The Bane Of Beauty

Is Pimples, Boils, Blackheads, Eruptions; its Blessing is "Stuart's Calcium Wafers."

Trial Package Free.

Is your blood out of order? Have you pimples on your face and body? Do you have boils, tetter, eczema, blackheads, rash and rough, scabby skin? If you have all or some of these it is a sure indication that there is something the matter with your blood. Of course you know this as well as any one and have suspected it from the first appearance of a pimple or boil. You have been negligent in attending to yourself and your case; this is all. It is so easy to be negligent and put off for another time that which should have been done right away.

All these vexations and annoyances—pimples, boils, etc., are your good friends, so don't harbor ill feelings towards them and attack them with ugly remedies in order to rid yourself of them. Besides being the escape of bad and poisonous humors, they act as messengers who bring the blood sends out to tell you that it is in peril and needs help and seeks it from you. The blood is starving and must have supplies; furnishing for some certain kind of food of which it has been denied and unable to get. More messengers and yet more are sent out as the delay becomes longer and they plead for and almost demand help.

Eczema, rash, tetter, blackheads come, all persistently telling the same story of the great and imminent need of aid. Science has made the important discovery that when these various eruptions appear on the surface of the body that the blood and system need a calcium—a liniment—in order that it may be chemically correct and able to do all the important work assigned to it.

The scientific and medical laboratories have been busy endeavoring to produce a product, manufacture a medicine, invent a remedy adequate to the purpose required. The demand was for something more carefully elaborated than the crude and rather elementary remedies heretofore used. The happy outcome of this combined effort is the STUART CALCIUM WAFER, which contains in agreeable and convenient form the lacking food which the blood has been craving and demanding, and with the use of these as a remedial agent, the blood becomes pure and normal and the outward indications disappear. No more pimples, boils and blackheads; no more eczema, rash, eruptions and scabby skin for the reason that there is no cause for them, and the skin very soon becomes clean and smooth and the entire system enters upon a new lease of health and activity.

The Calcium Wafers' action is prompt and the system responds quickly; so distressing months and years ago nothing magical or mysterious about these wafers, their quick and alert action may well suggest it. They are the willing helpers of the various organs of the body; they give the lungs a lift by turning them with better material to work on; they invigorate the bowels and encourage them to normal action; in fact, lend a helping hand wherever needed.

Get rid of the pimples and blotches on your face, the boils on your body, and be well and healthy once more; realize that this is your condition again and your friends as well. Try the STUART CALCIUM WAFER TREATMENT; it is not expensive, even in extreme cases. Ask your doctor what he thinks of Calcium Sulphide as a blood purifier; if he knows his business he will have but one answer. There is no better way of presenting this remedy than in the Stuart Calcium Tablet form, and a trial package will be sent to any one who will write for it. This trial package will serve as an introduction, after which if you need more, you can supply yourself at a drug store. You will be charged 50 cents a box for it here as this is the price everywhere. For the free trial package address F. A. Stuart Co., 175 Stuart building, Marshall, Michigan.

CONTRIBUTE TO LADIES TOY AND FRUIT FUND

EVERYONE SHOULD HELP MAKE POOR CHILDREN OF PENSACOLA HAPPY AT CHRISTMAS TIME BY HELPING ELKS LADIES IN THEIR DISTRIBUTION.

Everyone who wants to help make the poor children of Pensacola happy at Christmas time should get busy this week and contribute in some way to the Christmas distribution to be conducted by the Elks Ladies Auxiliary.

One of yesterday's contributors was Levy & Hallmark, who donated a box of oranges. This was a very acceptable contribution, as the distribution will consist of toys, fruits, and candies.

All who can contribute either toys or fruit are asked to do so, and those who cannot are requested to donate money with which the toys and fruit can be purchased.

The Journal will be glad to receive any of these contributions and turn them over to the ladies who are conducting the work.

Sammers, Box W, South Bend, Ind., will send free to any mother a successful treatment, with full instructions. Send this money, but write her today if your children trouble you in this way.
