\$5.00 REWARD.

Jack Ross, a former resident of Pensacola, but residing in Mobile for a number of years, is in the city and is being warmly greeted by his many friends.

Louis K. Bauer has returned from Mobile, where he visited during the reunion.

Gus Lambrecht, of The Journal circulation force, who has been ill for the past two weeks, is out again and was able to be at his desk for a brief period Monday.

A. W. McNeal and wife came down last night from Bonifay and are at the Manhattan. They will attend the picnic today at Palmetto Beach.

The funeral Sunday of the late John O'Donovan was largely attended, and the floral offerings were rich and beautiful. City employees and members of the city fire department attended in a body with a delegation from the ranks of the Volunteer Veteran Firemen's Association.

It required nine electric cars to bring to the city a crowd of negroes who attended a ball and picnic, given at Lincoln park yesterday. The cars left the grounds at midnight and when the transfer station was reached, all the cars piling there within a short space of time, there was quite an animated scene.

Five hundred and seven arrests were effected by the police department for the month of April.

Chief Saunders yesterday afternoon arrested a young white man named Thomas Smith, from Milton, on request of the sheriff of Santa Rosa county, who charged that the young man had stolen a ring. When searched at the station Smith had a ring in his shoe, and the jewel was pronounced the stolen one. Sheriff John H. Collins came down on the 9:45 train last night and identified the ring. He will take the prisoner to Milton this morning to answer a charge of grand larceny. It was stated that a negro is implicated in the alleged theft, but up to midnight he had not been found.

Clerk Vincent, from the Battle House, Mobile, will reach the city today and will take a position at the San Carlos.

One of the features of the firemen's picnic today will be a game of baseball between the Athletics of this city and a strong team from Oak Field. The line-up of the Oak Field team was given out last night and was as follows: M. Ciulla, pitcher; R. Alsip, catcher; W. Alsip, first base; C. Pate, second base; Ed. Kilbee, third base; B. Davis, right field; M. Holsen, short stop; L. Morgan, center field; M.

PROVEN ECZEMA CURE

For several years we have announced, with our recommendation, that we had found a positive cure for eczema; a simple skin wash, oil of wintergreen compounded with other healing ingredients.
Yet we know there are people right in this town who have eczema, and still have never tried this remedy.
We have, therefore, arranged with the D. D. Laboratories of Chicago for a special offer of a trial bottle at 25 cents instead of the \$1.00 bottle as regularly sold. Be sure of the correct name: D. D. D. Prescription.
We offer this trial bottle with our recommendation and assurance that just as soon as the patient washes his itching skin, this mild liquid will take the itch away instantly.

How to Cure Chronic Catarrh

1 Catarrh in its early stages is considered a local affection, but if it becomes chronic it is classified as constitutional. Its persistency is due to pollution of the blood—the catarrh remains at first confined to the mucous membrane—soon work into the circulation.
2 Inhalers, sprays, snuffs, and other remedies designed for local treatment, may be effective at first—may relieve the symptoms temporarily, even in chronic cases—but unless they are helped by a treatment that will drive the germs from the blood, the cure cannot be permanent.

K.E.B.P.

(Kills Every Blood Poison)
will effect a permanent cure if used according to directions, because it cleanses and purifies the blood, kills and drives out all disease germs and leaves the blood rich, pure and healthy.
3 Such blood heals the mucous membrane and stops the offensive discharges, stuffy sensations in the head, ringing noises in the ears, violent headaches and other aggravating catarrhal symptoms.
4 K. E. B. P. is also guaranteed to cure all forms of Rheumatism, Neuritis, Gout, Indigestion, most Kidney and Bladder troubles and all skin and blood diseases. You can cure your chronic Catarrh today, and will soon be entirely well, if you get K. E. B. P. from your druggist and take faithfully as directed.
Price \$1.00 per bottle. Ask for the money-back guarantee.

Johnson, left field. The battery for the Athletics will be A. Farinas and Ed. Motta. The game starts on arrival of the 3:30 car, and a premium of five dollars will be awarded the winning team.

An unconfirmed report reached the police station late yesterday that some party had suicided in the northern part of the city, but name and location could neither be established, and the report was not given credence. The midnight watch was instructed to look out for any news of the report.

Saves an Iowa Man's Life.
The very grave seemed to yawn before Robert Madsen, of West Burlington, Iowa, when, after seven weeks in the hospital, four of the best physicians gave him up. Then was shown the marvelous curative power of Electric Bitters. For, after eight months of frightful suffering from liver trouble and yellow jaundice, getting no help from other remedies or doctors, five bottles of this matchless medicine completely cured him. It's positively guaranteed for Stomach, Liver or Kidney troubles and never disappoints. Only 50c. at Pensacola Drug Co.

YOUR HAT
May Be a Stylish One, But It Makes Trouble.

A man usually buys a hat that "in style," but the modern hat for men has lots to answer for.

Baldheads are growing more numerous every day. Hats make excellent breeding places for the parasitic germs which sap the life from the roots of the hair.

When your hair begins to fall out and your scalp is full of Dandruff it is a sure sign that these countless germs are busily at work.

There is but one way to overcome the trouble and kill the germs—that way is to apply Newbro's Herpicide to the scalp—it will kill the germs and healthy hair is sure to result.
