Chicago Glee Club Tonight. The first attraction in the Lyceum course appears at the Knights of Columbus hall, East Garden street, at 8 o'clock tonight when the Chicago Glee Club will give one of its rare entertainments.

One of the features of this attraction is the character sketches by C. H. Dixon. Mr. Dixon has been giving impersonations with the club for several seasons. He presents all of his characters in make-up, taken from life, wholesome, refreshing, real, never overdrawn or exaggerated. His "Hoosier", an original sketch, illustrated with poems by James Whitcomb Riley, and "Squire Hawkins's Story" are conceded to be among the very best bits of characterization on the platform.

The entire program of the entertainment tonight is said to be superior to anything of the same kind heretofore heard in Pensacola.

## THE HURRICANE WARNING DOWN

WEATHER BUREAU, WHICH DISPLAYED DREADED SIGNAL DURING DAY, RECEIVED INSTRUCTIONS TO LOWER IT LAST NIGHT.

After flying the dreaded hurricane signal throughout the day and a portion of last night, the local weather bureau at 9 o'clock last night received instructions from the central office at Washington that there was no further danger from the disturbance in this section and to cease displaying the signal.

The warning went up yesterday morning, but beyond a low barometer there were no indications during the day that the storm was approaching Pensacola, and late in the afternoon the bureau was advised that the disturbance was between Key West and Jupiter, moving northeast.

A high wind and heavy rain prevailed at Key West, the wind reaching a velocity of 78 miles an hour from the northeast at that place, according to advices received by the weather bureau last night. The following received last night showed conditions at various places at 7 o'clock p. m., when observations were taken.

## FOOTBALL IN LOCAL FIELDS

TWO STRONG TEAMS IN AS MANY SCHOOLS HAVE BEEN ORGANIZED AND GOOD SCHEDULES OF GAMES HAVE BEEN ARRANGED.

With the championship games of this week ends the reign of basemall for the year, and until Thanksgiving lovers of sport will center their interest in football. It is no longer the game of school boys and college men fighting for the honor of the institutions they represent. Though Pensacola is out of the zone of the "big games," we may look forward to some pretty contests here, for earnestness and enthusiasm are already developing two teams that will offer to football lovers good exhibitions of the game.

Classical School Team. The Pensacola Classical School boys, still smarting under the defeat of a year ago at the hands of their local rivals were first in the field for practice this season. The work has been progressing steadily and those in charge have been doing everything to whip the raw material into shape. Although the material is rather light for a high school team, it bids fair to develop into as fast a working machine as the one which represented the school two years ago which went through the entire season without a score against it. About half the squad have been in previous games and some of these have shown good playing qualities.

Under their coach, Mr. Woodrow, who has had several years experience as a player, the last being with the scrub squad of Princeton University, assisted by Volney Phillips, they should be in pretty good fighting trim before the several contests to be held here a little later in the season.

High School Team. The High School, or to speak more correctly, public school No. 1, bids fair to put out the best aggregation they have had in years. It has out a large practicing squad, in which are included some of the best athletes in school circles in Pensacola—Coleman, Shuttleworth and Fell would be good additions to any school team. From point of view of weight the latter team seems to have some advantage over the Classical and with the coaching they are receiving at the hands of Mr. Welch they have strong faith in their ability to repeat the trick they played on the Classical's last year.

Schedule of Games. The schedule of the Classical School will include a game in Pensacola with each of the following:

University Military School, of Mobile, probably Oct. 23; Mobile Military Institute, probably Nov. 6; Brewton Collegiate Institute, Nov. 12; Pensacola High School, Nov. 25, and possibly a game with Barton Academy. The other games to be played by the Classical will be outside of Pensacola, the first one taking place next Saturday with the Brewton Collegiate Institute in Brewton.

She Was Pleasantly Surprised. Miss H. E. Bell, Wausau, Wis., writes: "Before I commenced to take Foley's Kidney Pills I had severe pains in my back, could not sleep, and was greatly troubled with headache. The first few doses of Foley's Kidney Pills gave me relief, and two bottles cured me. The quick results surprised me, and I can honestly recommend them."

## MADAM, DO YOU KNOW YOUR DANGER?

Do you realize the seriousness of symptoms of diseased kidneys and bladder and what the result may be?

Do you know that there are, today, thousands upon thousands of poor, wretched, suffering women dragging themselves about in a "dead-and-alive," nervous, hysterical, exhausted state—unable to work—seeing no happiness or pleasure in life?

And do you know that in a great majority of cases these suffering women are afflicted (as, possibly, you are afflicted) with some form of kidney and bladder disease? That's what it is. There may be other minor derangements, too—but look out for your kidneys and bladder.

Whenever there is anything wrong with the Kidneys and Bladder, a good way to be sure of the fact is to give an honest remedy, such as De Witt's Kidney and Bladder Pills an honest trial. Then, if there is anything wrong with your Kidneys and Bladder, these unparagoned beneficial Pills will at once rectify it, in nearly all cases. Then you will know what was the matter.

DeWitt's Kidney and Bladder Pills are especially intended for any and

DeWitt's Kidney and Bladder Pills are especially intended for any and

all derangements of the Kidneys and Bladder, in men or women. They are thoroughly antiseptic, soothing, healing, tonic and reconstructive in action, and cannot do anything but benefit you.

If you experience such distressing symptoms as constantly recurring "sick headaches," exhausting, dragging pains in the back, groin and limbs, swollen and bloated extremities, excessive nervousness and hysteria, languor and "fagged-out" feeling—you may be certain that your system is loaded with that deadly uric acid poison which causes all Kidney and Bladder derangements. Then it's time to call a halt.

And then why not give De Witt's Kidney and Bladder Pills a trial? Nearly all druggists sell them, but their manufacturers are so anxious to have every man and woman afflicted with any derangement of the kidneys and bladder try these pills, and learn what they will really do, that they offer to send a trial box, free of all cost, to anyone who will take the trouble to write for it. Write for it to-day to E. C. De Witt & Co., Chicago—you do not know how much this may mean to you.
