the past thirty years she has gained the very knowledge that will help your case. Such letters as the following, from grateful women, establish beyond a doubt the power of

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

to conquer all female diseases. Mrs. Norman R. Barnard, of Allentown, Pa., writes: "Ever since I was sixteen years of age I had suffered from an organic derangement and female weakness; in consequence I had dreadful headaches and was extremely nervous. My physician said I must go through an operation to get well. A friend told me about Lydia E. Pinkham's Vegetable Compound, and I took it and wrote you for advice, following your directions carefully, and thanks to you I am today a well woman, and I am telling all my friends of my experience."

FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, fatigues, indigestion, dizziness, or nervous prostration.

appreciation.

An eight-story hotel on an elevated bluff, with a lofty flagpole, and the name emblazoned in electric letters would be attractive far out on the way to Panama. An inclined elevator from bath houses and pleasure boating on the beach, with elegant wharf for landing of excursion steamers, would revive the scenes of ante-bellum, when a 200-room hotel, near the site of Muscogee wharf, was overflowing with guests from Mobile and the Crescent City—in 1836 to '40. Where shall the New Era hotel be built? THOS. McMILLAN.

WORKING MEN FOR GILCHRIST

MAX MORITZ'S CHANGE OF FRONT DOES NOT AFFECT SENTIMENT.

The following telegram from the Secretary of the Florida State Federation of Labor explains in a measure the message published in Sunday's Journal, and also shows that the Stockton forces are grasping at straws:

Tampa, Florida., June 14. L. P. Head, Organizer A. F. of L., Pensacola, Fla.

Circular in Central Union Times signed officially by me. Can't understand the present position of Max Moritz. The circular represents views of nearly all laboring people. Have this published: J. A. ROBERTS, State Federation of Labor.

N. B.—2500 Florida Cigar-Makers are NOW IDLE as the result of sumptuary laws. Do you want the REMAINDER of them to be IDLE? GILCHRIST WILL WIN BY AT LEAST 5,000 VOTES.
