TIMBER LAND DEAL CLOSED W. D. OWENS, JR., BUYS 2,700 ACRES IN BALDWIN COUNTY FROM SOUTHERN STATES LUMBER CO.—WILL TURPENTINE TIMBER NEXT YEAR.

W. D. Owens, Sr., president of the Owens Naval Stores Co., was in the city yesterday, having just concluded a deal with the Southern States Lumber Co. for some 2,700 acres of Baldwin county timber land.

Some time ago Mr. Owens closed a deal with the same company by which another one of his firms, Owens & Co., will turpentine all of the timber ahead of the Southern States Lumber Co's mills. Thirty crops of boxes were cut on this tract during the present year and the output will be increased next year. This timber is located in Escambia county, Ala.

Mr. Owens believes that there are better times ahead for the naval stores industry and he is planning to take advantage of them.

The Dyspepsia Of Old Age

Strong Digestion and an Adequate Nutrition Invariably Mean a Long and Healthy Life.

There is a process known as metabolism going on constantly in the body, and by which the tissues are built up, and after having served their purpose in the physical economy, are torn down and cast off.

So long as the due relation between waste and supply is maintained, nutrition, and the various functions of the body are maintained. But after middle life and in old age there comes a time when waste exceeds supply, and when the various elements which constitute the different fluids, tissues and organs no longer find their due proportion, and the principle of life itself becomes enfeebled, the body no longer having power to assimilate new material as it once did.

As old age creeps on, all the functions gradually fall, especially those of digestion, absorption and assimilation, and the system being deprived of its full quota of nutriment, slowly wears out. If the nutritive and digestive processes of old people could be maintained unimpaired, life could be prolonged almost indefinitely.

There are many old persons in whose stomachs the gastric function is almost entirely lost. When this trouble occurs, the problem is, how to digest the food and get along without the natural stomach juices. There is but one way to overcome the effects of this condition, and that is to supply artificially to the stomach a powerful digestive substance to take the place of the juices which it fails to secrete naturally.

For this purpose, there is nothing superior to STUART'S DYSPEPSIA TABLETS known to medical science, as they supply the deficiency, and are such a reliable and thoroughly efficient substitute for the natural gastric juices, that if two or three are taken after each meal, the food will be digested in so complete a manner, that the natural digestive fluids will never be missed.

Stuart's Dyspepsia Tablets should be used by all old and middle aged persons, in order to prevent or cure the dyspepsia of old age. Through their use complete digestion of the food is assured, with a consequent increased nutrition of the body, and a staving off of the sensibility and decrepitude of old age.

This remedy is, however, not only good for the indigestion incidental to advanced life, but is also applicable to the dyspepsia and stomach troubles of any age, from youth up.

Secure a package of this famous dyspepsia remedy from your druggist for 50c and if you find that as you get older, your digestion and assimilation becomes weaker, this remedy will assist the stomach in the performance of its functions, so that the general system will not suffer from the delinquency of the digestive organs.

A sample package will be sent you if you will forward your name and address to the F. A. Stuart Company, 150 Stuart building, Marshall, Michigan.

PERMITS FOR 11 BUILDINGS WERE ISSUED

ONE REAL ESTATE MAN WILL ERECT EIGHT DWELLINGS, WHILE LARGE RESIDENCE AND GARAGE ARE REST PROVIDED FOR.

Eight dwellings, to cost \$600 each, one residence to cost \$2,250, and a garage, to cost \$10,000, were provided for in permits which were issued from the office of the building inspector yesterday, and this activity promises to keep up for the present season, at least, as many building are in contemplation.

The eight dwellings will be erected on Ninth avenue between the Hernandez street intersection, at a cost of \$4,800 or \$600 each. The buildings will take up the space of an entire block, and work will be started next day.

A permit was also issued for the erection of a residence to Mrs. Mary E. Alfred, on block 113, lot 4, New City, to cost approximately \$2,250. The dimensions of this place will be 29x26.6.

A garage 80x50 feet will be erected on West Garden street, the contracting firm of S. F. Fulghum & Co. having yesterday obtained the permit for such a building. Prints in the office of the building inspector gave an idea of how the building would appear when completed. It will be of reinforced concrete, will cost \$10,000, and Messrs. Prooks and D'Alamberte, and the owners. Excavations have already been made for the building, but the permit was only yesterday issued for the building.

The building inspector has just been let off from a week's jury duty and was in his office yesterday attending to many duties calling for attention. In the afternoon he met a New Orleans architect and in his spare moments is familiarizing himself with every detail of the new building law which he hopes the council will pass tomorrow night.

MOTHER WANTS INFORMATION ABOUT HER BOY

IS SUPPOSED TO HAVE COME TO PENSACOLA WITH THE BARNUM & BAILEY CIRCUS, RUNNING AWAY FROM SCHOOL AT BIRMINGHAM.

There is an anxious mother in Atlanta, who is endeavoring to locate her young son. The latter is supposed to have come to Pensacola with the Barnum & Bailey circus, running away from school in Birmingham on November 12th and following the show to this city. This is her letter to The Journal:

Atlanta, Ga., Dec. 5. Editor Pensacola Journal: I write you to know if I can get some information regarding my little boy who, I am told, followed Barnum & Bailey's circus to Pensacola and remained in your city. He is 12 years of age, weighs about 110 pounds, has full eyes, with dimples in his chin. He wore a dark blue serge suit and a black cap when last seen. Any information about him will be thankfully received.

ITCHED A YEAR: CURED IN A WEEK

Hands Cracked Open, Bled, Burned and Ached—Could Not Sleep nor Even Dress Himself—Professional Treatment Failed to Help Him.

MAN OF 70 OWES SKIN COMFORT TO CUTICURA

"I am a man seventy years old. My hands were very sore and cracked open on the insides for over a year with large sores. They would crack open and bleed, itch, burn and ache so that I could not sleep and could do but little work. They were so bad that I could not dress myself in the morning. They would bleed and the blood dropped on the floor. I called on two doctors, but they did me no good. I could get nothing to do me any good till I got the Cuticura Soap and Cuticura Ointment. About a year ago my daughter got a cake of Cuticura and one box of Cuticura Ointment and in one week from the time I began to use them my hands were all healed up and they have not given a pain since. I would not be without the Cuticura Remedies.

"They also cured a bad sore on the hand of one of my neighbors' children, and they think very highly of the Cuticura Remedies. S. H. Birmingham, N. H., Mar. 5 and Apr. 11, '09."

For Baby's Skin

The purest, sweetest and most economical method of preserving, purifying and beautifying baby's delicate skin, scalp and hair is the constant use of Cuticura Soap, assisted, when necessary, by gentle applications of Cuticura Ointment. For rashes, eruptions, irritations and chafings of infants, children and adults, as well as for shaving, shampooing, sensitive, anti-itching, and all purposes of the toilet, bath and nursery Cuticura Soap and Ointment are unrivaled.

KRESS MAKES DONATION TO POOR OF CITY

LARGE QUANTITY OF TOYS AND THIRTY BOXES OF CANDY FOR DISTRIBUTION BY THE LADIES' AUXILIARY OF THE ELKS.

One of the first donations to be received by The Journal for distribution by the Ladies' Auxiliary to the Elks was that of yesterday, when the Kress store sent in a large assortment of toys and thirty boxes of candy, which will go far towards making many little ones of the city happy on Christmas morning.

The Ladies' Auxiliary to the B. P. O. E., following their usual custom, will this year make a distribution of toys, candies, etc., among the poor children of the city, and will be pleased to receive gifts from anyone. In sending in the donation yesterday the Kress store sent the following letter:

"Pensacola, Fla., Dec. 7, '09. 'Ladies' Auxiliary of the Elks: 'By bearing we are sending six dollars worth of toys and thirty boxes of candy for distribution among the little ones of the city.

"May the good people of Pensacola respond liberally to your appeal for Christmas toys and goodies to brighten the lives of the less fortunate among us on Christmas morning. 'Yours very truly, 'KRESS'."

ARE COMPLYING WITH THE LAW

PENSACOLA MERCHANTS FAR AHEAD OF OTHER CITIES, SAYS STATE FOOD AND DRUG INSPECTOR, WHO IS ON A TOUR.

"I find the Pensacola business men a mile ahead of those of other cities in complying with the state laws," said A. P. Jordan, inspector for Florida of food and drugs.

"This is my third visit to Pensacola as state inspector, and today in making my rounds I found no infractions of the law whatsoever."

Mr. Jordan arrived in the city Monday night and will probably be here for several days before completing his tour of inspection. He visited a large number of grocery stores, drug stores and other places during yesterday and was pleased to find all of them living up to the letter of the law in having their goods properly labelled.

CONFESSES TO MURDER OF MAN FIVE YEARS AGO

LEWIS BRYANT, NEGRO FROM ALABAMA, PICKED UP ON THE STREETS AND AT ONCE MADE ACKNOWLEDGMENT OF THE OFFENSE.

Lewis Bryant, colored, 31 years of age, whose home is in Lethotahchie, Ala., yesterday confessed, after being arrested by Officer Brunner, that he had killed Lum Smith, colored, at Lethotahchie, Ala., about five years ago. Bryant, in a city jail cell, told a Journal representative all about the deed with his brother-in-law.

"But what worries me, Cap," he said, "was how that officer got onto me. I've been all over the city, been firing on railroads and doing much railroad work, and going all around policemen, passing them on the streets, riding on cars with them until I began to not be afraid of being recognized. But that man yesterday, he just walked up to me, asked me my name and said he wanted me for killing a nigger. Well, it took me off my feet, sure. I reckon, though, some Alabama nigger turned me up."

Bryant said that nearly five years ago he was in a card game with some other darkeys. "Smith got mad and came at me with a long pole. I run backwards until I come up in a corner against an old couple. I told Smith to stand off, and when he didn't I shot. Yes, I killed him." He said this without much questioning.

Bryant seemed to have an opinion that Pensacola policemen are quite above the average. "Here I been here but three weeks and one of the officers caught me. I don't know whether any reward is out for me or not, but I am ready to go back and work as when an officer comes. Don't you think it was a case of the nigger killing me or me killing the nigger?" he asked. "Yes, Cap, I was standing near the bar door some street in Lethotahchie and plenty other niggers were on the street. The officer walked right up to me and grabbed hold. Looked like things went against me, sure, when there were so many other niggers there. It was maybe because I was a strange nigger." He has a badly swollen lip, and when asked what did it, he said: "A nigger woman bit me."

"Perhaps she was the one who turned you up," suggested the reporter. "If she did, somebody else told her I had killed the nigger, 'cause I didn't. No, I just got mad with her, or she got mad with me, and we had a little spat. She is not here."

Officer Brunner arrested Bryant on West Belmont street yesterday afternoon at an early hour. The negro, just as he said, was standing near a barroom when the officer recognized him and placed him under arrest. Bryant also told Turnkey Simpson that he had killed the negro, but did not tell the officer anything of the self-defense claim.

Chief Sanders last evening notified the officials at Lethotahchie by wire that Bryant was held here subject to their orders, and it is expected that a trial will be held here.

Advice to Women A Message from a Famous Beauty Specialist to Women Lacking in Energy and Vitality.

Thousands of women vainly attempt to improve their complexions and to remove blackheads, crow's feet and other blemishes, through the use of cosmetics. This treatment fails because the trouble lies far deeper than the skin. They are suffering from impure and impoverished blood. This condition is in many cases due to a catarrhal condition of the mucous system which finds its expression in sallow, muddy complexion, dark-circled eyes, general weakness of the system, and perhaps most plainly in the sweeping of mucous membranes that is commonly called catarrh.

In fact this whole tendency is, properly speaking, Catarrh. Blemishes, this catarrh, and the complexion will clear as if by magic, eyes will brighten, faces become rosy and shoulders erect. Perfect beauty goes only with perfect health, and perfect health for women can only be obtained through one certain treatment—that which will cure catarrh.

Miss Swift, New York, the famous beauty specialist, known throughout the world and an accepted authority on all relating thereto, states that the one positive and permanent relief for catarrh, is Rexall Mucun-Tone. Here is her letter:

"I am pleased to endorse the claims made for Rexall Mucun-Tone as a cure for systemic catarrh. Its tonic effects are remarkable. It builds up the system and restores vitality. To women who are tired and run down, lacking in energy, and vitality, will give Rexall Mucun-Tone, they will praise as I do its strengthening and health qualities. It purifies the blood, acting thus upon the mucous cells—the congestion and inflammation of which causes local catarrh. This remedy causes poison to be expelled from the system, and the blood is purified and revitalized. Thus the natural functions of the mucous cells are restored, and the membranes are cleansed and made strong. We know that Rexall Mucun-Tone does relieve catarrh. We positively guarantee to refund the money paid us for this remedy in every case where the user is dissatisfied. It is a builder of vigorous health and a creator of good complexion. Price 50 cents and \$1.00 per bottle. Mail orders filled. It may be obtained only at our store, The Rexall Store, The Crystal Pharmacy, Brent building.
